(d) Any person or firm who wilfully or knowingly fails or refuses to comply with this section shall be guilty of a misdemeanor and shall upon conviction be punishable by a fine not to exceed \$3,000, or imprisonment not to exceed 6 months, or both.

(c) The period of service in the area referred to in subsection (a) of this section shall include the period during which an individual entitled to benefits under subsection (a) of this section is in a missing status, within the meaning of § 6013(f)(3) of the Internal Revenue Code [26 U.S.C. § 6013(f)(3)], or a successor provision.

In any other case in which the Director of Revenue determines that collection of the amount of any assessment would be jeopardized by delay, the provisions of subsection (a) of this section shall not operate to stay collection of such amount as authorized by law. There shall be excluded from any amount assessed or collected pursuant to this paragraph the amount of interest, penalty, additional amount and addition to tax, if any, in respect of the period disregarded under subsection (a) of this section. In any case to which this paragraph relates, if the Director of Revenue is required to give any notice to, or make any demand upon, any person, such requirement shall be deemed to be satisfied if the notice or demand is prepared and signed, in any case in which the address of such person last known to the Director is in any area for which United States post offices, under instructions of the Postmaster General are not, by reason of combatant activities, accepting mail for delivery at the time the notice or demand is signed. In such case the notice or demand shall be deemed to have been given or made upon the date it is signed.

(2) The assessment or collection of any tax or of any liability to the State in respect of any tax, or any action or proceeding by or on behalf of the State in connection therewith, may be made, taken, begun or prosecuted in accordance with law, without regard to the provisions of subsection (a) of this section, unless prior to such assessment, collection, action or proceeding it is ascertained that the person concerned is entitled to the benefits of subsection (a) of this section.

Subchapter III**Procedure and Administration****§ 521. Examination of return.**

(a) *Deficiency or overpayment.* — As soon as practicable after any return is filed, the Director shall examine it to determine the correct amount of tax. If the Director finds that the amount of tax shown on the return is less than the correct amount, the Director shall notify the taxpayer in writing of the amount of the deficiency proposed to be assessed. If the Director finds that the tax that has been paid by the taxpayer is more than the correct amount, the Director shall credit the overpayment against any taxes to which this chapter applies and which are due to this State by the taxpayer and shall refund the difference to the taxpayer.

(b) *No return filed.* — If the taxpayer fails to file any return of tax required to be filed, the Director shall estimate from any available information the taxpayer's taxable amount, and the tax thereon, and shall notify the taxpayer in writing of the amount proposed to be assessed against the taxpayer as a deficiency.

(c) *Notice of proposed assessment.* — A notice of proposed assessment shall:

- (1) Be in writing,
- (2) State that tax, interest, penalty, additional amount, or addition to tax is proposed for assessment and is due, and
- (3) Set forth the amount and the reason for the proposed assessment.

Such notice shall be sent by mail to the taxpayer at the taxpayer's last known address within the time limit provided by § 531 of this title. If the amount of the proposed assessment exceeds the applicable threshold of \$1,000, such notice shall be sent by certified or registered mail. (The applicable threshold in this paragraph is subject to annual adjustment as more fully set forth in § 515 of this title.) In the case of a joint return of personal income tax, a notice of proposed assessment shall be a single joint notice, except that if the Director is notified by either spouse in writing that separate addresses have been established, the Director shall mail a joint notice to each spouse at each such address. In the case of a combined separate return of personal income tax, a single notice of proposed assessment shall be sent by the Director to the taxpayers' last known address except that, if the Director is notified by either spouse in writing that separate addresses have been established, the Director shall mail separate notices to each spouse, using reasonable means to allocate the proposed assessment between the spouses. If the taxpayer is deceased, under a legal disability or is a corporation which has terminated its existence, a notice of proposed assessment shall be mailed to such taxpayer's last known address, except that if the Director has received notice of the existence of a fiduciary relationship with respect to such taxpayer, such notice shall be mailed to the last known address of such fiduciary. Except where the Director determines that collection would be jeopardized by delay, no notice of proposed assessment of any tax shall be mailed prior to the last date, including any date fixed by extension, prescribed for the payment of such tax.

(d) *Supplemental notice of proposed assessment.* — The Director may, at any time within the period prescribed for issuance of a notice of proposed assessment, issue a supplemental notice of proposed assessment, subject to the other provisions of this section, whenever it is found that any notice is imperfect or incomplete in any material respect. Any reference in this title to a notice of proposed assessment shall be deemed to include a reference to a supplemental notice of proposed assessment issued under the authority of this subsection.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 195, § 3.)

§ 522. Assessment final if no protest.

Sixty days after the date on which it was mailed (30 days in the case of a proposed assessment of withholding taxes, or, in the case of other taxes imposed by Chapter 11 of this title, 120 days if the taxpayer is outside the United States), a notice of proposed assessment under § 521(c) of this title shall constitute a final assessment of the amount of tax, interest, penalties, additional amounts and additions to the tax specified in such notice, excepting only those amounts as to which the taxpayer has filed a timely protest with the Director under § 523 of this title.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 523. Protest by taxpayer.

Within 60 days (30 days in the case of withholding taxes, or, in the case of other taxes imposed by Chapter 11 of this title, 120 days if the taxpayer is outside the United States) after the date of the mailing of a notice of proposed assessment under § 521(c) of this title or the date of the mailing of a notice of the disallowance of a claim for credit or refund under § 542 of this title, the taxpayer may file with the Director a written protest against the proposed assessment or disallowance in which the taxpayer shall set forth the grounds upon which the protest is based. If such a protest is filed, the Director shall reconsider the proposed assessment or disallowance of claim for credit or refund and, if the taxpayer has so requested, shall grant the taxpayer or the taxpayer's authorized representative an oral hearing.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 524. Notice of determination after protest.

Written notice of the Director's determination under § 523 of this title shall be mailed to the taxpayer by certified or registered mail, and such notice shall set forth the Director's findings of fact and the basis of any determination which is adverse, in whole or in part, to the taxpayer.

(68 Del. Laws, c. 187, § 1.)

§ 525. Determination of Director final.

The determination of the Director under § 524 of this title on the taxpayer's protest shall be final (and such determination shall constitute a final assessment of any amount determined by the Director to be due) upon the expiration of 60 days (30 days in the case of withholding taxes, or, in the case of other taxes imposed by Chapter 11 of this title, 120 days if the taxpayer is outside the United States) from the date when the Director mails notice of the determination to the taxpayer, unless within such period the taxpayer seeks review of the Director's determination pursuant to § 544 of this title.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 526. Burden of proof.

(a) In any proceeding before the Director under this chapter, the burden of proof shall be on the taxpayer, except with respect to the following issues, as to which the burden of proof shall be on the Director:

(1) Whether the taxpayer has been guilty of fraud;

(2) Whether the petitioner is liable as the transferee (within the meaning of § 560 of this title) of property of a taxpayer (but not to show that the taxpayer was liable for the tax); and

(3) Whether the taxpayer is liable for any increase in a deficiency where such increase is asserted initially after the notice of proposed assessment under § 521(c) of this title was mailed and a protest under § 523 of this title was filed, unless such increase in deficiency is the result of a change or correction of federal tax liability required to be reported under § 514 of this title and of which change or correction the Director had no notice at the time the Director mailed the notice of proposed assessment.

(b) In any proceeding before the Tax Appeal Board under this chapter, the burden of proof shall be upon the taxpayer, except with respect to the issues described in paragraphs (a)(1) and (2) of this section, as to which the burden of proof shall be on the Director.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 527. Evidence of related federal determination.

A federal administrative determination of issues raised in a proceeding under § 523 or § 544 of this title shall be admissible as presumptive evidence in such proceeding, but such determination shall not be conclusive.

(68 Del. Laws, c. 187, § 1.)

§ 528. Mathematical error.

(a) If the amount of tax shown on the taxpayer's return is understated due to a mathematical or clerical error, the Director shall notify the taxpayer in writing that an amount of tax in excess of that shown on the return is due and has been assessed. Each notice under this subsection shall expressly state the error alleged. Such additional tax and any interest thereon shall, subject to the right of protest under subsection (b) of this section, be deemed assessed on the date of filing or the due date of the return, whichever is later.

(b) Notwithstanding the provision for immediate assessment under subsection (a) of this section, a taxpayer may file with the Director, within 60 days after notice of the assessment is sent, a written protest of the assessment under the provisions of § 523 of this title. In the taxpayer's protest, the taxpayer shall set forth the reasons the taxpayer believes there was no mathematical or clerical error made in the preparation of the return or calculation of the tax due.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 529. Time for performing certain acts postponed by reason of service in combat zone.

(a) In the case of an individual serving in the armed forces of the United States, or serving in support of such armed forces, in an area designated by the President of the United States by Executive Order as a "combat zone" for purposes of § 112 of the Internal Revenue Code (26 U.S.C. § 112), at any time during the period designated by the President by Executive Order as the period of combatant activities in such zone for purposes of such section, or hospitalized as a result of injury received while serving in such an area during such time, the period of service in such area, plus the period of continuous qualified hospitalization attributable to such injury, and the next 195 days thereafter, shall be disregarded in determining under this title (other than Chapters 30, 51 and 52), in respect of any tax liability (including any interest, penalty, additional amount, or addition to the tax) of such individual:

(1) Whether any of the following acts was performed within the time prescribed therefor:

a. Filing any return of income or estate (except income tax withheld at source);

b. Payment of any income or estate (except income tax withheld at source) or any installment thereof or any other liability to this State in respect thereof;

c. Filing a protest with the Director under § 523 of this title, filing a petition with the Tax Appeal Board under § 544 of this title or filing an appeal of a decision rendered by the Tax Appeal Board under § 331 of this title;

d. Allowance of a credit or refund of any tax;

e. Filing a claim for credit or refund of any tax;

f. Assessment of any tax;

g. Giving or making any notice or demand for the payment of any tax, or with respect to any liability to this State in respect of any tax;

h. Collection of the amount of any liability in respect of any tax;

i. Bringing suit or commencing any action, including the filing of any certificate or warrant, by this State or any officer on its behalf, in respect of any liability in respect of any tax; and

j. Any other act required or permitted under this title (other than Chapters 30, 51 and 52) specified in regulations prescribed under this section by the Director;

(2) The amount of any credit or refund (including interest).

(b) (1) Except to the extent provided in paragraph (a)(2) of this section shall not apply for purposes of determining the amount of interest on any overpayment of tax.

(2) If an individual is entitled to the benefits of subsection (a) of this section with respect to any return and such return is timely filed (determined after the application of subsection (a) of this section), interest shall be allowed on any overpayment commencing with the

forty-sixth day after the due date for the return (determined after the application of subsection (a) of this section).

(c) The provisions of this section shall apply to the spouse of any individual entitled to the benefits of subsection (a) of this section. Except in the case of the combat zone designated for purposes of the Vietnam conflict, the preceding sentence shall not cause this section to apply to any spouse for any taxable year beginning more than 2 years after the date designated under § 112 of the Internal Revenue Code (26 U.S.C. § 112) as the date of termination of combatant activities in a combat zone.

(d) The period of service in the area referred to in subsection (a) of this section shall include the period during which an individual entitled to benefits under said subsection (a) of this section is in a missing status, within the meaning of § 6013(f)(3) of the Internal Revenue Code (26 U.S.C. § 6013(f)(3)).

(e) (1) Notwithstanding the provisions of subsection (a) of this section, any action or proceeding authorized by § 560, § 561 or § 1221 [repealed] of this title (regardless of the taxable period for which the tax arose), as well as any other action or proceeding authorized by law in connection therewith, may be taken, begun or prosecuted. In any other case in which the Director determines that collection of the amount of any assessment would be jeopardized by delay, the provisions of subsection (a) of this section shall not operate to stay collection of such amount as authorized by law. There shall be excluded from any amount assessed or collected pursuant to this paragraph the amount of interest, penalty, additional amount and addition to the tax, if any, in respect of the period disregarded under subsection (a) of this section. In any case to which this paragraph relates, if the Director is required to give any notice to or make any demand upon any person, such requirement shall be deemed to be satisfied if the notice or demand is prepared and signed, in any case in which the address of such person last known to the Director is in any area for which United States post offices under instructions of the Postmaster General of the United States are not, by reason of combatant activities, accepting mail for delivery at the time the notice or demand is signed. In such case the notice or demand shall be deemed to have been given or made upon the date it is signed.

(2) The assessment or collection of any tax or of any liability to this State in respect of any tax, or any action or proceeding by or on behalf of this State in connection therewith, may be made, taken, begun or prosecuted in accordance with law, without regard to the provisions of subsection (a) of this section, unless prior to such assessment, collection, action or proceeding it is ascertained that the person concerned is entitled to the benefits of subsection (a) of this section.

(f) (1) Any individual who performed Desert Shield services (and the spouse of such individual) shall be entitled to the benefits of this section in the same manner as if such services were referred to in subsection (a) of this section.

(2) For purposes of this subsection, the term "Desert Shield services" means any services in the armed forces of the United States or in support of such armed forces if:

a. Such services are performed in the area designated by the President pursuant to this subparagraph as the "Persian Gulf Desert Shield Area"; and

b. Such services are performed during the period beginning on August 2, 1990, and ending on the date on which any portion of the area referred to in subparagraph a is designated by the President as a combat zone pursuant to § 112 of the Internal Revenue Code (26 U.S.C. § 112).

(g) For purposes of subsection (a) of this section, the term "qualified hospitalization" means:

(1) Any hospitalization outside the United States; and

(2) Any hospitalization inside the United States, except that not more than 5 years of hospitalization may be taken into account under this paragraph.

Paragraph (2) of this subsection shall not apply for purposes of applying this section with respect to the spouse of any individual entitled to the benefits of subsection (a) of this section.

(68 Del. Laws, c. 187, § 1; 71 Del. Laws, c. 353, § 13; 71 Del. Laws, c. 385, § 6.)

§ 530. Assessment of tax.

(a) The amount of tax which is shown to be due on any return (including any additional amount subject to notice under § 528(a) of this title as a result of a mathematical or clerical error) shall be deemed to be assessed on the date of filing such return, and an increase in such tax which is shown on an amended return shall be deemed to be assessed on the date of filing such amended return. In the case of a return filed without the computation of the tax, the tax computed by the Director shall be deemed to be assessed on the date when payment of such tax is due. If a notice of proposed assessment has been mailed pursuant to § 521(c) of this title, the amount of the proposed assessment shall be deemed to be assessed, if no protest under § 523 of this title is timely filed, on the date provided in § 522 of this title, or, if such a protest is timely filed, on the date when the determination of the Director becomes final pursuant to § 525 of this title; provided, however, that, if the taxpayer seeks review of the Director's determination pursuant to § 544 of this title, the amount of the proposed assessment shall not be deemed to be assessed until the expiration of 60 days (30 days in the case of withholding taxes, or, in the case of other taxes imposed by Chapter 11 of this title, 120 days if the taxpayer is outside the United States) from the first date when (i) the determination of the Tax Appeal Board under § 544 of this title becomes final and not subject to judicial review under § 331 of this title, or (ii) if the taxpayer appeals from the Tax Appeal Board determination pursuant to § 331 of this title, an order of the Superior Court of the State or the Supreme Court of the State entered upon the decision on such appeal becomes final and not subject to appeal. If an amended return or report filed pursuant to § 514 of this title concedes the accuracy of a federal change or correction, any deficiency in tax under this title resulting therefrom shall be deemed to be assessed on the date of filing such amended return or report, and such assessment shall be deemed timely notwithstanding any other provisions of this chapter. Any amount paid as a tax, or in respect of a tax, other than amounts

withheld at the source or paid as estimated income tax, shall be deemed to be assessed upon the date of the Director's receipt of payment, notwithstanding any other provision of this title.

(b) If the mode or time for the assessment of any tax under this title or Title 4, including interest, penalties, additional amounts and additions to the tax, is not otherwise provided for, the Director may establish the same by regulations.

(c) The Director may, at any time within the period prescribed for assessment, make a supplemental assessment, subject to the provisions of § 521 of this title where applicable, whenever it is found that any assessment is imperfect or incomplete in any material respect.

(68 Del. Laws, c. 187, § 1.)

§ 531. Limitations on assessment.

(a) Except as otherwise provided in this section, a notice of proposed assessment under § 521(c) of this title shall be mailed to the taxpayer within 3 years after the return was filed (whether or not such return was filed on or after the date prescribed). No deficiency shall be assessed or collected with respect to the taxable period for which a return was filed unless such notice is mailed within such 3-year period, or within the period otherwise prescribed in this section.

