

Kindergarten Registration

If your child will turn 5 on or before August 31, it's time to register for kindergarten at Appoquinimink School District!

Registration is now completed online and takes about 20 minutes to complete. Use the QR code to access the registration page on our website. Before you start, you'll need:

- your child's birth certificate
- your driver's license or photo I.D.
- a current email address
- proof of residency
- medical forms (recent physical, immunization records)

Did you know our district has two language immersion programs for kindergarten students?

In Appoquinimink, we have Spanish and Chinese Immersion Programs at several of our schools! Students spend half of their day immersively learning a second language. Use the QR code below for more information.

- BMECC to BME (Spanish - no slots available)
- BMECC to SLE (Spanish - **slots available**)
- SMECC to OSE (Chinese - **slots available**)
- TECC to TES (Spanish - no slots available)

INTRODUCING OUR REGISTRATION SECRETARIES

Registration is a building-specific process. Once you hit the "send" key on your electronic application, your information will be sent to your feeder pattern school.

Our registrars are knowledgeable about ASD: its schools, programs, staff and students. They're excited to welcome you and will be happy to answer any questions you may have about the registration process or your child's new learning community.

Don't hesitate to reach out to the Registration Secretary at your feeder-pattern school.

FEEDER PATTERN SCHOOLS

Your home address determines which school is your feeder pattern school. If you need to determine your school, you can use the Delaware Department of Education school locator tool - the QR code will take you to the website.

If you will be enrolling your student in one of our language immersion programs, you will need to complete a School Choice application. PLEASE NOTE: Choice applications follow a different timeline for kindergarten - so there is still time to register for immersion!
