TOWNSEND PROPOSED ZONING CHANGES

Basis for Proposed Zoning Map

The 2010 Townsend comprehensive plan on page 62 includes the table below titled “Table 17: Land Use and Zoning Link” This table is the basis for ensuring consistency between the future uses of land shown on Maps 7a and 7b of the plan and the proposed zoning map.

Table 17: Land Use and Zoning Link

Land Use Category in Map 7b	Zoning District(s) to be Considered in Comprehensive Rezoning	Notes
Residential	R Residential R-1 Residential R-1A Residential R-A Residential R-AA Residential R-2 Residential	(a)
Commercial	C Commercial	(a)
Industrial	I Industrial	(a)
Community/Institutional	All Zoning Districts	(a)
Town Center	All Zoning Districts	(a), (b)

Notes: a. While the Town has designated certain areas on its future land use maps (Maps 7a and 7b) as “Community/Institutional”, and “Town Center,” this Comprehensive Plan does not require the Town Council to zone with these specific designations when rezoning in accordance with this Comprehensive Plan. These uses may be placed in any zoning district which the Town Council designates as permissible under Townsend’s Unified Development Ordinance or other applicable land use regulations.

b. While the Town Center Area is encouraged by this Comprehensive Plan, the Town is not required to adopt a Town Center zoning designation within its land use ordinances. Other zoning classifications (including but not limited to residential, commercial, and planned community designations) may be used to encourage flexible development strategies in the Town Center Area.