(b) In the case of a deficiency in any license fee or tax under Part III of this title, a notice of proposed assessment under § 521(c) of this title shall be mailed to the taxpayer within 3 years after the expiration date of the license to which the proposed assessment relates.

(c) If no return is filed, or if a false and fraudulent return is filed with intent to evade any tax imposed by this title or Title 4, a notice of proposed assessment under § 521(c) of this title may be mailed to the taxpayer at any time.

(d) If the taxpayer fails to comply with the requirement of § 514 of this title by not reporting a change or correction to the federal income or estate tax return, or by not filing an amended return under this title, a notice of proposed assessment under § 521(c) of this title may be mailed to the taxpayer at any time.

(e) If the taxpayer shall, pursuant to § 514 of this title, report a change or correction or file an amended federal income or estate tax return increasing the federal tax liability, a notice of proposed assessment under § 521(c) of this title with respect to such change or correction (if not otherwise deemed to have been assessed under § 530(a) of this title upon the filing of such report or amended return) may be mailed to the taxpayer at any time within 2 years after such report or amended return was filed.

(f) Where, before the expiration of the time prescribed in this section for the mailing of a notice of proposed assessment under § 521(c) of this title, both the Director and the taxpayer shall have consented in writing to such assessment after such time, the proposed assessment may be assessed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. An agreement between the taxpayer and the Internal Revenue Service providing for the extension of the period for assessment of federal income taxes shall constitute an agreement with the Director to extend the period for assessment of income taxes under this title. A copy of any such agreement between the taxpayer and the Internal Revenue Service shall be filed by the taxpayer with the Director within 30 days after its execution.

(g) For purposes of this section, a return filed before the last day prescribed by law or by regulation promulgated pursuant to law for the filing thereof shall be considered as filed on such last day.

(h) The running of the period of limitations provided for in this section on the making of assessments shall, in a case under Title 11 of the United States Code, be suspended for the period during which the Director is prohibited by reason of such case from making the assessment plus 60 days thereafter.

(i) If a taxpayer omits from a return any amount of income, gross gifts or gross estate properly includible therein which exceeds 25% of the amount stated on the return, the tax may be assessed at any time within 6 years after the return was filed. If a taxpayer omits from a return any amount of license fee or tax under Part III of this title includible therein which exceeds 25% of the amount stated on the return, the tax may be assessed at any time within 6 years after the expiration date of the license to which the proposed assessment relates.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 144, § 1; 71 Del. Laws, c. 385, §§ 7, 8; 72 Del. Laws, c. 112, § 3; 81 Del. Laws, c. 19, § 1.)

§ 532. Recovery of erroneous refund.

(a) An erroneous refund shall be considered an underpayment of tax on the date such refund was made, and a notice of proposed assessment under § 521(c) of this title with respect to such refund may be mailed to the taxpayer at any time within the later of:

(1) Two years from the making of such refund; or

(2) The limitation period provided by § 531 of this title.

(b) As to any part of an erroneous refund that was induced by fraud or by the intentional misrepresentation of a material fact, a notice of proposed assessment under § 521(c) of this title with respect to such refund may be mailed to the taxpayer at any time.

(68 Del. Laws, c. 187, § 1.)

§ 533. Interest on underpayment.

(a) If any amount of tax, including tax required to be withheld by an employer, and including penalties, additional amounts and additions to the tax, imposed by this title or Title 4 is not paid on or before the last date prescribed for payment, interest on such amount at the rate of 0.5% per month, or fraction thereof, shall be payable for the period from such last date to the date such amount is paid, and from and after the date the assessment of such interest becomes final under § 522 or § 530 of this title to the date such amount is paid, such interest shall compound monthly. No interest shall be imposed if the amount due is less than \$1.00, nor shall this section apply to any failure to pay

estimated income tax under § 1170 or § 1904 of this title.

(b) For purposes of this section, the last date prescribed for payment of any tax shall be determined without regard to any extension of time.

(c) Interest prescribed under this section on any tax, including tax required to be withheld by an employer, and including penalties, additional amounts and additions to the tax, shall be assessed, collected and paid in the same manner as taxes. After an initial assessment of interest upon any amount of tax, penalty, additional amount or addition to the tax, interest shall continue to accrue on the unpaid balance of such amount until such amount has been paid in full, except as otherwise provided in subsection (e) of this section, and no further assessment of such interest shall be made.

(d) Interest shall be imposed under this section in respect of any penalty, additional amount or addition to the tax from the date of the notice of proposed assessment under § 521(c) of this title of such penalty, additional amount or addition to the tax to the date of payment thereof.

(e) If a proposed assessment is made with respect to any amount, and if such amount is paid within 10 days after the date of the notice of proposed assessment thereof under § 521(c) of this title, interest under this section on the amount so paid shall not be imposed for the period after the date of such notice.

(f) If any portion of a tax is satisfied by credit of an overpayment, then no interest shall be imposed under this section on the portion of the tax so satisfied for any period during which, if the credit had not been made, interest would have been allowable with respect to such overpayment.

(g) Any portion of any tax imposed, or any interest, penalty, additional amount or addition to the tax, which has been erroneously refunded and which is recoverable by the Director, shall bear interest at the rate of 0.5% per month, or fraction thereof, from the date of payment of such refund to the date of its recovery by the Director, and from and after the date the assessment of such interest becomes final under § 522 or § 530 of this title to the date of such recovery, such interest shall compound monthly.

(h) Interest prescribed under this section on any tax may be assessed and collected at any time during the period within which the tax, penalty, additional amount or addition to the tax to which such interest relates may be collected.

(i) If the Secretary of the Treasury of the United States extends the time for filing income tax returns under § 6081 of the Internal Revenue Code (26 U.S.C. § 6081) and the time for paying income tax with respect to such returns under § 6161 of the Internal Revenue Code (26 U.S.C. § 6161) for any taxpayer located in a Presidentially-declared disaster area, the Director shall abate for such period the assessment of any interest prescribed under this section and penalties for failure to file a return under § 534(a) of this title or to pay the tax under § 534(b) of this title on such taxpayer's income and business license tax. For purposes of this subsection, the term "Presidentially-declared disaster area" means, with respect to any taxpayer, any area which the President of the United States has determined warrants assistance by the Federal Government under the Disaster Relief and Emergency Assistance Act.

(68 Del. Laws, c. 187, § 1; 72 Del. Laws, c. 112, § 2; 75 Del. Laws, c. 411, §§ 1, 2.)

§ 534. Failure to file tax return or to pay tax.

(a) In case of failure to file any return required under authority of this title or Title 4 on or before the date prescribed therefor (determined with regard to any extension of time for filing), unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be added to the amount required to be shown as tax on such return 5% of the amount of such tax if the failure is for not more than 1 month, with an additional 5% for each additional month or fraction thereof during which such failure continues, not exceeding 50% in the aggregate. For purposes of this subsection, the amount of tax required to be shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the date prescribed for payment of the tax and by the amount of any credit against the tax which may be claimed on the return.

(b) (1) In case of failure to pay the amount shown as tax on any return specified in subsection (a) of this section on or before the date prescribed for payment of such tax (determined with regard to any extension of time for payment), unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be added to the amount shown as tax on such return 1% of the amount of such tax if the failure is for not more than 1 month, with an additional 1% for each additional month or fraction thereof during which such failure continues, not exceeding 25% in the aggregate. For purposes of computing such addition for any month, the amount of tax shown on the return shall be reduced by the amount of any part of the tax which is paid on or before the beginning of such month and by the amount of any credit against the tax which may be claimed on the return. If the amount required to be shown as tax on the return is less than the amount shown as tax on the return, this paragraph shall be applied by substituting such lower amount.

(2) In the case of failure to pay any amount in respect of any tax required to be shown on a return specified in subsection (a) of this section which is not so shown (including an assessment made pursuant to § 528(a) of this title) within 10 days after any assessment thereof becoming final, unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be added to the amount of tax stated in the notice of proposed assessment 1% of the amount of such tax if the failure is for not more than 1 month, with an additional 1% for each additional month or fraction thereof during which such failure continues, not exceeding 25% in the aggregate. For purposes of computing such addition for any month, the amount of tax stated in the notice of proposed assessment shall be reduced by the amount of any part of the tax which is paid before the beginning of such month.

(c) (1) For tax periods beginning after December 31, 1999, if any pass-through entity required to file a return under § 1605(a)(1) of this title for any taxable year fails to file such return by the date prescribed therefor (determined with regard to any extension of time for filing)

or files a return which fails to show the information required under § 1605(a)(1) of this title, such pass-through entity shall be liable for a penalty determined under paragraph (c)(2) of this section for each month, or fraction thereof, during which such failure continues (but not to exceed 5 months), unless it is shown that such failure was due to reasonable cause.

(2) For purposes of paragraph (c)(1) of this section, the amount of penalty for any month is the product of \$25, multiplied by the number of persons who were members in the pass-through entity during any part of the taxable year; provided, however, that the maximum penalty for any taxable year shall not exceed \$10,000.

(3) The penalty prescribed by this subsection shall be assessed against and shall be payable by the pass-through entity, and the deficiency and appeal procedures provided in §§ 521-526 of this title shall not apply; provided, however, that the Director shall mail written notice of such penalty to the pass-through entity, which may, within 60 days from the date of the mailing of such notice, institute a protest of such penalty to the Director, whose determination shall be final.

(d) (1) For tax periods beginning after December 31, 1999, if any pass-through entity fails to comply with the provisions of § 1605(a)(2) of this title, such pass-through entity shall be liable for a penalty determined under paragraph (d)(2) of this section for each month, or fraction thereof, during which such failure continues (but not to exceed 5 months), unless it is shown that such failure was due to reasonable cause.

(2) For purposes of paragraph (d)(1) of this section, the amount of penalty for any month is \$25, multiplied by the number of persons who were members of the pass-through entity at any time during the tax year, provided, however, that the maximum penalty for any taxable year shall not exceed \$10,000.

(3) The penalty prescribed by this subsection shall be assessed against and shall be payable by the pass-through entity and the deficiency and appeal procedures provided in §§ 521-526 of this title shall not apply; provided, however, that the Director shall mail written notice of such penalty to the pass-through entity, which may, within 60 days from the date of the mailing of such notice, institute a protest of such penalty to the Director, whose determination shall be final.

(e) This section shall not apply to any failure to file a declaration of estimated tax or to pay any estimated tax.

(f) (1) In case of each failure to file a statement of payment to another person required under the authority of this title, including the duplicate statement of tax withheld on wages, by the date prescribed therefor (determined with regard to any extension of time for filing), unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be paid by the person so failing to file such statement, in the same manner as tax, a penalty of \$2.00 for each such failure, but the total amount imposed on the delinquent person for all such failures during any calendar year shall not exceed \$2,000.

(2) Any person required to file an information return pursuant to § 1154(i) of this title who fails to file such return on or before the date prescribed for its filing or who fails to include all the information required to be shown on the return or who includes incorrect information on the return or who fails to file in the required manner, shall unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, pay a penalty in an amount equal to one half the amount specified in the Internal Revenue Code, as it may be amended from time to time, for such failure.

(g) The Director shall assess a penalty of \$500 against any individual who files what purports to be a return of any tax imposed by this title or Title 4 but which:

(1) Does not contain information on which the substantial correctness of the self-assessment may be judged or contains information that on its face indicates that the self-assessment is substantially incorrect; and

(2) Evidences a position that is frivolous or a desire to delay or impede the administration of the revenue laws of this State.

(i) For tax periods beginning after December 31, 1994, with respect to any return, the amount of the addition to the tax under subsection (a) of this section shall be reduced by the amount of the addition to the tax under subsection (b) of this section for any month (or fraction thereof) to which an addition to the tax is applied under both subsections (a) and (b) of this section.

(j) If any failure to file any return is fraudulent, subsection (a) of this section shall be applied by substituting "15" for "5%" each place it appears and by substituting "75%" for "50%."

(k) For purposes of subsection (a) of this section, reasonable cause shall be deemed established in the case of failure to file a return in the time prescribed by Part III of this title, where the taxpayer filed within the time prescribed in a written notification by the Director that the taxpayer is eligible to file returns on a basis less frequent than is actually the case.

(l) In the case of failure of any person to obtain or renew a business license required under the provisions of Part III of this title, unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be added to the amount of the business license fee required to be paid a penalty in the amount of \$200. Whenever a penalty has been proposed for assessment under this subsection, the Director shall not be required to issue a business license to the taxpayer to whom such assessment has been proposed unless and until the taxpayer has paid any license fee necessary for issuance of such license and has either:

(1) Paid the assessment provided under this subsection (subject to any claim for refund); or

(2) Filed a written protest regarding such assessment of penalty pursuant to § 523 of this title.

The penalty described in this subsection shall not be assessed in the instance of self-disclosure by a taxpayer of delinquency in meeting the licensing requirements of Part III. The penalty described in this subsection shall, only with respect to the same failure to obtain or renew a license and not with respect to failure to pay taxes on gross receipts or any other acts or omissions, be in lieu of the penalty described in subsection (a) of this section, except where such penalty determined under subsection (a) of this section shall exceed the

penalty determined under this subsection, in which event subsection (a) of this section shall apply, and this subsection shall not apply.

(m) Any person who fails to file any return in the manner prescribed by law and required under authority of this title or Title 4 on or before the date prescribed therefor (determined with regard to any extension of time for filing), unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, shall be liable for a penalty of not more than \$50, in addition to any other amounts prescribed under this title that shall be assessed and collected by the Director.

(h) In the case of failure of an employer required to deposit taxes by electronic funds transfer under the provisions of § 1154(g) of this title to make transfer by such means, unless it is shown that such failure is due to reasonable cause and not due to wilful neglect, there shall be added to the amount shown as tax required to have been electronically transferred 5% of the amount or \$500 per required payment, whichever is less.

§ 535. Fraud and other penalties.

(a) If any part of any underpayment of tax required to be shown on a return is due to fraud, there shall be added to the tax an amount equal to 75% of the portion of the underpayment which is attributable to fraud. If the Director establishes that any portion of an underpayment is attributable to fraud, the entire underpayment shall be treated as attributable to fraud, except with respect to any portion of the underpayment which the taxpayer establishes (by a preponderance of the evidence) is not attributable to fraud. In the case of a joint return, this section shall not apply with respect to a spouse unless some part of the underpayment is due to the fraud of such spouse. For purposes of this subsection, “underpayment” shall have the meaning ascribed to such term in § 6664(a) of the Internal Revenue Code (26 U.S.C. § 6664(a)), or successor provisions. The penalty prescribed by this subsection shall apply only in cases where a return of tax is filed.

(b) If an individual subject to tax under Chapter 11 of this title fails to file a declaration of estimated tax, or fails to pay all or any part of an installment of tax imposed under Chapter 11 of this title, such individual shall be deemed to have made an underpayment of estimated tax, and there shall be added to the tax an amount equal to 1 1/2% per month, or fraction thereof, of the amount of such underpayment for the period of the underpayment. The Director shall determine the amount of an underpayment of estimated tax by an individual in a manner consistent with the internal revenue laws of the United States.

(c) (1) In the case of any underpayment of tentative tax or installment of estimated tax required by Chapter 19 of this title, there shall be added to the tax for the taxable year an amount equal to 1 1/2% per month, or fraction thereof, of the amount of such underpayment for the period of the underpayment.

(2) For purposes of paragraph (1) of this subsection, the amount of the underpayment shall be the excess of:

a. The amount of the tentative tax or installment payment which would be required to be made if the estimated tax were equal to 80% of the tax shown on the final return for the taxable year, or, if no such return was filed, 80% of the tax for such taxable year, over

b. The amount, if any, of the tentative tax or the installment paid on or before the last date prescribed for payment.

(3) For purposes of paragraph (c)(1) of this section, the period of the underpayment shall run from the date the tentative tax or installment was required to be paid to the first day of the fourth month following the close of the taxable year, or to the date on which paid, whichever is earlier.

(4) Notwithstanding the foregoing provisions of this subsection, no addition to tax shall be imposed under this subsection if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment thereof equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were the tax shown on the final return of the taxpayer for the preceding taxable year.

(5) Paragraph (c)(4) of this section shall apply only in the case of a small corporation. For purposes of this paragraph, the term “small corporation” shall have the meaning set forth in § 1905(5) of this title.

