

Town of Townsend
Town Manager's Report
For the December 6th, 2023, Town Council Meeting

December 1st, 2023

Dear Mayor and Council,

The followings are items of significance to serve as the basis for discussion at Council meeting and to inform Town Council of the activities of the Town administration. This is not a comprehensive list of activities over the last month however, it is intended to provide a briefing on activities.

Public Works/ Public Works Building/ Pole Barn/ Additional Town Properties

RVE has completed the wetlands delineation at the Finley Street Town parcel and is coordinating with the Army Corp of Engineers and New Castle County please refer to the Engineers report for more details.

The new Town property has been purchased at 201 Main St. utilizing ARPA funds. The use of the property is to be determined. I have had concept plans drawn for the location which were presented at the 9/20/23 Town Council Special Meeting. Discussions are Ongoing to determine what to place in this location.

Additional signs with park rules have been installed at the Townsend Municipal Park.

The Town Christmas decorations have been installed along Main Street and at the Town Park with the assistance of the Town of Middletown.

Human Resources

The Town is looking to hire both a part-time Administrative Assistant and a part-time Code Official. Application details will be posted to the Town website and Indeed.

Solar Speed Limit Signs

The Town has received the CTF agreement from Representative Spiegelman to proceed with the solar speed limit signs. The Town has eight signs from Radarsign and the agreement has been approved for signs in the following locations:

- i. Northbound on Brook Ramble Lane in the Townsend Station Development- To be installed 1st week of October.
- ii. Northbound on Edgar Rd. in the Townsend Village Development- **INSTALLED**
- iii. Southbound on South St. in the Townsend Village II Development- **INSTALLED**
- iv. Northbound on South St. in the Townsend Village II Development- **INSTALLED**
- v. Westbound on Main Street- near the Fire Department traveling into the heart of Town.
- vi. East Bound on Main Street- near the Kaitlyn entrance to TVI traveling into the heart of Town.
- vii. Southbound on Wiggins Mill Rd- traveling towards the heart of Town. - **INSTALLED**
- viii. Northbound on Commerce St- traveling into the heart of Town.

The signs are continuing to be installed and will assist with traffic control and speeding concerns in Town.

Surface Water Matching Planning Grant.

TE Van-Otoo and his team are continuing to work on this project. As previously discussed, and approved, the Town received a second grant for this project in the amount of \$24,900, which assisted in

decreasing the Towns match for this project. A report and presentation on this project will be provided at the December Council Meeting.

Traffic and DelDOT

DelDOT is working on a bicycle/ pedestrian improvement study for the towns of Townsend and Odessa. A public workshop was held on January 4th, 2023, at Town Hall and a survey regarding bicycle/ pedestrian improvement is available to contribute to on the Town website. We are awaiting DelDOT's next steps on this project.

The 2022-2023 TAP Grant application was approved by DelDOT and the project kick-off meeting has been held and DelDOT and the engineering group they contracted- Rossi- is working to begin the data collection and research portion of their project. Public Workshops related to this project will be held in the new year once the data collection phase is completed. A field visit with Rossi was held in November to evaluate the locations the project is targeting:

- Improving pedestrian accessibility and connections on and around Main Street
- South Street as far as streetscape improvement options
- A gateway sign when entering the Town on the west side.

Discussions were held on the concerns in the area and possible recommendations for improving safety and the flow of traffic in the area. Recommendations are forthcoming after the next public workshop.

Discussions regarding improving traffic flows are continuing with DelDOT and additional details are forthcoming.

Annexation/Development

I continue to work on the annexation of properties into Town. I have been notified that New Castle County voted to proceed with the authorization of annexation of Parcel # 14-016.00-047, 6170 Summit Bridge Road. We will continue to prepare this annexation for PLUS and a Town Council vote.

I continue to be contacted by those interested in annexing into Town. Both residential and commercial interests have been expressed and I am contacted often each month.

The Planning Commission has finalized the recommendations for parcels to add to the Future Land Use & Growth & Annexation Areas Map. Prior to finalizing the map for PLUS application, a representative from the Office of State Planning made some recommendations on the map which are being prepared. Discussions will also be held with NCC to review the map recommendations. The map will be added to a PLUS agenda pending application in January.

American Rescue Plan

Regarding the American Rescue Plan, we have already authorized the expense of engineering for the Pole Barn, Bonuses, and for the following items for the Townsend Police Department- new vehicles, inspections, and the lettering of the vehicles; contingent on the vehicle inspections; new Police radios, and mobile police vehicle recording systems, the purchase of property, cameras at the Town Park and Police Department Security Enhancements.

Additional research and conversations have begun and are ongoing for additional projects.

