Public Workshop

Townsend Safe Routes to School *In-Person Public Workshop: May 8, 2024*

Townsend Town Hall
141 Main Street
Townsend

Wednesday
05/08/2024
4:30 PM to 7:30 PM

The Delaware Department of Transportation (DelDOT) is seeking public input on proposed pedestrian facility improvements in Townsend. The effort includes missing sidewalk gap connections, crosswalks, and other enhancements. Specific sections of roadway include Main Street from Edgar Road to Chestnut Lane on the north side; Main Street from Cannery Lane to Chestnut Lane on the south side; and South Street from Main Street to Gray Street. The purpose of the public workshop is to present preliminary concepts and obtain input from the public on selected improvements.

The in-person public workshop will be conducted on **Wednesday, May 8, 2024, at the Townsend Town Hall** (141 Main St, Townsend) from **4:30 PM until 7:30 PM**. The format of the workshop will be an open house with materials available for public review and comment. Members of the project team will be available to answer questions. Workshop materials will also be posted on the project website (www.deldot.gov/information/projects) following the workshop.

Interested persons are invited to express their views in writing, giving reasons for support of, or opposition to, the proposed improvements. Comments will be received at the workshop or can be mailed to DelDOT Community Relations P.O. Box 778, Dover, DE 19903, sent via email to dotpr@delaware.gov. **Comments will be accepted through Monday, June 17, 2024.**

This public workshop location is accessible to persons having disabilities. Persons who require auxiliary aids and services such as qualified interpreters are requested to contact DelDOT by phone or mail one week in advance. For further information contact DelDOT Community Relations at 1-800-652-5600 (in DE) or 302-760-2080 or write to the above address.