(d) If any employer fails to pay the amount shown as tax on any withholding return filed pursuant to § 1154 of this title, there shall be added to the tax an amount equal to 1% of the tax required to be shown on such return for each month, or fraction thereof, during which such failure continues, not exceeding 25% in the aggregate. Such employer shall be liable for the payment of such additions to tax, and it shall not be collected from the employee.

(e) For tax periods beginning after December 31, 1999, any person required under this title to collect, account for and pay over any tax imposed by this title, other than § 3002 and Chapters 51 and 52 of this title, who wilfully fails to collect or truthfully account for and pay over such tax, or wilfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall, in addition to other penalties provided by law, be liable for a penalty equal to the total amount of the tax evaded, or not collected or not accounted for and paid over. No addition to tax under subsection (a) of this section shall be imposed for any action or failure to act to which this subsection applies. The term “person” as used in this subsection, includes an officer or employee of a corporation, or a member, officer or employee of a pass-through entity, as defined in § 1601 of this title, who, as such officer, employee, or member is under a duty to perform the act in respect of which the violation occurs.

(f) In addition to any criminal penalty provided by law, any person who wilfully fails to pay, or to deduct or withhold and pay, any tax imposed under authority of this title or Title 4, or to make tender, sign or certify any return or declaration of estimated tax, or to supply any

information within the time required by or under this title or Title 4, shall be liable for a penalty of not more than \$3,000, in addition to any other amounts prescribed under this title, that shall be assessed and collected by the Director.

(g) (1) In addition to any criminal penalty provided by law, the Director shall assess a penalty of \$500 whenever:

- a. Any individual makes a false statement under § 1151 of this title which results in a decrease in the amounts deducted and withheld under subchapter VII of Chapter 11 of this title; and
- b. As of the time such statement was made, there was no reasonable basis for such statement.

(2) The Director may waive in whole or in part the penalty imposed under paragraph (g)(1) of this section if the taxes imposed with respect to the individual under subchapter VII of Chapter 11 of this title for the taxable year are equal to or less than the sum of:

- a. The credits against such taxes allowed by said subchapter; and
- b. The payments of estimated tax on account of such taxes.

(h) Penalties prescribed under the provisions of this chapter shall be additions to tax and shall be assessed, collected and paid in the same manner as taxes.

(i) For purposes of subsection (a) of this section (relating to underpayments due to fraud), the amount shown as the tax by the taxpayer upon the return shall be taken into account in determining the amount of the underpayment only if such return was filed on or before the due date of such return, determined with regard to any extension of time for such filing.

(j) If any check or money order in payment of any amount receivable under this title or Title 4 is not duly paid, in addition to any other penalties provided by law, there shall be paid as a penalty by the person who tendered such check or money order an amount equal to 2% of the amount of such check or money order, except that if the amount of such check or money order is less than \$750, the penalty under this subsection shall be \$15 or the amount of such check or money order, whichever is the lesser. This subsection shall not apply if the person tendered such check or money order in good faith and with reasonable cause to believe it would be duly paid. For purposes of this subsection, any other method of payment, including but not limited to payment by electronic funds transfer, payment by means of the automated clearing house, or payment by credit card, debit card or charge card shall be considered a payment by check or money order.

(k) (1) If:

- a. Any part of any understatement of liability with respect to any return or claim for refund is due to a position for which there was not a realistic possibility of being sustained on its merits;
 - b. Any person who is an income tax return preparer with respect to such return or claim knew (or reasonably should have known) of such position; and
 - c. The relevant facts affecting the tax treatment of the item affected by such position were not adequately disclosed in such return or claim or in a statement attached to such return or claim (or in a federal return or a statement attached thereto, a copy of which was filed with such return or claim) or indicate such position was frivolous;
- such person shall pay a penalty of \$250 with respect to such return or claim unless it is shown that there is reasonable cause for the understatement and such person acted in good faith.

(2) If any part of any understatement of liability with respect to any return or claim for refund is due:

- a. To a wilful attempt in any manner to understate the liability for tax by a person who is an income tax return preparer with respect to such return or claim; or
 - b. To any reckless or intentional disregard of rules or regulations by any such person;
- such person shall pay a penalty of \$1,000 with respect to such return or claim. With respect to any return or claim, the amount of the penalty payable by any person by reason of this paragraph shall be reduced by the amount of any penalty paid by such person by reason of paragraph (k)(1) of this section.

(3) a. If at any time there is a final administrative determination or a final judicial decision that there was no understatement of liability in the case of any return or claim for refund with respect to which a penalty under paragraph (k)(1) or (2) of this section has been assessed, such assessment shall be abated, and if any portion of such penalty has been paid the amount so paid shall be refunded to the person who made such payment as an overpayment of tax without regard to any period of limitations which, but for this subparagraph, would apply to the making of such refund.

b. For purposes of this subsection, the term “understatement of liability” means any understatement of the net amount payable with respect to the tax imposed under Chapter 11 or Chapter 19 of this title or any overpayment of the net amount creditable or refundable with respect to any such tax. Except as otherwise provided in paragraph (k)(3)a. of this section, the determination of whether or not there is an understatement of liability shall be made without regard to any administrative or judicial action involving the taxpayer.

(l) Any person who:

- (1) Aids or assists in, procures, or advises with respect to, the preparation or presentation of any portion of a return, affidavit, claim or other document;
- (2) Knows or has reason to believe that such portion will be used in connection with any material matter arising under this title or Title 4; and
- (3) Knows that such portion (if so used) would result in an understatement of the liability for tax of another person;

shall pay a penalty with respect to each such document in the amount determined in accordance with, and subject to the limitations contained in, § 6701 of the Internal Revenue Code (26 U.S.C. § 6701), or successor provisions. Except as provided in subsection (m) of

this section, the penalty imposed by this subsection shall be in addition to any other penalty provided by law.

(m) No penalty shall be assessed under subsection (k) of this section on any person with respect to any document for which a penalty is assessed on such person under subsection (l) of this section.

(n) In addition to any other penalty provided by law, any person who is a paid tax preparer with respect to any return or claim for refund who fails to sign the return or claim for refund and to provide their preparer tax identification number as required by § 548 of this title, shall pay a civil penalty of \$50 for each such failure, unless it can be shown that the failure was due to reasonable cause. The civil penalty imposed on any paid tax preparer with respect to returns or claims for refund filed during any calendar year shall not exceed \$25,000. The Division of Revenue may use an amount equal to the total penalties collected under this section to regulate paid tax preparers, including, without limitation, commencing actions permitted under § 549 of this title.

§ 536. Accuracy-related penalty.

(a) If this section applies to any portion of an underpayment of any tax imposed by this title or Title 4 required to be shown on a return, there shall be added to the tax an amount equal to 20% (40% in the case of gross valuation misstatements) of the portion of the underpayment to which this section applies.

(b) This section shall apply to the portion of any underpayment which is attributable to 1 or more of the following:

- (1) Negligence or disregard of rules and regulations.
- (2) Any substantial understatement of tax.
- (3) Any substantial valuation misstatement with regard to any tax imposed by Chapter 11 or Chapter 19 of this title.
- (4) Any substantial estate or gift tax valuation understatement with respect to any tax imposed by Chapter 15 of this title.

(c) For purposes of subsection (b) of this section, the following terms shall have the meanings ascribed to such terms in § 6662 of the Internal Revenue Code (26 U.S.C. § 6662), or successor provisions, except that “\$1,500” shall be substituted for “\$5,000” and “\$3,000” shall be substituted for “\$10,000” each place such dollar amounts appear in the said § 6662:

- (1) “Negligence”;
- (2) “Disregard”;
- (3) “Substantial understatement of income tax”;
- (4) “Substantial valuation misstatement”;
- (5) “Substantial estate or gift tax valuation understatement”; and
- (6) “Gross valuation misstatement.”

(d) For purposes of determining under subsection (b) of this section whether a portion of any underpayment is attributable to 1 or more of the items specified in paragraphs (b)(1)-(4) of this section, the provisions of § 6662 of the Internal Revenue Code (26 U.S.C. § 6662), or successor provisions, shall be applied in the same manner as if such provisions were applicable to the taxes imposed by this title or Title 4.

(e) For purposes of this section, “underpayment” shall have the meaning ascribed to such term in § 6664(a) of the Internal Revenue Code (26 U.S.C. § 6664(a)), or successor provisions. The penalty prescribed by this section shall apply only in cases where a return of tax is filed.

(68 Del. Laws, c. 187, § 1; 71 Del. Laws, c. 353, § 15; 71 Del. Laws, c. 385, § 9.)

§ 537. Authority to make credits or refunds.

(a) In the case of any overpayment, the Director, within the applicable period of limitations, may credit the amount of such overpayment, including any interest allowed thereon, against any liability in respect of any tax imposed by the tax laws of this State on the person who made the overpayment, and the balance shall be refunded by the Director to such person.

(b) If the amount allowable as a credit for tax withheld from the taxpayer exceeds the tax to which the credit relates, the excess shall be considered an overpayment by the taxpayer for purposes of subsection (a) of this section.

(c) (1) If more than the correct amount of tax required to be paid under the provisions of § 1154 of this title is paid with respect to any payment of remuneration, proper adjustments, with respect to both the tax and the amount to be deducted, shall be made, without interest, in such manner and at such times as the Director may by regulations prescribe.

(2) If more than the correct amount of tax required to be paid under the provisions of § 1154 of this title is paid or deducted with respect to any payment of remuneration and the overpayment cannot be adjusted under paragraph (c)(1) of this section, the amount of the overpayment shall be refunded to the employer, subject to the limitations of paragraph (c)(3) of this section, with interest calculated from the forty-sixth day following the date of the claim for the refund, and in such manner and at such times (subject to the statute of limitations properly applicable thereto) as the Director may by regulations prescribe.

(3) In the case of an overpayment of tax required to be deducted and withheld under § 1151 of this title, refund or credit shall be made to the employer only to the extent that the amount of such overpayment was not deducted and withheld by the employer.

(d) If any amount of tax is assessed or collected after the expiration of the period of limitations properly applicable thereto, such amount shall be considered an overpayment for purposes of subsection (a) of this section.

(68 Del. Laws, c. 187, § 1; 69 Del. Laws, c. 188, § 2.)

§ 538. Abatements.

(a) The Director is authorized to abate the unpaid portion of the assessment of any tax, interest, penalty, additional amount or addition to the tax, or any liability in respect thereof, which is:

- (1) Excessive in amount;
- (2) Assessed after the expiration of the period of limitations properly applicable thereto; or
- (3) Erroneously or illegally assessed.

(b) The Director is authorized to abate any portion (whether or not theretofore paid) of the assessment of any tax, interest, penalty, additional amount or additions to the tax, or any liability in respect thereof, if the Director determines under uniform rules prescribed by the Director that the administration and collection costs involved would not warrant collection of the amount due.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 539. Limitations on credit or refund.

(a) Claim for credit or refund of an overpayment of any tax imposed by this title or Title 4 shall be filed by the taxpayer within 3 years from the last date prescribed for filing the return (or in the case of license fees or taxes under Part III of this title, 3 years from the expiration date of the license to which such overpayment relates) or within 2 years from the time the tax was paid, whichever of such periods expires the later, or if no return was filed by the taxpayer, within 2 years from the time the tax was paid. No credit or refund shall be allowed or made after the expiration of the period of limitation prescribed in the preceding sentence for the filing of a claim for credit or refund, unless a claim for credit or refund is filed with the Director by the taxpayer within such period.

(b) (1) If the claim for credit or refund was filed by the taxpayer during the 3-year period prescribed in subsection (a) of this section, the amount of the credit or refund shall not exceed the portion of the tax paid within the period immediately preceding the filing of the claim, equal to 3 years plus the period of any extension of time for filing the return.

(2) If the claim was not filed within such 3-year period, the amount of the credit or refund shall not exceed the portion of the tax paid during the 2 years immediately preceding the filing of the claim.

(3) If no claim was filed, the credit or refund shall not exceed the amount which would be allowable under either paragraph (b)(1) or (2) of this section, as the case may be, if claim was filed on the date the credit or refund is allowed.

(c) If an agreement under the provisions of § 531(f) of this title extending the period for assessment of a tax imposed by this title or Title 4 is made within the period prescribed in subsection (a) of this section for the filing of a claim for credit or refund:

(1) The period for filing claim for credit or refund or for making credit or refund if no claim is filed, provided in subsection (a) of this section, shall not expire prior to 6 months after the expiration of the period within which an assessment may be made pursuant to the agreement or any extension thereof under § 531(f) of this title; and

(2) If a claim is filed, or a credit or refund is allowed when no claim was filed, after the execution of the agreement and within 6 months after the expiration of the period within which an assessment may be made pursuant to the agreement or any extension thereof, the amount of the credit or refund shall not exceed the portion of the tax paid after the execution of the agreement and before the filing of the claim or the making of the credit or refund, as the case may be, plus the portion of the tax paid within the period which would be applicable under subsection (b) of this section if a claim had been filed on the date the agreement was executed.

(d) If the taxpayer is required by § 514 of this title to report a change or correction in federal income or estate liability reported on the federal tax return for any taxable period, or to file an amended tax return under this title with the Director, a claim for credit or refund of any resulting overpayment of tax under this title shall be filed by the taxpayer within 2 years from the time such report or amended return was required to be filed with the Director. If such a report or amended return required by § 514 of this title is not filed within the 90-day period specified in that section, interest on any resulting credit or refund shall not accrue for the period after such ninetieth day and prior to the forty-fifth day after the date of filing the claim for credit or refund. The amount of any such credit or refund shall not exceed the amount of the reduction in tax attributable to such federal change or correction or attributable to the items amended on the taxpayer's amended federal tax return. This subsection shall not affect the time within which a claim for credit or refund may be filed, or the amount for which a credit or refund may be made, without regard to this subsection.

(e) If the claim for credit or refund relates to an overpayment attributable to a net operating loss carry back or a capital loss carry back, in lieu of the 3-year period of limitation prescribed in subsection (a) of this section, the period shall be that period which ends 3 years after the time prescribed by law for filing the return (including extensions thereof) for the taxable year of the net operating loss or net capital loss which results in such carry back, or the period prescribed in subsection (c) of this section in respect of such taxable year, whichever expires later. In the case of such a claim, the amount of the credit or refund may exceed the portion of the tax paid within the period provided in subsection (b) or (c) of this section, whichever is applicable, to the extent of the amount of the overpayment attributable to such carry back.

(f) For purposes of this section, tax shall be deemed to have been paid on the date determined in accordance with § 540(c) of this title.

(g) In the case of an individual:

(1) The running of the periods specified in this section with respect to individuals shall be suspended during any period of such individual's life that such individual is financially disabled.

(2) For purposes of paragraph (g)(1) of this section, an individual is financially disabled if such individual is unable to manage that individual's own financial affairs by reason of a medically determinable physical or mental disability (excluding disability caused by voluntary use of alcohol or unlawful use of a controlled substance defined in Chapter 47 of Title 16) which can be expected to result in

death or which has lasted or can be expected to last for a continuous period of not less than 12 months.

(3) An individual shall not be treated as financially disabled during any period that such individual's spouse, guardian or any other person is authorized to act on behalf of such individual in financial matters.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 385, § 10; 72 Del. Laws, c. 112, § 1; 78 Del. Laws, c. 179, § 319.)

§ 540. Interest on overpayments.

(a) *General.* — Subject to the limitations specified in subsection (b) of this section, interest shall be allowed and paid upon any overpayment in respect of any tax imposed by this title or Title 4 at the rate of 0.5% per month, or fraction thereof.

(b) *Limitations.* — (1) No interest shall be allowed or paid on any overpayment of less than \$1.00.

(2) Interest shall be allowed and paid on any overpayment in respect of any tax from the forty-sixth day (ninety-first day in the case of the tax imposed under Chapter 19 of this title) after the date on which a claim for credit or refund (or an amended return claiming a credit or refund) is filed, to (i) in the case of a refund, the date of the refund, or (ii) in the case of a credit, the due date of the amount against which the credit is taken.

(3) [Repealed.]

(c) *Early returns and advance payments.* — For purposes of this section and § 539 of this title:

(1) Any return filed before its due date shall be considered as filed on such due date.

(2) Any tax paid by the taxpayer before its due date shall be considered as paid on such due date.

(3) For purposes of paragraphs (c)(1) and (2) of this section, the due date for filing a return or paying the tax shall be determined without regard to any extension of time granted the taxpayer.

