

Town of Townsend Town Manager's Report

For the November 1st, 2023, Town Council Meeting

October 27th, 2023

Dear Mayor and Council,

The followings are items of significance to serve as the basis for discussion at Council meeting and to inform Town Council of the activities of the Town administration. This is not a comprehensive list of activities over the last month however, it is intended to provide a briefing on activities.

Public Works/ Public Works Building/ Pole Barn/ Additional Town Properties

RVE has completed the wetlands delineation at the Finley Street Town parcel and is coordinating with the Army Corp of Engineers and New Castle County please refer to the Engineers report for more details.

The new Town property has been purchased at 201 Main St. utilizing ARPA funds. The use of the property is to be determined. I have had concept plans drawn for the location which were presented at the 9/20/23 Town Council Special Meeting. Ongoing discussions are necessary to determine what to place in this location.

The sinkhole project to be completed by SPS has begun and should be completed in the coming weeks. The following locations have been completed thus far:

- 18 Brook Ramble
- 324 Sunnyside Lane

Additional investigation by SPS is necessary for 13 and 4 Brook Ramble by SPS and is to be completed shortly.

The bushes in median at the Townsend Municipal Park has been completed.

Human Resources

I am reviewing and interviewing for the Administrative Assistant position and will hire as soon as possible.

Solar Speed Limit Signs

The Town has received the CTF agreement from Representative Spiegelman to proceed with the solar speed limit signs. The Town has eight signs from Radarsign and the agreement has been approved for signs in the following locations:

- i. Northbound on Brook Ramble Lane in the Townsend Station Development- To be installed 1st week of October.
- ii. Northbound on Edgar Rd. in the Townsend Village Development- **INSTALLED**
- iii. Southbound on South St. in the Townsend Village II Development- **INSTALLED**
- iv. Northbound on South St. in the Townsend Village II Development- **INSTALLED**
- v. Westbound on Main Street- near the Fire Department traveling into the heart of Town.
- vi. East Bound on Main Street- near the Kaitlyn entrance to TVI traveling into the heart of Town.
- vii. Southbound on Wiggins Mill Rd- traveling towards the heart of Town. - **INSTALLED**
- viii. Northbound on Commerce St- traveling into the heart of Town.

The signs are continuing to be installed and will assist with traffic control and speeding concerns in Town.

Surface Water Matching Planning Grant.

TE Van-Otoo and his team are continuing to work on this project. As previously discussed, and approved, the Town received a second grant for this project in the amount of \$24,900, which assisted in decreasing the Town's match for this project. A report and presentation on this project will be provided at the December Council Meeting.

DeIDOT

DeIDOT is working on a bicycle/ pedestrian improvement study for the towns of Townsend and Odessa. A public workshop was held on January 4th at 5 pm at Town Hall and a survey regarding bicycle/ pedestrian improvement is available to contribute to on the Town website. We are awaiting DeIDOT's next steps on this project.

The 2022-2023 TAP Grant application has been approved by DeIDOT and the project kick-off meeting has been held and DeIDOT and the engineering group they contracted- Rossi- is working to begin the data collection and research portion of their project. Public Workshops related to this project will be held in the new year once the data collection phase is completed.

Annexation/Development

I continue to work on the annexation of properties into Town. I have been notified that New Castle County voted to proceed with the authorization of annexation of Parcel # 14-016.00-047, 6170 Summit Bridge Road. We will continue to prepare this annexation for PLUS and a Town Council vote.

I continue to be contacted by those interested in annexing into Town. Both residential and commercial interest have been expressed and I am contacted often each month.

The Planning Commission has finalized the recommendations for parcels to add to the Future Land Use & Growth & Annexation Areas Map, and the map has been submitted to PLUS for the amendment. This is on the PLUS agenda for November 15th.

American Rescue Plan

Regarding the American Rescue Plan, we have already authorized the expense of engineering for the Pole Barn, Bonuses, and for the following items for the Townsend Police Department- new vehicles, inspections, and the lettering of the vehicles; contingent on the vehicle inspections; new Police radios, and mobile police vehicle recording systems, the purchase of property, cameras at the Town Park and Police Department Security Enhancements.

Grants

We have been working on numerous grant applications and we are currently awaiting notifications of award or denial. The grants include:

1. DE Nature Society & Delmarva Power Sustainable Communities Grant- to address resiliency related to solar installation. We have graciously received this grant in the amount of **\$3,975**. The last step is for Advanced Solar to complete the paperwork for Delmarva Power to allow us to receive credit for the electricity we are receiving from the panels- they have advised they are completing this.
2. A second DNREC Surface Water Matching Planning Grant Application has been received in the amount of **\$24,900** for additional grant funding to the Townsend Stormwater Management Study.
3. DNREC ORPT grant match in the amount of **\$37,600** for an irrigation system for the Town Municipal Park's Multipurpose and Baseball fields has been awarded to the Town. Town Council has committed to matching this with ARPA funds. We are finalizing the details for this work to go out to bid, please refer to the Engineer's report for the status on this project.
4. The DelDOT TAP Grant application has been approved to "The TAP project intends to focus on improving pedestrian accessibility and connections on and around Main Street as indicated in your application. Pending your sponsor participation, the TAP award for this project will continue into Professional Engineering design and construction phases with selected or prioritized items based on available funding. We will also investigate South Street as far as streetscape improvement options." Representative Spiegelman and Senator Hoffner have graciously agreed to provide the grant match in the amount of \$60,000. The project has begun as noted above.
5. A federal grant application has been submitted on 8/14/23 for a feasibility study and preliminary engineering and design to explore safe railroad crossing options for the heart of Town.
