All equipment and the systems contents remain the property of Advanced Solar until payment is received in full. Full payment is due same day of completion (the definition of complete is the system running properly. Completion excludes punch lists and inspections). All quotes are subject to review after 30 days. Interest will be accrued at a rate of 1.5% after 30 days of invoice date. Authorized signer is personally liable for entire contract amount and for any and all legal and lien fees incurred by Advanced Solar while attempting to collect contract amount. No other contract can take precedence over this agreement. Anything not specifically stated in this contract is not included, but can be performed on a time and material basis. Not responsible for manufacturer's warranty.

Proudly accepting the following forms of payment.