(4) Any income tax actually deducted and withheld from the taxpayer, and any amount paid by the taxpayer as estimated or tentative income tax shall be deemed to have been paid by the taxpayer on the due date of the taxpayer's income tax return (determined without regard to any extension of time for filing) for the taxable year with respect to which such tax constitutes a credit or payment.

(d) *Refund of income tax caused by carry back.* — For purposes of subsection (a) of this section, if any overpayment of tax imposed by Chapter 11 or Chapter 19 of this title results from a carry back of a net operating loss or net capital loss, such overpayment shall be deemed not to have been made prior to the filing date for the taxable year in which such net operating loss or net capital loss arises.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 75 Del. Laws, c. 411, § 4; 77 Del. Laws, c. 79, §§ 4-6.)

§ 541. Form of claims for credit or refund; amendments.

A claim for credit or refund shall be filed with the Director in writing and shall state the specific grounds upon which it is founded. The Director may by regulations prescribe the information to be included in a claim. A claim may not be amended after the last date prescribed by § 539 of this title for filing a claim for credit or refund if the net effect of the amendment would be an increase in the amount of the overpayment.

(68 Del. Laws, c. 187, § 1.)

§ 542. Notice of disallowance; finality.

If the Director disallows a claim for credit or refund, in whole or in part, the Director shall mail written notice of the disallowance to the taxpayer, and such notice shall set forth the reason for the disallowance. The action of the Director in disallowing all or any part of a claim for credit or refund shall become final upon the expiration of 60 days (30 days in the case of withholding taxes, or, in the case of other taxes imposed by Chapter 11 of this title, 120 days if the taxpayer is outside the United States) from the date on which the Director mailed the notice of disallowance to the taxpayer, unless within such period the taxpayer protests the Director's disallowance pursuant to the provisions of § 523 of this title.

(68 Del. Laws, c. 187, § 1.)

§ 543. Claim for credit or refund or protest deemed disallowed.

If the Director fails to mail written notice of the Director's action on any claim for credit or refund, or on any protest under § 523 of this title of a disallowance of a claim for credit or refund, within 6 months after such claim or protest was filed, the taxpayer may thereafter, and prior to notice of action by the Director, consider such claim or protest to have been disallowed by the Director, and the taxpayer may, at any time prior to the expiration of 3 years from the date on which such claim or protest was filed, proceed pursuant to § 542 or § 544 of this title, as the case may be.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 544. Review of determinations of Director on protests.

A determination by the Director on a taxpayer's protest pursuant to § 523 of this title shall be subject to review by the taxpayer's filing a petition with the Tax Appeal Board, in such form as the Tax Appeal Board may prescribe, within the time limits specified in § 525 or § 543 of this title, as the case may be. The determination of the Tax Appeal Board shall be subject to judicial review as provided in § 331 of this title.

(68 Del. Laws, c. 187, § 1.)

§ 545. Collection of debts owed to certain State agencies.

- (a) *General.* — Upon receiving notice from any claimant agency that a taxpayer owes a debt to such agency, the Director shall:
- (1) Reduce the amount of any overpayment of tax payable to the taxpayer, during a period not to exceed 12 months from the date of the receipt of said notice, by the amount of such debt or unpaid portion thereof;
 - (2) Notify the taxpayer that such overpayment has been reduced by the amount of such reduction;
 - (3) Pay the amount by which such overpayment is reduced under paragraph (a)(1) of this section to such agency in an order of priority as determined by the Director of Revenue;
 - (4) Pay to the taxpayer the remainder of such overpayment, if any; and
 - (5) Notify the Director of the Lottery to pay to the Director of Revenue any prize payable where prizes exceed a threshold established by the Director of the Lottery to a taxpayer who is also a lottery winner, and the Director of the Lottery shall:
 - a. Reduce the prize payable to the winner by the amount of such debt or unpaid portion thereof;
 - b. Notify the winner that such prize has been reduced by the amount of such reduction;
 - c. Pay the amount by which such prize is reduced under paragraph (a)(5)a. of this section to the claimant agency; and
 - d. Pay to the winner the remainder of such prize, if any.
- (b) *Definitions.* — For purposes of this section:
- (1) “Claimant agency” means:
 - a. Any department or agency of the State, including the University of Delaware, Delaware State University and Delaware Technical and Community College, with respect to any debt owed to it and any political subdivision or school district of this State, with respect to property taxes owed to it; and
 - b. Any court, office of the court clerk, prothonotary, or Register in Chancery of this State with respect to fines, court costs, assessments and/or restitution.
 - (2) “Debt” means any liquidated sum which is past due, is legally enforceable and has accrued through contract, subrogation, tort, court assessment or operation of law, whether or not there is an outstanding judgment of such sum, plus, if so agreed between the Director and the claimant agency, the amount of the reimbursement provided in subparagraph (c)(1)e. of this section.
 - (3) “Lottery winner” means any person who is entitled to a payment on account of winning a prize in a lottery conducted pursuant to the provisions of Chapter 48 of Title 29.
 - (4) “Taxpayer” means any person or entity identified by a claimant agency for action by the Director of Revenue under this section.
- (c) *Regulations.* — (1) The Director shall promulgate regulations providing for:
- a. Procedures and methods to be employed by a claimant agency with respect to the operation of this section;
 - b. Due notice to the taxpayer (and, in the case of an overpayment of the tax imposed by Chapter 11 of this title, any spouse with whom the taxpayer files a joint return) of the reduction in the overpayment and of the opportunity, upon request, for a hearing before the claimant agency prior to such reduction;
 - c. Safeguards against the disclosure or inappropriate use of any personally identifiable information regarding the taxpayer obtained or maintained pursuant to this chapter;
 - d. A minimum debt, amounts below which, in light of administrative expenses and efficiency, shall, in the Director’s discretion, not be subject to the collection procedures set forth in this section; and
 - e. Reimbursement by the claimant agency to the Director of (or reduction in the amount payable to the claimant agency by the Director under subsection (a) of this section by an amount equal to) all costs, direct and indirect, determined on a statistical or actual basis, of effectuating the collection procedures set forth in this section.
- (2) Regulations promulgated under the authority of this subsection shall have the force and effect of law.
- (d) *Remedy not exclusive.* — The collection procedures prescribed by this section are in addition to, and not in substitution for, any other remedy available by law.
- (e) *Joint and combined income tax returns.* — (1) If a refund from which the reduction described in paragraph (a)(1) of this section would be made is based upon a joint return of the tax imposed by Chapter 11 of this title, the Director shall:
- a. Notify each taxpayer filing such return that the reduction is being made from a refund based upon such return;
 - b. Include in such notification a description of the right of the nondebtor taxpayer to file a written protest with the Director, within 30 days of the date of mailing such notification, for the purpose of showing the nondebtor taxpayer’s proper share of such refund; and
 - c. If such a showing is made, promptly remit to the nondebtor taxpayer the nondebtor taxpayer’s proper share of such refund, and apply the balance of such refund in the manner prescribed in subsection (a) of this section.
- (2) In the event the debtor shall be due a refund in combination with a nondebtor by virtue of having filed separately but combined on 1 return of the tax imposed by Chapter 11 of this title, the Director shall regard each spouse as entitled to separate refunds based upon the taxes due and prior payments of each spouse individually. In such a case, the reduction described in paragraph (a)(1) of this section shall not be applicable to such separate refund due to the nondebtor spouse, but such reduction shall be applicable to such separate refund due to the debtor spouse.
- (f) *Review of reductions.* — No court of this State shall have jurisdiction to hear any action, whether legal or equitable, brought to restrain or review a reduction authorized by subsection (a) of this section. Except as otherwise provided in subsection (e) of this section, no such reduction shall be subject to review by the Director in any administrative proceeding. No action brought against this State to recover

the amount of any such reduction shall be considered to be a suit for a refund of tax. This subsection shall not be deemed to preclude:

- (1) A prior hearing, upon request of the taxpayer, before the claimant agency as set forth in paragraph (c)(1)b. of this section; or
- (2) Any legal, equitable or administrative action against the claimant agency after payment to it of such reduction.

(g) *Director of Lottery.* — When the Director of Revenue shall notify the Director of Lottery pursuant to the provisions of subsection (a) of a debt owed by a taxpayer, and said taxpayer is also a lottery winner, the Director of Lottery shall pay over to the Director of Revenue any prize then payable or becoming payable to said taxpayer, until such time as the Director of Revenue notifies the Director of Lottery that the debt of said taxpayer has been discharged. The Director of Lottery shall maintain a current log of the names and other identification provided by the Director of Revenue of persons owing a debt to a claimant agency.

(h) In addition to the authority set forth in other subsections of this section, the Director may, in the Director's discretion, enter into an agreement with claimant agencies under which the Director shall be authorized to use the Division's agents and employees to collect debts owed to the claimant agency under the same laws, regulations and provisions applicable to the claimant agency and in the same manner as the claimant agency less the amount of reimbursement for the Division of Revenue's cost as may be agreed between the Director and the claimant agency.

§ 546. Voluntary Tax Compliance Initiative.

(a) *Voluntary Tax Compliance Initiative.* — For the purpose of encouraging the voluntary disclosure and payment of taxes owed to this State, the Division of Revenue is hereby authorized and directed to establish a Voluntary Tax Compliance Initiative (the "Initiative") for eligible taxes, as provided in this section.

(b) *Waiver of penalty and interest; limitation.* — If, during the term of the Initiative, a taxpayer

- (1) Files a voluntary tax return or returns and pays the eligible taxes reported due, or enters an installment arrangement acceptable to the Director for payment of the eligible taxes reported due, or
- (2) Pays eligible taxes the assessment of which is final before the date of commencement of the Initiative, then:
 - a. The Director shall waive penalty, interest and other collection fees that may otherwise be assessed on such eligible taxes, and
 - b. The Director shall not assess any tax, interest or penalty for any voluntary tax return reporting eligible taxes under the Initiative for tax periods before January 1, 2004.

(c) *Limitation on Initiative.* — The Initiative shall be limited to taxpayers who, between September 1, 2009, and October 30, 2009:

- (1) File voluntary tax returns and
 - a. Pay eligible taxes reported on those returns or
 - b. Enter into payment plans to pay eligible taxes reported on those returns before June 30, 2010, or
- (2) Pay eligible taxes the assessment of which is final before September 1, 2009, or enter into payment plans to pay such eligible taxes before June 30, 2010.

(d) *Definitions.* — As used in this section,

(1) "Eligible taxes" shall include the following taxes (and additions to tax) that were due for any tax period ending before January 1, 2009, and unpaid as of September 1, 2009:

- a. Personal income tax levied pursuant to Chapter 11 of this title;
- b. Gift tax levied pursuant to Chapter 14 of this title [repealed];

- k. Tobacco product license fees and tax levied pursuant to Chapter 53 of this title;
- l. Realty transfer tax levied pursuant to Chapter 54 of this title;
- m. Public utilities tax levied pursuant to Chapter 55 of this title; and
- n. Lodging tax levied pursuant to Chapter 61 of this title.
- o. The above-listed taxes due from partners, shareholders or members of pass-through-entities filing a voluntary tax return.

(2) "Initiative" means the Voluntary Tax Compliance Initiative enacted by this section.

(3) "Pay", "paid", or "payment of the eligible taxes" shall include an installment payment arrangement for payment of eligible taxes acceptable to the Director of Revenue without default by the taxpayer.

(4) "Voluntary tax return" means a complete and accurate tax return that is required to have been filed pursuant to this title but where:

- a. The taxpayer did not file a timely return for the same tax type and tax period; and
- b. The Division of Revenue has not notified taxpayer that it cannot verify that the taxpayer filed a return for the same tax type and

tax period.

A voluntary tax return filed pursuant to the Initiative shall constitute an admission by the taxpayer that it was not filed on or before its due date and that there exists no reasonable cause therefore.

(e) *Taxpayer default.* — If any eligible tax, or any part thereof, is not paid during the term of the Initiative or if any installment arrangement for payment of eligible taxes acceptable to the Director of Revenue is not executed during the term of the Initiative and paid on or before June 30, 2010, penalty and interest equal to the amount of delinquent penalty and interest imposed by the applicable sections of this title for nonpayment of the tax shall be added thereto and deemed payable without protest.

(f) The Division of Revenue is authorized, notwithstanding the provisions of any other Delaware statute, to

(1) Expend for the purpose of funding the agreements described in the next paragraph, the necessary available funds from the special fund established under the Finance section of the Epilogue of 77 Del. (2) Enter into agreements with third parties to publicly advertise, assist in the collection of eligible taxes, and administer the Voluntary Tax Compliance Initiative under which contingency and other fees may be payable to such third parties.

(g) Ten percent of the funds collected, after expenditures attributable to subsection (f) of this section, shall be transferred into the fund defined in paragraph (f)(1) of this section to provide for personnel costs for the audit of businesses or persons taxable under the supervision of the Division.

(h) *Regulations.* — (1) The General Assembly finds that there is a need to implement the Initiative on September 1, 2009, and recognizes that this timetable does not allow the Director to observe the normal rule-making procedures in the Administrative Procedures Act, 29 Del. C. §§ 10101 et seq. Accordingly, the General Assembly has determined to waive the rule-making procedures in the Administrative Procedures Act with respect to regulations governing the Initiative and to allow publication of regulations governing the Initiative in final form in the initial instance in the Register of Regulations.

(2) The Director is authorized:

a. To make all regulations consistent with the provisions of 77 Del. Laws, c. 79, that the Director deems necessary to implement the provisions of 77 Del. Laws, c. 79, without complying with the provisions of subchapter II of Chapter 101 of Title 29, but subject to § 10141 of Title 29 governing judicial review of such regulations and,

b. To publish in the Register of Regulations all regulations made in accordance with paragraph (h)(2)a. of this section as final official regulations without having first published such regulations in proposed form, notwithstanding the provisions of subchapter III of Chapter 11 of Title 29 or any rules or regulations promulgated pursuant to that subchapter.

(77 Del. Laws, c. 79, § 1; 70 Del. Laws, c. 186, § 1.)

(2) “Debtor” means a person liable for a debt.

(3) “Director of the Division of Professional Regulation” means the Director of the Division of Professional Regulation of the Department of State or the designee of the Director of the Division of Professional Regulation.

(4) “Director of Revenue” means the Director of the Division of Revenue of the Department of Finance, or the designee of the Director of Revenue.

(5) “License” means a license, permit, certificate, approval, registration or other similar form of permission or authorization to practice or engage in any profession, occupation, calling or business issued or renewed by any commission, board or agency under the authority of the Division of Professional Regulation of the Department of State which is named in § 8735 of Title 29.

(b) *Cooperative agreements for tax enforcement.* — In order to provide for enforcement of the revenue laws of this State by means of the denial or suspension of licenses issued to or applied for by debtors, the Director of the Division of Professional Regulation shall enter into a cooperative agreement with the Director of Revenue to exchange information about any debtor who owes a debt to this State and who applies for or holds a license issued or renewed by any commission, board or agency under the authority of the Division of Professional Regulation which is named in § 8735 of Title 29. The specific information and the manner and frequency with which it is made available or otherwise exchanged between the Division of Revenue and the Division of Professional Regulation shall be as determined by each cooperative agreement, but such information shall be made available or otherwise provided at least once each calendar year. Each cooperative agreement shall be revised as necessary to effectuate the provisions and purposes of this section. From such information provided by the Division of Professional Regulation, the Division of Revenue, at such intervals as it determines, may identify such applicants or licensees who are debtors, and undertake enforcement action pursuant to this section.

(c) *Notice of intent to deny or suspend license.* — Subject to the provisions for notice and the right to a hearing provided for by this section, the Director of Revenue shall give written notice to a debtor that a license issued or renewed by any commission, board or agency under the authority of the Division of Professional Regulation which is named in § 8735 of Title 29 may be denied, suspended, or shall not

be issued or renewed.

(d) *Contents of notice.* — The notice provided for in this section shall be sent by registered or certified mail to the debtor's last address known to the Division of Revenue and shall inform the debtor:

- (1) Of the nature and amount of the debt;
- (2) That the debt has been reduced to judgment in the Superior Court of the State of Delaware pursuant to § 554 of this title (a copy of which judgment shall have been provided to the taxpayer on or before the date of the notice); and
- (3) That, pursuant to this section and § 8735 of Title 29, this information will be sent to the Delaware Division of Professional Regulation for the purposes of suspending or denying the issue or renewal of debtor's license unless, within 60 days of the notice, the debtor shall have:
 - a. Paid the debt in full; or
 - b. Entered into a written agreement with the Director of Revenue or the Director's designee for payment of the debt with such terms as the Director of Revenue may require; or
 - c. Requested a hearing pursuant to subsection (e) of this section, at which the debtor may present evidence, be represented by counsel of debtor's choice and at debtor's expense, and appear personally or by other representative and at which the Director of Revenue or the Director's delegate will reach a decision based on the evidence received.

