Zoning Code Guidelines - Board of Adjustments - Variances - Section 801

The Board of Adjustments shall have the power to grant the following Variances:

- A. A modification in the area and bulk requirements in any district so as to relieve practical difficulties or particular hardships in cases where by reason of size, shape or narrowness of a parcel of property or by other exceptional or extraordinary situation or condition the use or development of the property would not conform to strict application of the regulations set forth in this Ordinance. Such grant of variance shall conform as nearly as possible with the spirit, intent and purpose of this Ordinance. Only for reasons of demonstrable and exceptional hardship upon the owner of such property will such modifications be permitted.
- B. Modifications in parking and loading requirements of this Ordinance may be permitted whenever the character or use of any building is such as to make the full provision of parking and loading facilities unnecessary.

Board of Adjustments - Section 910

The Board of Adjustment shall have the following powers:

- A. To hear and decide appeals where it is alleged there is an error in any order, requirement, decision or determination made by an administrative official in the enforcement of the Town's codes and the laws of the State of Delaware and any amendment thereto or to this Ordinance.
- B. To hear or decide variances to the terms of this Ordinance upon which the Board is required to pass under this Ordinance.
- C. To authorize upon appeal, in specific cases, such variance from the terms of this Ordinance as will not be contrary to the public interest where owing to special conditions or exceptional situations, a literal interpretation of the provisions of this Ordinance will result in unnecessary hardship or exceptional practical difficulties to the owner of property so that the spirit of this Ordinance shall be observed and substantial justice done, provided such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the ordinance.
- D. In exercising the above-mentioned powers, the Board of Adjustment may reverse or affirm, wholly or partially, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all powers of the officer from whom the appeal is taken. Notices of such decision shall be given to all parties in interest, as permitted by the Board of Adjustment.