Here is the current ARPA breakdown:

Total ARPA Awarded= \$790,706.26

Townsend General-

- Barnes & Thornburg Legal Services for ARPA= \$3,082.76
- Bonuses= \$13,000.00

- OPRT Irrigation Project Match= \$37,600.00
- Real Estate Purchase = \$96,364.29
- Total General= \$150,047.05

Townsend Public Works

- Professional Engineering Design Services for Townsend Pole Barn Building- \$53,900
- Town Park Gazebo= \$27,750.00
- Assigned in FY 2024 Budget- Capital Expenses - Pole Barn- \$200,000.00
- Total PW= \$281,650.00

Townsend Police Department-

- New vehicles, inspections and the lettering of the vehicles; contingent on the vehicle inspections- Not to exceed \$24,121.27.
- New Police radios- \$23,365.84
- Mobile police vehicle recording systems- \$34,560.00.
- Bonuses= \$1,500.00
- Park Cameras & 2-year contract= \$35,176.00
- Police Department Door Repairs= \$14,490.00
- Police Department Security Enhancements= \$17,070.00
- TOTAL PD= \$150,283.11

Overall Total Obligated= \$581,980.16

Total Remainder= \$208,726.1

Town Events

In honor of Veterans Day, the Town of Townsend collected donations and letters of support for the Brian Conley Veteran Resiliency Center. Letters of support, cards, and drawings were donated by the students of Townsend Elementary, Cub Scout Pak 651, and Girl Scout Troop 1220, along with Town residents. Donations were made by Townsend Residents and the Town of Townsend and delivered to the Brian Conley Veterans Resiliency Center by Councilman Suhr and myself. Councilman Suhr also volunteered during the VFW Veterans Day Dinner.

During the months of October and November, the Town collected non-perishable food in partnership with the Delaware Veterans Support Association Drive.

From December 1, 2023, through December 30, 2023, the Town is collecting non-perishable food donations for the Town Food Pantry Box. Donations can be made to Town Hall.

On Friday, December 8, 2023, the Town will be holding its Annual Tree Lighting and Caroling Event in partnership with Immanuel Church and the Odessa High School Band. The event will begin at 6 pm. The Townsend Police Department and the Townsend Fire Company will be escorting a special guest to the event. We hope to see everyone there to celebrate the holiday season .

2023 Town of Townsend Annual Holiday Decorating Contest

Town Council is holding its annual Holiday Decorating Contest during the month of December. Town Council will be judging homes on or about December 21st through the 24th. Winners will be announced at the January 2024 Town Council meeting. Judges' decisions are final. There are two categories for the contest: 1. Modern– Utilizing Light Movement & Blowups and 2. Traditional- Static displays with limited light movement.

Grants

We have been working on numerous grant applications and we are currently awaiting notifications of award or denial. The grants include:

1. DE Nature Society & Delmarva Power Sustainable Communities Grant- to address resiliency related to solar installation. We have received this grant in the amount of **\$3,975**. The last step is for Advanced Solar to complete the paperwork for Delmarva Power to allow us to receive credit for the electricity we are receiving from the panels- they have advised they are completing this and myself and the Town Engineer have met with Delmarva Power to get this completed.
2. A second DNREC Surface Water Matching Planning Grant Application has been received in the amount of **\$24,900** for additional grant funding to the Townsend Stormwater Management Study.
3. DNREC ORPT grant match in the amount of **\$37,600** for an irrigation system for the Town Municipal Park's Multipurpose and Baseball fields has been awarded to the Town. Town Council has committed to matching this with ARPA funds. Please refer to the Engineer's report for the status on this project. I have reached out to the Town's Representative and Senator to request additional funding as the scope of this project has expanded.
4. The DelDOT TAP Grant application has been approved to "The TAP project intends to focus on improving pedestrian accessibility and connections on and around Main Street as indicated in your application. Pending your sponsor participation, the TAP award for this project will continue into Professional Engineering design and construction phases with selected or prioritized items based on available funding. We will also investigate South Street as far as streetscape improvement options." Representative Spiegelman and Senator Hoffner have graciously agreed to provide the grant match in the amount of \$60,000. The project has begun as noted above.
5. A federal grant application has been submitted on 8/14/23 for a feasibility study and preliminary engineering and design to explore safe railroad crossing options for the heart of Town. Unfortunately, the Town was not awarded this grant but were invited to apply in the next round.
6. A 2023 Cycling Infrastructure Innovation Application has been submitted on 8/30/23 to the Delaware Bicycle Council for a feasibility study and engineering design project for new bike paths to be constructed through open space areas to connect TVI and TVII west and provide safer access to the Townsend Municipal Park. A site meeting with the Innovation Grant Working Group was held on 10/24 and the Working Group will be deciding on their grant awards at their 12/6 meeting.
7. An ORPT grant application was submitted on 9/15/23 to fund the acquisition of property and a planning study for development of future additional recreational areas throughout Town.
8. An application to address pedestrian and bicycle safe access along Wiggins Mill Road has been submitted on 9/22 through the Delaware Bicycle and Pedestrian Funding Pool program. The DNREC Parks and Recreation Council recommended the Town's application for approval in the amount of **\$125,000** and we are awaiting a formal noticed of award.