(e) *Request for hearing on proposed suspension or denial of license.* — Upon written request by the debtor to the Director of Revenue mailed or delivered within 20 days from the date of mailing the notice of intent to deny or suspend a license, the Director of Revenue or the Director's delegate shall conduct a hearing pursuant to the provisions of Chapter 101 of Title 29 for the limited purpose of determining that the debt exceeds \$1,000 and that it was reduced to judgment pursuant to § 554 of this title. No evidence may be received at the hearing regarding the appropriateness or validity of the final assessment of the tax (including any interest, additional amounts, additions to tax, and assessable penalties) that has been reduced to judgment pursuant to § 554 of this title. The Director of Revenue shall give written notice of the hearing to the debtor in accordance with Chapter 101 of Title 29.

(f) *Denial or suspension of professional or occupation license.* — Upon certification by the Director of Revenue to the Director of the Division of Professional Regulation of compliance with the provisions of this section, the latter shall immediately suspend all licenses issued to the debtor by any commission, board or agency under the authority of the Division of Professional Regulation which is named in § 8735 of Title 29; shall deny any applications to issue or renew any such license or licenses by the debtor; and shall give written notice of the suspension or denial to the debtor. The debtor shall remain ineligible for the issuance, renewal or reinstatement of any license until the Director of the Delaware Division of Professional Regulation obtains from the Director of Revenue written certification that the grounds for denial or suspension of a license under this section no longer exist. The Director shall provide such written certification to the Director of the Division of Professional Regulation within 30 days from the time at which the grounds for denial or suspension of a license under this section no longer exist. Whenever the Director provides such written certification to the Director of the Division of Professional Regulation, the debtor shall also be notified by the Director of Revenue that the basis for the denial or suspension of debtor's license no longer exists.

(g) *Regulations.* — The Director of Revenue may promulgate rules and regulations necessary to implement the provisions of this section.

(h) *Disclosures permitted by this statute.* — No disclosures or exchanges of information made by the Director of Revenue in a good faith effort to comply with this section shall be a violation of any statute prohibiting disclosure of taxpayer information.

(i) *Remedies not exclusive.* — The remedies provided in this section shall be in addition to any other remedies for the enforcement of tax obligations.

(78 Del. Laws, c. 265, § 3; 81 Del. Laws, c. 19, § 2.)

§ 548. Paid tax preparers; required information on returns and claims for refund.

Any return or claim for refund prepared by a paid tax preparer, as that term is defined under § 502(b) in this title, shall be signed by the paid tax preparer and shall bear the paid tax preparer's tax identification number.

(81 Del. Laws, c. 386, § 3.)

§ 549. Suit to enjoin certain paid tax preparers.

(a) In a court of competent jurisdiction, the Director of Revenue may commence suit to enjoin any paid tax preparer, as that term is defined under § 502(b) of this title, from further engaging in any conduct described in subsection (b) of this section or from further acting as a paid tax preparer. If the court issues an injunction under this section, the paid tax preparer shall reimburse the Division of Revenue for all costs and fees incurred in prosecuting such case.

(b) In any action under subsection (a) of this section, the court may enjoin the tax preparer from further engaging in any conduct specified in this subsection if the court finds that injunctive relief is appropriate to prevent the recurrence of this conduct. The court may issue an injunction when the paid tax preparer has done any of the following:

- (1) Prepared any return or claim for refund that includes an understatement of a taxpayer's liability due to an unreasonable position.
- (2) Prepared any return or claim for refund that includes an understatement of a taxpayer's liability due to wilful or reckless conduct.
- (3) Where required, failed to do any of the following:
 - a. Furnish a copy of a return or claim for refund.

- b. Sign a return or claim for refund.
- c. Furnish an identifying number.
- d. Retain a copy of records.
- e. File correct information returns.
- f. Determine eligibility for tax benefits.

(4) Negotiated a check issued to a taxpayer by the Division of Revenue without the permission of the taxpayer.

(5) Engaged in any conduct subject to any criminal penalty provided in this title.

(6) Misrepresented the paid tax preparer's eligibility to practice before the Division of Revenue or otherwise misrepresented the paid tax preparer's experience or education.

(7) Guaranteed the payment of any tax refund or the allowance of any tax credit.

(8) Engaged in any other fraudulent or deceptive conduct that substantially interferes with the proper administration of the tax laws of this State.

(c) If the court finds that a paid tax preparer has continually or repeatedly engaged in any conduct prohibited in subsection (b) of this section and that an injunction prohibiting the conduct would not be sufficient to prevent the person's interference with the proper administration of the tax laws of Delaware, the court may enjoin the person from acting as a paid tax preparer in Delaware. The fact that a person has been enjoined from preparing tax returns or claims for refund for the United States or any other state, in the 5 years preceding the petition for an injunction shall establish a prima facie case for an injunction to be issued pursuant to this section.

(81 Del. Laws, c. 386, § 3.)

Subchapter IV

Enforcement

§ 551. Timely mailing.

(a) If any return, declaration of estimated tax, claim, statement, notice, protest or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under the authority of any provision of the revenue laws of this State, other than § 331 of this title, is, after such period or such date, delivered by United States mail to the agency, officer or office with which such document is required to be filed, the date of the United States postmark stamped on the cover in which such document is mailed shall be deemed to be the date of delivery or the date of payment, as the case may be.

(b) This section shall apply only if the postmark date falls within the prescribed period, or on or before the prescribed date for the filing of the return, declaration, claim, statement, notice, protest or other document (determined with regard to any extension granted for such filing), or for making the payment (determined with regard to any extension granted for making such payment), and only if such document or payment was deposited in the mail, postage prepaid, properly addressed to the agency, officer or office with which such document is required to be filed or to which such payment is required to be made.

(c) If any return, declaration of estimated tax, claim, statement, notice, protest or other document or payment is sent by United States registered mail, such registration shall be prima facie evidence that such document or payment was delivered to the agency, officer or office to which addressed. To the extent that the Director shall prescribe, certified mail may be used in lieu of registered mail under this subsection.

(d) When the last day prescribed under the authority of the revenue laws of this State, including any extension of time, for performing any act falls on Saturday, Sunday or a legal holiday in this State, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday or a legal holiday in this State.

(68 Del. Laws, c. 187, § 1.)

§ 552. Collection procedures.

(a) Any tax imposed by this title or Title 4 shall be collected by the Director, and the Director may establish the mode or time for the collection of any amount due under this title or Title 4 including setoff of such amount as a debt owed to a claimant agency pursuant to § 545(a) of this title, if not otherwise specified. The Director shall, on request, give a receipt for any amount collected under this title or Title 4. The Director may authorize incorporated banks or trust companies to receive any tax imposed under this title or Title 4, in such manner, at such times and under such conditions as the Director may prescribe, and the Director shall prescribe the manner, times and conditions under which the receipt of tax by any such bank or trust company is to be treated as a payment of tax to the Director.

(b) The Director shall, as soon as practicable after an assessment of tax, interest, penalty, additional amount or addition to the tax becomes final pursuant to § 522 or § 530 of this title, give written notice to each person liable for the payment of the assessed amount, stating the amount so assessed and demanding payment thereof within 10 days of the date of such notice. Such notice shall be sent by mail to such person at the last known address. If the amount assessed exceeds the applicable threshold of \$1,000, such notice shall be sent by certified or registered mail. (The applicable threshold in this subsection is subject to annual adjustment as more fully set forth in § 515 of this title.) Except where the Director determines that collection would be jeopardized by delay, if any amount is assessed prior to the last

date, including any date fixed by extension, prescribed for payment of such amount, payment of such amount shall not be demanded under this subsection until after such date.

(68 Del. Laws, c. 187, § 1; 69 Del. Laws, c. 402, § 5; 70 Del. Laws, c. 186, § 1; 80 Del. Laws, c. 195, § 4.)

§ 553. Period of collection after assessment; agreement for extension.

(a) Where the assessment of any amount of tax, interest, penalty, additional amount or addition to the tax imposed by this title or Title 4 has been made within the period of limitation properly applicable thereto, such amount may be collected by a proceeding in court under § 554 of this title, but only if such proceeding is begun:

(1) Within 10 years after the assessment of such amount has become final; or

(2) Prior to the expiration of any period for collection agreed upon in writing by the Director and the taxpayer before the expiration of such 10-year period.

(b) The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

(c) The provisions of subsection (a) of this section shall not affect collection by setoff against tax refunds due to the taxpayer, which setoff may occur whenever there exists an unpaid assessment of tax, interest, penalties, additional amounts or additions to the tax.

(d) The provisions of subsection (a) of this section shall not shorten the period during which a judgment for any amount entered in a court may be collected by execution upon such judgment.

(e) The running of the period of limitations on collections provided for in this section shall, in a case under Title 11 of the United States Code, be suspended for the period during which the Director is prohibited from collecting by reason of such case plus 6 months thereafter.

(68 Del. Laws, c. 187, § 1; 71 Del. Laws, c. 144, § 2.)

§ 554. Obtaining court judgment by filing certificate.

(a) If any amount of tax, interest, penalties, additional amounts or additions to the tax payable under this title or Title 4 has been assessed and was not paid when due, the Director may file in the office of the prothonotary of any county a certificate by paper or electronic transaction specifying the amount of such tax, interest, penalties, additional amounts and additions to the tax due, the name and last known address of the taxpayer liable for such amount and the fact that the Director has complied with all of the provisions of this title or predecessor provisions in the assessment of such amount. From the time of such filing, the amount set forth in the certificate shall thereupon be and constitute a judgment of record in such court with like force and effect as any other judgment of the court, except that the renewal provisions of § 4711 of Title 10 shall not be applicable, and a judgment lien obtained under this subsection shall automatically continue for a period of 20 years from the date of its entry. The prothonotary in each county shall enter all such certificates in the regular judgment docket and index them as soon as they are filed regardless of the county of the taxpayer's residence.

(b) No property, legal or equitable, wages, salaries, deposits or moneys in banks (notwithstanding the provisions of § 3502 of Title 10), savings institutions or loan associations, or other property or income of any taxpayer shall be exempt from execution or attachment process issued upon, or from collection of, any judgment obtained under subsection (a) of this section. This section shall not apply to liens created under § 1345 of this title [repealed].

(c) Any judgment obtained under subsection (a) of this section on or after January 1, 1992, shall automatically continue for a period of 20 years from the date of its entry. Any judgment obtained under predecessor provisions of this section by virtue of a certificate filed prior to January 1, 1992, for tax, interest, penalties, additional amounts or additions to the tax shall continue for a period of 20 years from the original date of its entry even though, when such certificate was filed, such predecessor provision may have provided for a period of continuation of less than 20 years.

(d) Notwithstanding any contrary provision of § 4711 of Title 10, within the term of 20 years contemplated by subsection (a) of this section, the Director may renew the lien of such judgment for an additional term of 20 years by filing in the office of the prothonotary of any county a certificate by paper or electronic transaction specifying the amount of such tax, interest, penalties, additional amounts and additions to the tax due, the name and last known address of the taxpayer liable for such amount and the fact that the Director has complied with all of the provisions of this title in preparing such renewal. The prothonotary in each county shall enter all such certificates in the regular judgment docket and index them as soon as they are filed regardless of the county of the taxpayer's residence.

§ 555. Release of lien.

The Director may at any time release all, or any portion of, the property subject to any lien arising under this chapter or subordinate such lien to other judgments, liens or security interests if the Director determines that the amount secured by such lien is sufficiently secured by an encumbrance on other property of the taxpayer or that the release or subordination of such lien will not endanger or jeopardize the collection of such amount.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 353, § 16.)

§ 556. Execution of judgments.

(a) *In general.* — If any person liable to pay any assessed amount of tax, interest, penalty, additional amount or addition to the tax imposed under this title or other titles subject to this chapter neglects or refuses to pay such amount after a judgment has been obtained

pursuant to § 554 of this title, or otherwise, the Director may execute upon such judgment as provided herein.

(b) *Warrants for levy and sale of property.* — The Director may issue a warrant directed to the sheriff of any county of this state commanding such sheriff to levy upon and sell the personal or real property of such person for the payment of the amount of the judgment and the cost of executing the warrant. The sheriff shall return such warrant to the Director and pay to the Director the money collected by virtue thereof within 60 days after receipt of the warrant. A copy of the warrant shall be filed with the Prothonotary and noticed on the regular judgment docket. All sales of real and personal property under authority of this section shall be made pursuant to the provisions of Title 10.

(c) *Garnishment of bank accounts.* — The Director may issue a notice of garnishment directed to any bank, commanding said garnishee, notwithstanding the provisions of § 3502 or § 4913(b) of Title 10, to set aside, account for, and pay over to the Division of Revenue on account of the debt any property owed to or held for the debtor by said bank. A copy of the notice of garnishment or an abstract thereof shall be filed with the Prothonotary and the fact of the garnishment noticed on the regular judgment docket.

(d) *Garnishment of wages, salaries, and other amounts due.* — The Director may issue a notice of garnishment directed to any person (other than a bank) owing to or holding for a judgment debtor any wages, salaries, money, credits and effects, contract rights or securities. The notice of garnishment shall command said garnishee to set aside, account for, and pay over to the Division of Revenue on account of the judgment all such property then in its possession or which may become due the judgment debtor by such person from time to time, until the judgment and costs of execution are paid. A copy of the notice of garnishment or an abstract thereof shall be filed with the Prothonotary and the fact of the garnishment noticed on the regular judgment docket. The Director shall notify the garnishee in writing when the judgment and costs have been satisfied.

(e) *Duties of garnishee.* — A person receiving a notice of garnishment pursuant to subsection (c) or (d) of this section shall respond to the Director or Revenue within 20 days after service of the notice, not counting the date of service. A garnishee who fails to comply with a notice of garnishment may, after notice and assessment pursuant to this chapter, be liable for a penalty equal to the amount the garnishee was instructed to set aside, account for, and pay over to the Division of Revenue. Thirty days after the mailing of the notice of proposed assessment of such penalty, it shall become final, excepting only those amounts for which the garnishee has filed a timely written protest with the Director under § 523 of this title.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 74 Del. Laws, c. 159, § 3.)

§ 557. Nonresident taxpayer.

When notice and demand for the payment of any assessed amount of tax, interest, penalty, additional amount or addition to the tax imposed under this title or Title 4 is given to a nonresident taxpayer, and the Director determines that it is not practicable to locate property of the taxpayer sufficient in amount to cover the amount assessed, the Director shall send a copy of the certificate provided for in § 554 of this title to the taxpayer at the taxpayer's last known address, together with a notice that such certificate has been filed with the Prothonotary of New Castle County. Thereafter, the Director may authorize the institution of any action or proceeding to collect or enforce such judgment in any place and by any procedure that a civil judgment of a court of record of this State could be collected or enforced. The Director may also, at the Director's discretion, designate agents or retain counsel outside this State, for the purpose of collecting outside this State any assessed amounts due under this title or Title 4 from taxpayers who are not residents of this State. The Director may fix the compensation of such agents and counsel to be paid out of money appropriated or otherwise lawfully available for the payment thereof, and the Director may require of such agents and counsel bonds or other security for the faithful performance of their duties. The Director is authorized to enter into agreements with the tax agencies or departments of other states and the District of Columbia for the collection of taxes from persons found in this State who are delinquent in the payment of taxes imposed by such other states or the District of Columbia, on condition that such other states and the District of Columbia afford similar assistance in the collection of taxes from persons found in their jurisdictions who are delinquent in the payment of taxes imposed under this title or Title 4. The Director is authorized to enter into similar agreements with the Internal Revenue Service with respect to the collection of taxes imposed under this title and Title 4 and the taxes imposed under the internal revenue laws of the United States.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 558. Tax claims of other states.

