

Warriors Helping Warriors
104 S. Broad Street
Middletown, DE 19709

Dear Warriors Helping Warriors Supporter,

Warriors Helping Warriors is excited to announce that our seventh golf outing is at St. Anne's Golf Course on May 10, 2024. Our last six golf outings were a tremendous success thanks to people like you and we hope to have a repeat this year. The Brian Conley Veterans Resiliency Center has housed over 130 homeless veterans in its five years of operation and we need to fundraise so we can continue our mission of providing case management and housing to veterans that need some help with getting the benefits and services they so rightly deserve.

Warriors Helping Warriors was formed on the premise of helping fellow veterans and their families navigate the Veterans Administration (VA) and Military Systems and reintegrate into society after active duty. In its endeavor to capture the resiliency of our military men and women, the organization opened The Brian Conley Veterans Resiliency Center where veterans can adapt to their new mission. The center offers programs to support: Family Reunification, Health and Wellness, Housing, Job Placement, Resource & Benefits Education, Financial Planning, Recreation, Peer Support, Mental Health and so much more.

Please grab some friends and join us in another fun filled day of golf, friendship, prizes, food and drinks while supporting those that preserve our freedom and were willing to give it all for us.

Please contact Bill Rankin at wbrankin122@comcast.net or 302-685-2997 for any questions and/or more information.

Thank you for all your support! Please share this event with family and friends to assure another successful Warriors Helping Warriors golf outing.

Respectfully,

Marsha Conley
