

Town of Townsend
Town Manager's Report
For the September 6th, 2023, Town Council Meeting

September 1, 2023

Dear Mayor and Council,

The followings are items of significance to serve as the basis for discussion at Council meeting and to inform Town Council of the activities of the Town administration. This is not a comprehensive list of activities over the last month however, it is intended to provide a briefing on activities.

Human Resources

I am reviewing and interviewing for the Administrative Assistant position and will hire as soon as possible.

Town Taxes

Town of Townsend Tax bills were mailed the first week of August. Tax bills for properties in escrow are mailed directly to the mortgage provider. Tax bills for properties without a mortgage were mailed directly to the property owner. Bills are due by October 31st, 2023. A 5% discount will be applied to all payments received by September 30th. Should you have any questions about your tax bill, please contact Townhall.

Public Works/ Public Works Building/ Pole Barn/ Additional Town Properties

RVE has completed the wetlands delineation at the Finley Street Town parcel and is coordinating with the Army Corp of Engineers and New Castle County please refer to the Engineers report for more details. Once additional information is received, it will be shared.

The new Town property has been purchased utilizing ARPA funds. The use of the property is to be determined. I have had concept plans drawn for the location and will be discussing prospective items at a future meeting.

A large tree on the property has been removed as it was blocking a stop sign and presented a safety concern.

The sinkhole project to be completed by SPS has begun and should be completed in the coming weeks.

Solar Speed Limit Signs

The Town has received the CTF agreement from Representative Spiegelman to proceed with the solar speed limit signs. The Town has eight signs from Radarsign and the agreement has been approved for signs in the following locations:

- i. Northbound on Brook Ramble Lane in the Townsend Station Development
- ii. Northbound on Edgar Rd. in the Townsend Village Development
- iii. Southbound on South St. in the Townsend Village II Development- **INSTALLED**
- iv. Northbound on South St. in the Townsend Village II Development
- v. Westbound on Main Street- near the Fire Department traveling into the heart of Town- Townsend Elementary School is right near this location and the Town has a priority for walkability and their placement would encourage safe travels to school, in accordance with the Town Comp Plan and WILMAPCO Walkability Study.
- vi. East Bound on Main Street- near the Kaitlyn entrance to TVI traveling into the heart of Town.
- vii. Southbound on Wiggins Mill Rd- traveling towards the heart of Town.
- viii. Northbound on Commerce St- traveling into the heart of Town.

The signs are continuing to be installed and will assist with traffic control and speeding concerns in Town.

Surface Water Matching Planning Grant.

TE Van-Otoo and his team are continuing to work on this project. As previously discussed, and approved, the Town received a second grant for this project in the amount of \$24,900, which assisted in decreasing the Town's match for this project. The project continues to progress.

DeIDOT

DeIDOT is working on a bicycle/ pedestrian improvement study for the towns of Townsend and Odessa. A public workshop was held on January 4th at 5 pm at Town Hall and a survey regarding bicycle/ pedestrian improvement is available to contribute to on the Town website. We are awaiting DeIDOT's next steps on this project.

The TAP Grant application has been approved by DeIDOT. Additional details can be found below.

Annexation/Development

I continue to work on the annexation of properties into Town. I have been notified that New Castle County voted to proceed with the authorization of annexation of Parcel # 14-016.00-047, 6170 Summit Bridge Road. We will continue to prepare this annexation for PLUS and a Town Council vote.

I continue to be contacted by those interested in annexing into Town. Both residential and commercial interest has been expressed and I am contacted often each month.

As discussed at the last few Town Council Meetings, The Planning Commission has made recommendations for parcels to add to the Future Land Use & Growth & Annexation Areas Map, and the map is being finalized to submit to PLUS for the amendment.

Town Events

The Town of Townsend held our second annual **Back-to-School Event on 8/29/23**. We distributed over 200 backpacks to local students and also donated additional school supplies to Townsend Elementary school. We also had youth service organizations, public safety organizations, and state agencies present to provide information and handouts to students and their families. Many thanks go out to our event sponsors. We wish all students a wonderful school year!

Charter Revisions

As previously shared, the Charter revision bill has successfully gone through the House of Representatives and Senate. On 8/31/23, the Governor has signed the bill.

Grants

We have been working on numerous grant applications and we are currently awaiting notifications of award or denial. The grants include:

1. DE Nature Society & Delmarva Power Sustainable Communities Grant- to address resiliency related to solar installation. We have graciously received this grant in the amount of **\$3,975**. The last step is for Advanced Solar to complete the paperwork for Delmarva Power to allow us to receive credit for the electricity we are receiving from the panels- they have advised they are completing this.
2. A second DNREC Surface Water Matching Planning Grant Application has been received in the amount of **\$24,900** for additional grant funding to the Townsend Stormwater Management Study.
3. DNREC ORPT grant match in the amount of **\$37,600** for an irrigation system for the Town Municipal Park's Multipurpose and Baseball fields has been awarded to the Town. Town Council has committed to matching this with ARPA funds. We are finalizing the details for this work to go out to bid, please refer to the Engineer's report for the status on this project.
4. The DeDOT TAP Grant application has been approved to "The TAP project intends to focus on improving pedestrian accessibility and connections on and around Main Street as indicated in your application. Pending your sponsor participation, the TAP award for this project will continue into Professional Engineering design and construction phases with selected or prioritized items based on available funding. We will also investigate South Street as far as streetscape improvement options." Representative Spiegelman and Senator Hoffner have

graciously agreed to provide the grant match in the amount of \$60,000. We are awaiting a start date for this project.

5. A federal grant application has been submitted on 8/14/23 for a feasibility study and preliminary engineering and design to explore safe railroad crossing options for the heart of Town.
6. A 2023 Cycling Infrastructure Innovation Application has been submitted on 8/30/23 to the Delaware Bicycle Council for a feasibility study and engineering design project for new bike paths to be constructed through open space areas to connect TVI and TVII west and provide safer access to the Townsend Municipal Park.