(a) *General.* — The courts of this State shall recognize and enforce liabilities for taxes lawfully imposed by any other state which extends a like comity to this State, and the duly authorized officers of any such other state may sue for the collection of such taxes in the courts of this State. A certificate by the Secretary of State of any such other state that an officer suing for the collection of such a tax is duly authorized to collect the tax shall be conclusive proof of such authority. For the purposes of this section, the word "taxes" shall include interest, penalties, additional amounts and additions to the tax. Liability for interest, penalties, additional amounts and additions to the tax shall be recognized and enforced by the courts of this State to the same extent that the laws of such other state permit the enforcement in its courts of liability for interest, penalties, additional amounts and additions to the tax due this State under this title or Title 4. Nothing in this section shall be construed as giving the courts of this State jurisdiction to enforce liability for the taxes of any other state, except by an action against an individual who is a resident of this State or by an action against a corporation which is maintaining its principal office in this State at the time of the commencement of such action.

(b) *Collection of tax debts of certain other governments.* — (1) *Definitions.* — For purposes of this section:

a. “Claimant government” means any other state or agency of the United States that, in either case, extends a like comity for the collection of a tax debt owed to this State.

b. “Refund” means any taxpayer’s claim to repayment of an overpayment of a tax determined to be owed by this State.

c. “Tax debt” means any amount of tax imposed under the laws of the claimant government, including additions to tax for penalties and interest, which is finally due and payable to the claimant government, with respect to which any administrative remedies and appeals have been exhausted or have lapsed and which is legally enforceable, whether or not there is an outstanding judgment of such sum.

d. “Taxing Official” means a unit or official of a claimant government charged with the imposition, assessment or collection of taxes of that government.

e. “Taxpayer” means any person or entity identified by a claimant government for action by the Director of Revenue under this section, and, in the case of an intercept of a refund of personal income tax arising from the filing of a joint return, the taxpayer’s spouse.

(2) *Request for intercept.* — a. Except as provided in this subsection, a taxing official may:

1. Certify to the Director of Revenue the existence of a tax debt to a claimant government, and
2. Request the Director of Revenue to withhold any refund to which the taxpayer is entitled.

b. A taxing official may not certify or request the Director of Revenue to withhold a refund unless the laws of the claimant government allow the Director of Revenue to:

1. Certify a tax debt due,
2. Request the taxing official to withhold the taxpayer’s refund, and
3. Provide for the payment of the refund to Delaware.

(3) *Certification to Director of Revenue.* — Certification of a tax debt by the taxing official to the Director of Revenue shall include:

a. The full name of the taxpayer and, if in the sound discretion of the Director it will aid in identifying and locating the taxpayer, the taxpayer’s address;

b. The taxpayer’s Social Security number or federal tax identification number;

c. The amount of the tax debt, including a detailed statement for each taxable year showing tax, interest and penalty or data that, in the sound discretion of the Director of Revenue, sufficiently describes the tax debt; and

d. A statement that all rights to administrative remedies and appeals have been exhausted or lapsed and that the assessment of tax, interest and penalty is final and enforceable.

(4) *Notice to taxpayer.* — Upon receipt of a request for intercept and certification from a taxing official, the Director shall notify the taxpayer (and, in the case of a refund of any tax imposed upon the income of individuals, any spouse with whom the taxpayer filed a joint return) thereof and of the right to protest the intercept. The notice shall include a copy of the certification by the taxing official.

(5) *Protest of intercept.* — A taxpayer may protest an intercept of a refund pursuant to § 523 of this title (except that the time to protest shall be 30 days from the date of the Director’s notice of intercept pursuant to paragraph (b)(4) of this section and not 60 days).

If a taxpayer shall file a timely protest, the Director shall:

a. Suspend the proposed intercept and impound the claimed amount of the taxpayer’s refund,

b. Pay to the taxpayer the unclaimed amount of the refund, if any,

c. Send a copy of the protest to the claimant government for determination of the protest on its merits in accordance with the laws of that state, and

d. Pay over to the taxpayer the impounded amount if the claimant government shall fail within 45 days of the date of the protest to re-certify to the Director of Revenue that the claimant government has reviewed the issues raised by taxpayer, that all administrative and judicial remedies provided under the laws of that state have been exhausted, and the amount of the tax debt finally determined to be due.

(6) *Rights of spouses to refunds from joint returns.* — If a proposed intercept is based upon the tax debt of only 1 individual and if the refund is based upon a joint personal income tax return, the nondebtor spouse shall have the right to protest the intercept of that spouse’s share of the refund in accordance with paragraph (b)(5) of this section, showing the nondebtor spouse’s proper share of such refund.

(7) *Intercept and payment of refund.* — Subject to the taxpayer’s rights of notice and protest, upon receipt of a request for intercept in accordance with paragraph (b)(2) of this section, the Director of Revenue shall:

a. Pay to the claimant government the entire refund or the amount certified, whichever is less;

b. Pay any refund in excess of the certified amount to the taxpayer; and

c. If a refund is less than the certified amount, withhold amounts from subsequent refunds due to the taxpayer provided the claimant government shall withhold subsequent refunds of taxpayers certified to the claimant government by the Director of Revenue.

(8) *Director’s authority.* — The Director of Revenue shall have the authority to enter into agreements with the taxing officials of claimant governments relating to:

a. Procedures and methods to be employed by a claimant government with respect to the operation of this section;

b. Safeguards against the disclosure or inappropriate use of any personally identifiable information regarding the taxpayer obtained

or maintained pursuant to this chapter; and

c. A minimum tax debt, amounts below which, in light of administrative expenses and efficiency, shall, in the Director's discretion, not be subject to the intercept procedures set forth in this section.

(9) *Remedy not exclusive.* — The collection procedures prescribed by this subsection are in addition to, and not in substitution for, any other remedy available by law.

(10) *United States as claimant government.* — Notwithstanding any other provision of this section, the Director may deem the government of the United States a claimant government provided the Director finds, based on specific action of the United States or House of Representatives or a Committee thereof, reason to believe the United States may extend a like comity for the collection of a tax debt owed to this State no later than January 1, 2001.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 386, § 1.)

§ 559. Order to compel compliance.

(a) If any person wilfully refuses to file a tax return required by this title or Title 4, the Director may apply to a judge of the Superior Court for the county in which the taxpayer (or other person required to file such return on behalf of the taxpayer) resides, or, in the case of a corporate taxpayer or a taxpayer that is a partnership, estate or trust, for the county in which such taxpayer maintains its principal office in this State, for an order directing such taxpayer or other person to file the required return. If a person fails or refuses to obey such an order, such person shall be guilty of contempt of court.

(b) If any person wilfully refuses to make available any books, papers, records or memoranda for examination by the Director, or the Director's representative, or wilfully refuses to attend and testify, pursuant to the powers conferred on the Director by § 563(c) of this title, the Director may apply to a judge of the Superior Court for the county in which such person resides for an order directing such person to comply with the Director's request for books, papers, records or memoranda, or for the person's attendance and testimony. If the books, papers, records or memoranda required by the Director are in the custody of a corporation, the order of the Court may be directed to any principal officer of such corporation. If a person fails or refuses to obey such an order, such person shall be guilty of contempt of court.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 560. Transferees.

(a) The liability, at law or in equity, of a transferee of property of a taxpayer for any tax, interest, penalty, additional amount or addition to the tax due under this title or due under Title 4 shall be assessed, paid and collected in the same manner, and subject to the same provisions and limitations, as in the case of the tax, interest, penalty, additional amount or addition to the tax with respect to which the liability was incurred, except as provided in this section. The term "transferee" includes donee, heir, legatee, devisee and distributee.

(b) In the case of the liability of an initial transferee, the period of limitation for assessment of any liability is within 1 year after the expiration of the period of limitation for assessment against the transferor; in the case of the liability of a transferee of a transferee, within 1 year after the expiration of the period of limitation for assessment against the preceding transferee, but not more than 3 years after the expiration of the period of limitation for assessment against the initial transferor; except that if, before the expiration of the period of limitation for the assessment of the liability of the transferee, a proceeding for the collection of the liability has been begun against the initial transferor or the last preceding transferee, respectively, then the period of limitation for assessment of the liability of the transferee shall expire 1 year after the proceeding is terminated.

(c) If, before the expiration of the time provided in subsection (b) of this section for the assessment of the liability, the Director and the transferee have both consented in writing to its assessment after such time, the liability may be assessed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the previous period. For the purpose of determining the period of limitation on credit or refund to the transferee of overpayments of tax made by such transferee, or of overpayments of tax made by the transferor of which the transferee is legally entitled to credit or refund, such agreement, and any extension thereof, shall be deemed an agreement and extension thereof referred to in § 539(c) of this title. If the agreement is executed after the expiration of the period of limitation for assessment against the taxpayer with reference to whom the liability of such transferee arises, then in applying the limitations under § 539(b) of this title on the amount of the credit or refund, the periods specified in § 539(a) of this title shall be increased by the period from the date of such expiration to the date of the agreement.

(d) For purposes of this section, if any person is deceased or is a corporation which has terminated its existence, the period of limitation for assessment against such person shall be the period that would be in effect had death or termination of existence not occurred.

(68 Del. Laws, c. 187, § 1; 71 Del. Laws, c. 353, § 17.)

§ 561. Jeopardy assessments.

(a) If the Director finds that the collection of a tax, whether or not the time otherwise prescribed by law for making a return and paying such tax has expired, or the assessment or collection of a deficiency for any year, current or past, will be jeopardized by delay, the Director shall immediately assess such tax or such deficiency and shall mail or issue notice of the finding to the taxpayer together with a demand for immediate payment of such tax or such deficiency declared to be in jeopardy, together with all interest, penalties, additional amounts and additions to the tax provided by law.

(b) In the case of a jeopardy assessment of a tax for a current taxable year or other taxable period, the Director shall determine such tax for the period beginning on the first day of such current taxable year or other taxable period and ending on the date of the Director's

finding under subsection (a) of this section as though such period were a taxable year or other taxable period of the taxpayer.

(c) A jeopardy assessment shall be immediately due and payable, and proceedings for the collection of such assessment may be commenced at once, subject to §§ 554 and 556 of this title. The taxpayer, however, may stay the collection of the whole or any amount of such assessment and prevent such assessment from becoming final by filing with the Director, within 10 days after the date of mailing or issuing the notice of jeopardy assessment, a request for reassessment, accompanied by a bond or, in the discretion of the Director, other adequate security in an amount equal to the amount as to which the stay of collection is sought, conditioned upon the payment of the amount (together with interest thereon) the collection of which is stayed. If a request for reassessment, accompanied by a bond or, in the discretion of the Director, other adequate security in the appropriate amount, is not filed within such 10-day period, the assessment shall become final upon the expiration of such 10-day period.

(d) If a request for reassessment, accompanied by a bond or other adequate security, is filed within the 10-day period provided by subsection (c) of this section, the collection of so much of the amount assessed as is covered by the bond or other security shall be stayed, the Director shall reconsider the assessment and, if the taxpayer has so requested in the request for reassessment, the Director shall grant the taxpayer, or the taxpayer's authorized representative, an oral hearing. The Director's determination on the request for reassessment shall become final upon the expiration of 30 days from the date when the Director mails notice of the determination to the taxpayer, unless, within such 30-day period, the taxpayer files with the Tax Appeal Board an application for review of the Director's determination.

(e) In any proceeding relating to the collection of a jeopardy assessment, the finding of the Director under subsection (a) of this section shall for all purposes be presumptive evidence that the collection of the tax or the assessment or collection of the deficiency was in jeopardy.

(f) The Director may abate the jeopardy assessment if the Director finds that jeopardy does not exist.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 562. Bankruptcy or receivership.

(a) Upon the adjudication of bankruptcy of the taxpayer in any bankruptcy proceeding, or upon the appointment of a receiver for the taxpayer in any receivership proceeding, before any court of the United States or any state or territory or of the District of Columbia, any deficiency (together with all interest, penalties, additional amounts and additions to the tax provided by law) determined by the Director in respect of any tax may be immediately assessed if such deficiency has not theretofore been assessed in accordance with law.

(b) Claims for the deficiency and for interest, penalties, additional amounts and additions to the tax may be presented for adjudication in accordance with law, to the court before which the bankruptcy or receivership proceeding is pending, despite the pendency of a protest before the Director under § 523 of this title or the pendency of proceedings before the Tax Appeal Board under § 544 of this title with respect to such deficiency. No protest shall be filed with the Director under § 523 of this title and no petition shall be filed with the Tax Appeal Board under § 544 of this title with respect to a deficiency after the adjudication of bankruptcy or appointment of the receiver.

(c) Every receiver, personal representative, trustee in bankruptcy, assignee for the benefit of creditors or other like fiduciary shall give such notice of qualification as such to the Director as may be required by the Director.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1.)

§ 563. General powers of Director of Revenue.

(a) Except as otherwise expressly provided by law, the administration and enforcement of this title and Title 4 shall be performed by or under supervision of the Director of Revenue, who is authorized to make such rules and regulations and to require such facts and information to be reported as the Director may deem necessary to enforce this title and Title 4. Such authority shall include, without limitation, the authority to require the rounding, according to conventional rules, of cents to whole dollars with regard to any line or set of lines on any return issued under this title or Title 4.

(b) The Director may prescribe the form and contents of any return or other document required to be filed under this title or Title 4. In addition to the general power of the Director under this subsection (b) to prescribe the form and contents of any return or other document required to be filed under this title of the Delaware Code, the Director of Revenue shall have the authority to prescribe the form and contents of any return or other document deemed necessary to enforce or monitor the effect of amendments made by 78 Del. Laws, c. 1, including, without limitation, information returns or other reports to be made by persons engaging in transactions, the gross receipts from which are excluded from gross receipts subject to tax under Chapter 29 of this title.

(c) The Director, for the purpose of ascertaining the correctness of any return, or for the purpose of making an estimate of tax payable by any person, shall have power to examine, or to cause to have examined by any agent or representative designated by the Director for that purpose, any books, papers, records or memoranda bearing upon the matters required to be included in the return and may require the attendance of the person rendering the return or any officer or employee of such person, or the attendance of any other person having knowledge in the premises, and may take testimony and require proof material for the Director's information with power to administer oaths to such person or persons.

(d) The Director of the Division of Revenue shall enforce the administration of taxes provided for in Chapters 100 and 101 of Title 3.

(e) The Director may mail, on behalf of the Delaware Diabetes Education Fund upon the written request of the Delaware Chapter of the American Diabetes Association, communications to taxpayers who have donated to the Fund. The Director shall charge the Fund for the full cost of any such mailing. Such mailed communications shall make clear that said mailing does not constitute solicitation on behalf of

the State and shall be done in a manner designed to protect the address and names of taxpayers.

(68 Del. Laws, c. 187, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 14, § 1; 71 Del. Laws, c. 414, § 7; 72 Del. Laws, c. 330, § 2; 78 Del. Laws, c. 1, § 12.)

§ 564. Closing agreements.

The Director, or any person authorized in writing by the Director, is authorized to enter into an agreement in writing with any person relating to the liability of such person (or of another person for whom such person acts) with respect to any tax imposed by this title or Title 4 for any taxable period. Such agreement shall be final and conclusive, and, except upon a showing of fraud or malfeasance or misrepresentation of a material fact:

(1) The case shall not be reopened as to matters agreed upon or the agreement modified by any officer, employee or agent of this State; and

(2) In any suit, action or proceeding, such agreement, or any determination, assessment, collection, payment, abatement, refund or credit made in accordance therewith, shall not be annulled, modified, set aside or disregarded.

(68 Del. Laws, c. 187, § 1.)

§ 565. Priorities among requests to intercept or reduce refunds.

(1) A refund intercept to collect unpaid taxes and additions to tax of this State,

(2) A claim pursuant to a notice of a claimant agency of this State pursuant to § 545 if this title, and

(3) A request by a claimant government for intercept of a refund pursuant to § 558(b) of this title.

(c) *Intangibles.* — Income from intangible personal property, including annuities, dividends, interest and gains from the disposition of intangible personal property, shall constitute income derived from sources within this State only to the extent that such income is from property employed by the taxpayer in a business, trade, commerce, profession or vocation carried on in this State.

For purposes of this subsection, intangible assets of the taxpayer which are treated as held for investment for federal income tax purposes (or would be so treated if such assets were held by an individual) shall not be considered as property employed by the taxpayer in a business, trade, commerce, profession or vocation carried on in this State. Notwithstanding the foregoing and for purposes of this subsection, assets whose acquisition, management and disposition constitute integral parts of the taxpayer's regular trade or business operations (other than the operations of a taxpayer whose trade or business is that of investing) shall not be considered held for investment.

