

SAVE THE MONARCHS!!

PLEDGE BY MAY 15TH TO BE A BUTTERFLY HERO AND BE ELIGIBLE TO WIN A TRIP FOR 4 TO DISNEYWORLD!

Do you want to live in a world where the next generation will be able to see the beauty of a monarch butterfly on a flower? If your answer is YES, then you need to keep reading....

The population of Monarch Butterflies has dropped more than 80 percent in the past two decades. This is an indicator that there is something wrong in our shared environment – and the National Wildlife Federation, partnering with the National Fish and Wildlife Service, signed an agreement in February calling on citizens to help monarchs by cultivating milkweed and native nectar plants.

If you pledge to be a Butterfly HERO, you will receive a packet with native milkweed or a flowering nectar plant, a Ranger Rick notebook, a Butterfly hero's sticker and poster, and will be able to certify your wildlife garden with the National Wildlife Federation. To learn more about the plight of the Monarch, visit the National Wildlife Federation website ([nwf.org](http://www.nwf.org)). For information on how to pledge to be a Butterfly Hero, follow the link <http://www.nwf.org/Butterfly-Heroes/Pledge.aspx>

Butterfly Heroes pledge cards are available at Town Hall. If you have any questions, please contact Councilwoman Lorraine Gorman at lgorman@townsend.delaware.gov.
