To hear or decide variances to the terms of this chapter upon which the board is required to pass under this chapter.

To authorize upon appeal, in specific cases, such variance from the terms of this chapter as will not be contrary to the public interest where owing to special conditions or exceptional situations, a literal interpretation of the provisions of this chapter will result in unnecessary hardship or exceptional practical difficulties to the owner of property so that the spirit of this chapter shall be observed and substantial justice done, provided such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of the chapter.

In exercising the above-mentioned powers, the board of adjustment may reverse or affirm, wholly or partially, or may modify the order, requirement, decision, or determination appealed from and may make such order, requirement, decision or determination as ought to be made, and to that end shall have all powers of the officer from whom the appeal is taken. The officer from whom that the appeal is taken shall transmit to the board all appeals constituting the record upon which the action appealed from was taken.

In such case, proceedings shall not be stayed by the board or by the court of competent jurisdiction on the application on notice to the officer from whom the appeal is taken and on due cause shown.

The board of adjustment shall fix a reasonable time from the hearing of the application or appeal, giving public notice thereof as well as due notice to the parties in interest.