(d) *Deduction for losses.* — Deductions for capital losses, net capital gains and net operating losses shall be based solely on income, gains, losses and deductions derived from, or connected with, sources in this State, but otherwise shall be determined in the same manner as the corresponding federal deductions.

(e) *Nonresident shareholders of S corporation.* — For purposes of subsection (a) of this section, in the case of a nonresident individual who is a shareholder of an S corporation, the rules provided in subsections (a) and (c) of § 1145 [repealed] of this title shall apply in the same manner as if such S corporation were a partnership and such nonresident individual were a nonresident partner.

Subchapter VII

Withholding of Tax

§ 1151. Employer to withhold tax from wages or other remuneration.

(a) *General.* — Every employer maintaining an office, or transacting business, within this State and making payment of any wages or other remuneration taxable under this chapter to a resident or nonresident individual whose wages or other remuneration are subject to withholding under the Internal Revenue Code shall deduct and withhold from such wages for each payroll period a tax computed in such manner as to result, insofar as practicable, in withholding from the employee's wages during each calendar year an amount substantially equivalent to the tax reasonably estimated to be due from the employee under this chapter with respect to the amount of such wages included in the taxable income during the calendar year. The method of determining the amount to be withheld shall be prescribed by rules or forms of the State Tax Department. The State Tax Department is authorized to promulgate withholding tables for this purpose.

(b) *Withholding exemptions.* — For purposes of this section, an employee shall be entitled to the same number of withholding exemptions as the number of withholding exemptions to which the employee is entitled for federal income tax withholding purposes. An employer may rely upon the number of federal withholding exemptions claimed by the employee.

(c) *Withholding agreements.* — The State Tax Commissioner may enter into agreements with the tax departments of other states (which require income tax to be withheld from the payment of wages or other remuneration and salaries) so as to govern the amounts to be withheld from the wages and salaries of residents of such states under this chapter. Such agreements may provide for recognition of anticipated tax credits in determining the amounts to be withheld and, under rules prescribed by the State Tax Commissioner, may relieve employers in this State from withholding income tax on wages or other remuneration and salaries paid to nonresident employees. The agreements authorized by this subsection are subject to the condition that the tax department of such other states grant similar treatment to residents of this State.

(30 Del. C. 1953, § 1151; 57 Del. Laws, c. 737, § 1; 58 Del. Laws, c. 257, §§ 3, 4; 61 Del. Laws, c. 136, § 1; 70 Del. Laws, c. 186, § 1.)

§ 1152. Information statement for employee.

Every employer required to deduct and withhold tax under this chapter from the wages or other remuneration of an employee shall

furnish to each such employee, in respect to the wages or other remuneration paid by such employer to such employee during the calendar year, on or before January 31 of the succeeding year, or, if such employee's employment is terminated before the close of such calendar year, within 30 days from the date on which the last payment of wages or other remuneration is made, a written statement, as prescribed by the Director of the Division of Revenue, showing:

- (1) The amount of wages or other remuneration paid by the employer to the employee;
 - (2) The amount deducted and withheld as tax;
 - (3) All information required by the Internal Revenue Service regarding the employee's eligibility for the federal earned income tax credit; and
 - (4) Such other information as the Director of the Division of Revenue shall prescribe.
- (30 Del. C. 1953, § 1152; 57 Del. Laws, c. 737, § 1; 58 Del. Laws, c. 257, § 5; 69 Del. Laws, c. 443, § 2.)

§ 1153. Credit for tax withheld.

Wages upon which tax is required to be withheld shall be taxable under this chapter as if no withholding were required, but any amount of tax actually deducted and withheld under this chapter in any calendar year shall be deemed to have been paid to the State Tax Department on behalf of the person from whom withheld and such person shall be credited with having paid that amount of tax for the taxable year beginning in such calendar year.

(30 Del. C. 1953, § 1153; 57 Del. Laws, c. 737, § 1.)

§ 1154. Information returns and payment of tax withheld.

(a) Every employer required to deduct and withhold tax under this chapter shall file a withholding return as prescribed by the Division of Revenue and pay over such tax to the Division of Revenue, or to a depository designated by the Division of Revenue, at a frequency to be determined as follows:

- (1) An employer whose aggregate amount of taxes required by this subchapter to be deducted and withheld during the lookback period did not exceed the applicable threshold of \$4,500 shall be a quarterly filer;
- (2) An employer whose aggregate amount of taxes required by this subchapter to be deducted and withheld during the lookback period exceeded the applicable threshold of \$4,500 but did not exceed the applicable threshold of \$25,000 or which had no employees within Delaware during the lookback period shall be a monthly filer; and
- (3) An employer whose aggregate amount of taxes required by this subchapter to be deducted and withheld during the lookback period exceeded the applicable threshold of \$25,000 shall be an eighth-monthly filer.

The levels of the applicable thresholds in this subsection are subject to annual adjustment as more fully set forth in § 515 of this title.

(b) The Division of Revenue may modify the filing frequency defined in paragraphs (a)(1)-(3) of this section for any taxpayer, in response to a request from the taxpayer, upon a showing by the taxpayer that they would suffer a hardship if required to comply with the statutory filing frequency.

(c) A quarterly filer shall file a return and pay over taxes required to be deducted and withheld under this chapter not later than the last day of the month following the close of each calendar quarter.

(d) A monthly filer shall, for each month, file a return and pay over taxes required to be deducted and withheld during such month on or before the fifteenth day of the month following the end of such month.

(e) An eighth-monthly filer shall file a return and pay over taxes required to be deducted and withheld under this chapter not later than 3 working days following the end of any deposit or return period during which an employer made any payment subject to a requirement to withhold tax under this chapter. For purposes of this subsection, each month shall be divided into 8 deposit or return periods. These deposit or return periods end on the third, seventh, eleventh, fifteenth, nineteenth, twenty-second, twenty-fifth and last day of every month.

(f) For purposes of this subchapter, the term "lookback period" shall refer to the 12-month period between July 1 and June 30 immediately preceding the calendar year for which the filing frequency is determined by reference to the lookback period.

(g) Any employer required under the provisions of § 6302 (or successor provision) of the Internal Revenue Code [26 U.S.C. § 6302] to deposit federal employment taxes by electronic funds transfer shall be required to deposit taxes withheld under this subchapter by electronic funds transfer, except that, for purposes of this subsection, 1 year shall be added to the "applicable effective date" on which deposit by electronic funds transfer is required of a particular employer under regulations promulgated pursuant to the provisions of § 6302 (or successor provision) of the Internal Revenue Code [26 U.S.C. § 6302]. The Director of Revenue shall prescribe such regulations as may be necessary for the development and implementation of an electronic funds transfer system which is required to be used for the collection of taxes withheld under this chapter. Such system shall be designed in such manner as may be necessary to ensure that such taxes will be credited to an account maintained by the State Treasurer on the date on which the return and taxes would otherwise have been required to be filed under this subchapter.

(h) Any employer that demonstrates it filed and paid over withholding taxes under this chapter on or before the date on which it was required to deposit federal employment taxes shall be deemed to have established reasonable cause for late filing and payment of withheld taxes for purposes of Chapter 5 of this title.

(i) *Information returns.* — Any person:

- (1) Required to withhold, account for, and pay over taxes under this chapter for which federal information return form W-2 is

required;

(2) Making any payment of salary, fee, commission or other compensation for services to any Delaware resident individual or to any individual nonresident for work done or services performed or rendered within Delaware for which federal information returns form 1099 MISC or successor form is required;

(3) Otherwise withholding Delaware taxes from payment of any wage, pension, distribution or other remuneration; or

(4) Making any payment of any other remuneration to any Delaware resident individual for which any other federal information return is required,

shall also file with the Division of Revenue information returns with respect to each such individual to whom such federal forms are required to be issued. If a person is required to make and return such information reports to the Internal Revenue Service on magnetic media or in other machine-readable form under Internal Revenue Code § 6011 (26 U.S.C. § 6011) and regulations thereunder or successor provision, then the information returns required to be made under this section shall, unless excepted by the Director, also be made on magnetic media or in other machine-readable form. All returns required to be filed under this section shall be filed with the Division of Revenue on or before the date on which such returns are required to be filed with the Internal Revenue Service.

§ 1155. Employer's liability for withheld taxes.

Every employer required to deduct and withhold tax under this chapter is made liable for such tax. For purposes of assessment and collection, any amount required to be withheld and paid over to the State Tax Department, and any additions to tax, penalties and interest with respect thereto, shall be considered the tax of the employer. Any amount of tax actually deducted and withheld under this chapter shall be held to be a special fund in trust for the State Tax Department. No employee shall have any right of action against an employer in respect to any money deducted and withheld from wages and paid over to the State Tax Commissioner in compliance, or in intended compliance, with this chapter.

(30 Del. C. 1953, § 1155; 57 Del. Laws, c. 737, § 1; 70 Del. Laws, c. 186, § 1.)

§ 1156. Employer's failure to withhold.

If an employer fails to deduct and withhold tax as required, and thereafter the tax against which such tax may be credited is paid, the tax so required to be deducted and withheld shall not be collected from the employer, but the employer shall not be relieved from liability for any additions to tax, penalties or interest otherwise applicable in respect to such failure to deduct and withhold.

(30 Del. C. 1953, § 1156; 57 Del. Laws, c. 737, § 1.)

(1) An employer that transmits reports magnetically or electronically shall so notify the State Directory by 2 monthly transmissions (if necessary) not less than 12 days nor more than 16 days apart; and

(b) Such report shall include the name, address and social security number of the newly hired employee, the date services for remuneration were first performed by the employee, and the name and address of, and identifying number assigned under § 6109 of the Internal Revenue Code of 1986 (26 U.S.C. § 6109) to, the employer.

(c) Each report shall be made on a W-4 form or, at the option of the employer, an equivalent form, and may be transmitted to the State Directory of New Hires by first-class mail, magnetically, or electronically.

(d) An employer who fails or refuses to report the hiring of a new employee as required by this section shall be punished by a fine of \$25 for each such failure or refusal. An employer or employee who conspires not to report the hiring of an employee as required by this section, or to supply a false or incomplete report as required by this section, shall be punished by a fine of \$500 for each offense. A fine under this section may not be suspended. If the employer is a corporation, criminal liability shall be established pursuant to §§ 281-284 of Title 11. Family Court shall have jurisdiction over violations of this section.

(e) For purposes of this section, the following terms shall have the following meanings:

(1) "Business day" means a day on which state offices are open for regular business.

(2) "Employee" means an individual who is an employee within the meaning of Chapter 24 of the Internal Revenue Code of 1986 (26 U.S.C. § 3401 et seq.), and does not include an employee of a federal or state agency performing intelligence or counterintelligence functions, if the head of such agency has determined that reporting pursuant to the federal law with respect to the employee could endanger the safety of the employee or compromise an ongoing investigation or intelligence mission.

(3) “Employer” has the meaning given such term in § 3401(d) of the Internal Revenue Code of 1986 (26 U.S.C. § 3401(d)), and includes any entity and any labor organization. The term “labor organization” has the meaning given such term in § 2(5) of the National Labor Relations Act (29 U.S.C. § 152(5)), and includes any entity (also known as a “hiring hall”) which is used by the organization and an employer to carry out requirements described in § 8(f)(3) (29 U.S.C. § 158(f)(3)) of such act of an agreement between the organization and the employer.

(b) Any payment of tax under subsection (a) of this section by a corporation shall be considered to have been distributed or advanced by such corporation to the nonresident individual on whose behalf such tax was paid on the date such payment was made by such corporation. Such nonresident shall be credited for purposes of §§ 1169 and 1170 of this title with having made a declaration and payment of estimated tax on the date such payment under subsection (a) of this section was made by such corporation, but such deemed payment of estimated tax shall be taken into account for the taxable year of such nonresident in which such nonresident is required to include in taxable income the distributive share of the income of such corporation for which such payment under subsection (a) of this section was made.

(c) If an S corporation fails to pay any tax required to be paid by such corporation under subsection (a) of this section, such corporation shall be liable for any penalties, interest and additions to tax applicable to such failure in the same manner as if such tax were required to be paid by the corporation on its own behalf. Notwithstanding any other provision of this title, a nonresident individual who is a shareholder of an S corporation shall not be liable for any penalties, interest or additions to tax as a result of such nonresident’s failure to make any payment of estimated tax otherwise required by § 1170 of this title with respect to such nonresident’s distributive share of such corporation’s income.

(2) An alternative form prepared by the Director to calculate income tax at the highest marginal rate under § 1102 or § 1902 of this title, applied to the nonresident member’s distributive share of the difference between the total amount realized by the transferor and the net balance due at the time of settlement of all recorded liens encumbering the real estate.

(3) An alternative form prepared by the Director to declare under penalties of perjury that the sale or exchange of real estate is exempt from recognition of capital gain with respect to the tax year of the sale or exchange, with a statement of the facts and a citation to the provision or provisions of the Internal Revenue Code (Title 26, U.S.C.) relied upon.

- (2) Prohibit the Director from collecting any taxes due from a transferor in any other manner authorized by law.

(c) *Exemption.* — (1) The Director will create an application process through which a nonresident pass-through entity involved in the sale or exchange of an average of 5 or more residential homes or residential lots in Delaware per quarter can apply for an exemption from the requirements of subsection (d) of this section.

(2) Subject to paragraph (c)(3) of this section, if an exemption is granted in accordance with paragraph (c)(1) of this section, such nonresident pass-through entity will be exempt from the requirements of subsection (d) of this section and will not be required to remit any tax due with the deed to the Recorder before the deed shall be recorded.

(3) If an exemption is granted in accordance with paragraph (c)(1) of this section and the Director subsequently determines that such nonresident pass-through entity or any member of such nonresident pass-through entity has failed to comply with its tax filing and payment obligations, the Director may revoke the exemption granted to such nonresident pass-through entity in accordance with paragraph (c)(1) of this section by providing written notice of such revocation to such nonresident pass-through entity.

(4) Within 60 days after the date of the mailing of a notice of revocation under paragraph (c)(3) of this section, the nonresident pass-through entity may file with the Director a written protest challenging the proposed revocation, in which the nonresident pass-through entity shall set forth the grounds upon which the protest is based. § 1621. Taxation of pass-through entities; in general.

(a) *Income tax.* — A pass-through entity as such shall not be subject to the income tax imposed by Chapter 11 or Chapter 19 of this title. Members of a pass-through entity shall be liable for the tax imposed by Chapter 11 or Chapter 19 of this title only in their separate or individual capacities.

(b) *Incidence of business license and excise taxes.* — The incidence of the taxes imposed by Parts III through VI of this title and by Title 4 with respect to the activities of a pass-through entity engaged in business in this State shall fall upon the pass-through entity and not its members.

(72 Del. Laws, c. 467, § 1.)

§ 1622. Character of items.

Each item of the income, gain, loss or deduction of a pass-through entity shall have the same character for a member of such pass-through entity under this title as it has for federal income tax purposes. Where federal income tax rules and principles are not determinative of the character or of the source of an item of income, gain, loss or deduction for purposes of this title, such item shall have the same character or source for a member of the pass-through entity as if the item were realized directly by such member from the source from which realized by the pass-through entity or incurred in the same manner as incurred by the pass-through entity. A member's distributive share of any item of the income, gain, loss or deduction of a pass-through entity shall, solely for purposes of the immediately preceding sentence, be determined by application of the principles of § 704(b) of the Internal Revenue Code [26 U.S.C. § 704(b)], including, without limitation, the principles for determining whether an allocation of such item among the members of such pass-through entity has substantial economic effect.

(72 Del. Laws, c. 467, § 1.)

§ 1623. Special rules for nonresident individual members and corporate members of pass-through entities.

(a) *Nonresident individual members of pass-through entities.* — In determining the tax liability under Chapter 11 of this title of a nonresident individual member of a pass-through entity, there shall be included in such member's modified Delaware source income such member's distributive share of the items of income, gain, loss and deduction of such pass-through entity entering into such member's federal adjusted gross income, as modified by § 1106 of this title, as is derived from sources within this State as determined by the application of § 1124 of this title to such member in the same manner as if such items had been realized directly by such member.

(b) *Nonresident individual members' modifications.* — Any modification described in subsection (a), (b) or (c) of § 1106 of this title which relates to an item of pass-through entity income, gain, loss or deduction shall be made in accordance with a nonresident individual member's distributive share, for federal income tax purposes, of the item to which the modification relates, but limited to that portion of such item as is derived from or connected with sources in this State.

