Because the competitions at the park have drawn such large crowds the past two years, it is difficult for everyone to be able to see the fantastic costumes sported by your pets. This year, we'd like to add PETS ON PARADE to the registration form in hopes that you and your pets will march down Main Street in the 10th Annual parade. Your participation would be a real "crowd-pleaser", allowing all the parade viewers the opportunity to see the costumed pets individually. The parade route is about 1 ½ miles, but if your pets are unable to walk the distance, feel free to carry them, pull them in a wagon or utilize any other "creative" means of transportation. The parade starts at 10:00 am, pet contest in the park at 12:30 pm.