(c) *Corporate members of pass-through entities.* — A corporation that is a member of a pass-through entity doing business or having real or tangible personal property in this State shall be subject to the provisions of Chapter 19 of this title; provided, however, that this subsection shall not be interpreted as precluding a corporation that is a member of a pass-through entity from qualifying for exemption from taxation under Chapter 19 pursuant to § 1902(b)(8) of this title.

(d) *Allocation and apportionment of income.* — In determining the tax liability under Chapter 19 of this title of a corporation that is a member of a pass-through entity doing business or having real or tangible personal property in this State:

Such corporation's federal taxable income shall be increased or decreased, as the case may be, by its distributive share of such pass-through entity's items, if any, described in § 1903(a) of this title;

Such corporation's distributive share of any item of such pass-through entity that is described in any of § 1903(b)(1) through (5) of this title shall be included in the entire net income of such corporation only if such item is properly allocable to this State under such § 1903(b) of this title; and

In applying § 1903(b)(6) of this title to such corporation,

(1) The entire business of such corporation shall not be treated as having been transacted or conducted within this State if any part of the business of such pass-through entity was transacted or conducted outside this State, and

(2) The 3 ratios described in such § 1903(b)(6) of this title of such corporation shall be determined by including in each such ratio such corporation's distributive share of each relevant item of such pass-through entity.

In applying § 1903(b)(7) of this title to such corporation, the ratio described in such § 1903(b)(7) of this title of such corporation shall be determined by including in such ratio the corporation's distributive share of each relevant item of such pass-through entity.

(72 Del. Laws, c. 467, § 1; 76 Del. Laws, c. 234, § 3.)

§ 1624. Special rules for certain tax credits of pass-through entities.

(a) *In general.* — The credits allowed by Chapters 18 and 20 of this title against the taxes imposed by Chapters 11 and 19 of this title on account of activities and investments of a pass-through entity shall be passed through to its members in proportion to their respective distributive shares of such entity's taxable income on the last day of such entity's taxable year.

(b) *Qualifications for credits.* — The qualification of a pass-through entity for any credit allowed by Chapter 18 or Chapter 20 of this title shall be determined by treating such entity as the taxpayer for purposes of Chapter 18 or Chapter 20, as the case may be.

(c) *Limitations on credits.* — In the case of any credit allowed to a pass-through entity by Chapter 18 or Chapter 20 of this title, the limitations imposed by Chapter 18 or Chapter 20, as the case may be, shall be applied:

(1) At the level of the pass-through entity in the case of a limitation based on:

- a. The value of property contributed or money invested,
- b. The total allowable credit per taxpayer per year, or
- c. The number of persons employed; and

(2) At the level of each member of the pass-through entity in the case of a limitation on the total amount of tax against which such credit may be applied.

(d) *Multiple pass-through entities.* — Whenever 2 or more pass-through entities together undertake any qualified activity at the same qualified facility as those terms are used in subchapter II or subchapter III of Chapter 20 of this title, and such combination of pass-through entities is not itself a pass-through entity under this chapter, the qualified employees, qualified investment and number of Delaware resident employees of such pass-through entities shall be aggregated to determine eligibility for, and computation of, credits or reductions of tax under those subchapters. Participation of the pass-through entities in the aggregate credits shall be determined by the share of each pass-through entity based upon the following:

(1) In the case of credits calculated with respect to an increase in qualified employees, upon the ratio of new qualified employees in such pass-through entity to all new qualified employees in all the pass-through entities comprising the aggregate, such ratio not to exceed 1 or be less than zero; and

(2) In the case of credits calculated with respect to the amount of a qualified investment, upon the ratio of qualified investment in such pass-through entity to all qualified investment in all the pass-through entities comprising the aggregate. In order to claim credits resulting from such aggregation under this subsection, the entities must first file a “Request for Aggregation” with the Director and obtain the Director’s approval to aggregate. The Request shall identify the entities to be aggregated, the qualified activity to be engaged in, the location of the qualified facility, the amount of qualified investment, the number of qualified employees, the proposed participation of each pass-through entity in credits determined under this subsection, and other information required by the Director to determine the aggregated entity and its eligibility for credits.

(72 Del. Laws, c. 467, § 1; 74 Del. Laws, c. 138, § 2.)

(a) *Allowance of deduction.* — A resident estate or resident trust shall be allowed a deduction against the taxable income otherwise computed under Chapter 11 of this title for any taxable year for the amount of its federal taxable income, as modified by § 1106 of this title which is, under the terms of the governing instrument, set aside for future distribution to nonresident beneficiaries.

(b) *Rules of application.* — The following rules shall apply in determining whether or to what extent income is set aside for future distribution to nonresident individual beneficiaries:

(1) If all or part of the federal taxable income of the estate or trust, as modified by § 1106 of this title, is distributable in future taxable years (whether or not added in the meantime to estate or trust corpus for estate or trust accounting purposes), to or for the benefit of a named individual beneficiary or beneficiaries, or a class of individual beneficiaries, and if on the last day of the taxable year of the estate or trust, 1 or more of such named individual beneficiaries, or 1 or more members of the first-named class of individual beneficiaries, is living, then the portion of the federal taxable income of the estate or trust, as modified by § 1106 of this title, considered set aside for future distribution to nonresident beneficiaries shall be computed:

a. In the case of a named individual beneficiary or beneficiaries, by first determining the share or shares of each such beneficiary as if the estate or trust had terminated on the last day of the taxable year and then determining the portion of such income realized by the estate or trust during the taxable year while the beneficiary was a nonresident of this State; and

b. In the case of the first-named class of beneficiaries, by first determining who the members of the class would be and the share of each such member if the estate or trust had terminated on the last day of the taxable year and then determining the portion of such income of each such share realized by the estate or trust while such member was a nonresident of this State.

(2) If all or part of the federal taxable income of the estate or trust, as modified by § 1106 of this title, is distributable in future taxable years (whether or not added in the meantime to estate or trust corpus for estate or trust accounting purposes) to or for the benefit of a named individual beneficiary or a class of individual beneficiaries, and if on the last day of the taxable year of the estate or trust no named individual beneficiary or none of the members of the first-named class of individual beneficiaries is then living, then the portion of the federal taxable income of the estate or trust, as modified by § 1106 of this title, considered as set aside for future distribution to nonresident beneficiaries, shall be determined in the manner provided in paragraph (b)(1) section, except that it will be presumed:

a. In the case of a named individual beneficiary or beneficiaries, that each such beneficiary was living and residing in the state where the putative parents resided during the taxable year; and

b. In the case of the first-named class of beneficiaries, that members of the class were living and residing with the person the relationship to whom determines or defines the membership in the class.

(3) For purposes of determining under paragraphs (b)(1) and (2) of this section the share of each beneficiary of an estate or trust in the federal taxable income, as modified by § 1106 of this title, the discretion in any person over the distribution of such income (whether or not acting in a fiduciary capacity and whether or not subject to a standard) shall be presumed not to have been exercised unless such discretion was irrevocably exercised as of the last day of the taxable year and all of the federal taxable income of an electing small business trust described in § 1635(b) of this title, attributable to the trust's ownership of S corporation stock, shall be treated as having been set aside for distribution in future taxable years.

(4) For purposes of determining under paragraphs (b)(1) and (2) of this section when federal taxable income, as modified by § 1106 of this title, was realized, the following rules shall apply:

- a. Interest income shall be considered realized when payable;

(5) The Director is authorized to establish more detailed rules to apply paragraphs (b)(1) through (4) of this section in any manner not inconsistent with the provisions of such paragraphs.

(b) *Limitation on credit.* — The credit under this section shall not reduce the tax otherwise due from the beneficiary to an amount less than would have been due if the accumulation distribution, or the beneficiary's part thereof, were excluded from the beneficiary's taxable income, as modified by § 1106 of this title.

(c) *Transition rule.* — The credit under this section shall apply to accumulation distributions defined by § 665 of the Internal Revenue Code [26 U.S.C. § 665] in effect for the applicable taxable period.

(a) *General rules.* — For purposes of Chapter 11 of this title, in the case of a nonresident estate or nonresident trust:

- (1) Items of income, gain, loss and deduction mean those derived from, or connected with, sources in this State.
- (2) Items of income, gain, loss and deduction entering into the definition of federal distributable net income include such items from another estate or trust of which the first estate or trust is a beneficiary.
- (3) The source of items of income, gain, loss or deduction shall be determined under rules or regulations prescribed by the Director in accordance with the rules of § 1124 of this title, as if the estate or trust were a nonresident individual.

(b) *Determination of taxable income.* — For purposes of Chapter 11 of this title, the taxable income of a nonresident estate or nonresident trust consists of:

- (1) Its share of items of income, gain, loss and deduction which enter into the federal definition of distributable net income;

(1) To the amount of items of income, gain, loss and deduction which enter into the definition of distributable net income, there shall be added or subtracted, as the case may be, the modifications described in § 1106 of this title to the extent they relate to items of income, gain, loss and deduction which also enter into the definition of distributable net income. No modification shall be made under this section which has the effect of duplicating an item already reflected in the definition of distributable net income.

(2) The amount determined under paragraph (1) of this section shall be allocated among the estate or trust and its beneficiaries (including, solely for the purposes of this allocation, resident beneficiaries) in proportion to their respective shares of federal distributable net income. The amounts so allocated shall have the same character as for federal income tax purposes. Where an item entering into the computation of such amounts is not characterized for federal income tax purposes, it shall have the same character as if realized directly from the source from which realized by the estate or trust or incurred in the same manner as if incurred by the estate or trust.

(3) If the estate or trust has no federal distributable net income for the taxable year, the share of each beneficiary in the net amount determined under paragraph (1) of this section shall be in proportion to such beneficiary's share of the estate or trust income distributed in such year. Any balance of such net amount shall be allocated to the estate or trust.

§ 1702. Election to invoke chapter.

Where this State and 1 or more other states each claims that it was the domicile of a decedent at the time of death and where no judicial determination of domicile for death tax purposes has been made in any of such states, any executor or the taxing official of any such state may elect to invoke this chapter. Such election shall be evidenced by the sending of a notice by registered mail, receipt requested, to the taxing officials of each such state and to each executor, ancillary administrator and interested person. Any executor may reject such election by sending a notice by registered mail, receipt requested, to the taxing officials involved and to all other executors within 40 days after the receipt of such notice of election. If such election is rejected, no further proceedings shall be had under this chapter. If an agreement cannot be reached and the arbitration proceeding specified in § 1704 of this title is commenced and thereafter an agreement is arrived at, a written agreement may be entered into at any time before the arbitration proceeding is concluded. Upon the filing of such agreement or duplicate thereof with the authority which would have jurisdiction to assess the death tax of this State if the decedent died domiciled in this State, an assessment of the amount of tax agreed upon shall be made, and such assessment shall finally and conclusively fix and determine the amount of death tax due this State.

(43 Del. Laws, c. 5, § 3; 30 Del. C. 1953, § 1703; 57 Del. Laws, c. 741, §§ 7A, 7B.)

§ 1704. Arbitration of domicile of decedent.

If it shall appear that an agreement cannot be reached as provided in § 1703 of this title, or if 1 year shall have elapsed from the date of the election, the domicile of the decedent at the time of death solely for death tax purposes shall be determined as follows:

(1) Where only this State and 1 other state are involved, the Secretary of Finance and the taxing official of such other state shall each appoint a member of a board of arbitration, and the members so appointed shall select the third member of the board. If this State and more than 1 other state are involved, the taxing officials thereof shall agree upon the authorities charged with the duty of administering death tax laws in 3 states not involved, each of which shall appoint a member of the board. The members of the board shall elect a chairperson.

(2) Such board shall hold hearings at such places as are deemed necessary, upon reasonable notice to the executors, ancillary administrators, all interested persons and the taxing officials of the states involved, all of whom shall be entitled to be heard.

(3) Such board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of books, papers and documents and issue commissions to take testimony. Subpoenas may be issued by any member of the board. Failure to obey a subpoena may be punished by a judge or justice of any court of record in the same manner as if the subpoena

had been issued by such judge or justice or by the court in which such judge or justice functions.

(4) Such board shall apply, whenever practicable, the rules of evidence which prevail in federal courts under the Federal Rules of Civil Procedure at the time of the hearing.

(5) Such board shall, by majority vote, determine the domicile of the decedent at the time of death. Such determination shall be final and conclusive and shall bind this State and all of its judicial and administrative officials on all questions concerning the domicile of the decedent for death tax purposes.

(6) The reasonable compensation and expenses of the members of the board and employees thereof shall be agreed upon among such members, the taxing officials of the states involved and the executors. In the event an agreement cannot be reached, such compensation and expenses shall be determined by such taxing officials and, if they cannot agree, by the appropriate probate court of the state determined to be the domicile. Such amount shall be borne by the estate and shall be deemed an administration expense.

(7) The determination of such board and the record of its proceeding shall be filed with the authority having jurisdiction to assess the death tax in the state determined to be the domicile of the decedent and with the authorities which would have had jurisdiction to assess the death tax in each of the other states involved if the decedent had been found to be domiciled therein.

§ 1705. Penalty and interest for nonpayment of tax.

In any case where it is determined by the board of arbitration that the decedent died domiciled in this State, penalties and interest for nonpayment of the tax, between the date of the election and the final determination of the board, shall not exceed 1% per month, or fraction thereof.

(43 Del. Laws, c. 5, § 5; 30 Del. C. 1953, § 1705; 57 Del. Laws, c. 707, § 6.)

This chapter shall apply only to cases in which each of the states involved has a law substantially similar to this chapter.

Chapter 18
LAND AND HISTORIC RESOURCE TAX CREDIT
Subchapter I
Land Donated for Conservation or Preservation

§ 1801. Short title.

This subchapter shall be known as the “Delaware Land and Historic Resources Protection Incentives Act of 1999.”
(72 Del. Laws, c. 254, § 1; 73 Del. Laws, c. 6, § 1.)

§ 1802. Findings and purpose.

(a) The General Assembly finds:

- (1) That the State of Delaware’s unique natural resources, wildlife habitats, historic resources and resources of outdoor recreation are a significant benefit to the State and the public;
- (2) That the State of Delaware’s unique natural resources and distinctive natural heritage, including habitat for plants, animals and natural communities and historic resources, are being lost at an alarming rate; and
- (3) That much of the State’s unique natural resources and habitats and historic resources are found on lands that are privately owned.

(b) The General Assembly desires:

- (1) To encourage private landowners to be stewards of lands that are important habitats or designated natural areas, or that contain significant historic resources;
 - (2) To complement existing land conservation acquisition programs under the Delaware Land Protection Act, as set forth in Chapter 75 of Title 7, and historic preservation programs, and not duplicate them and thereby preserve public financial resources and leverage public expenditures; and
 - (3) To provide private landowners with incentives to encourage protection of private lands for open space, natural resources, biodiversity conservation, outdoor recreation and historic preservation purposes.
- (72 Del. Laws, c. 254, § 1.)

§ 1803. Definitions.

The following definitions shall apply to this subchapter:

- (1) “Delaware Heritage program” means the program within the Department of Natural Resources and Environmental Control, Division of Fish and Wildlife, that is responsible for inventory, research, data collection, information management and consultation about Delaware’s unique or rare plant and animal species and natural communities and for the maintenance of computerized and manual records of the status and trends of such species and natural communities and habitat location information.
- (2) “Department” means the Department of Natural Resources and Environmental Control.
- (3) “Historic resources” means those structures, improvements, sites or lands that are listed as significant in or eligible for listing in the National Register of Historic Places, either as individual listings or as contribution elements in listed or eligible historic districts.
- (4) “Interest in real property” means any perpetual right in real property, or improvements thereto, or water, including but not limited to a fee simple, easement, partial interest, mineral right, remainder, future interest, or other interest or right concerning the use of property.

- (6) “Natural habitat” means those land areas in Delaware that are or may be documented as areas of ecological importance and significance for the protection of unique or rare plants, animals and natural communities. Such areas are or may be comprised of lands that due to their physical or biological features, provide important elements for the protection, maintenance and survival of plants, animals and/or natural communities such as, for example, food, shelter, or living space, and may include, without limitation, breeding, feeding, resting, migratory and overwintering areas. Physical and biological features include, but are not limited to: structure and composition of the vegetation; faunal community; soils; water chemistry and quality; and geologic, hydrologic and microclimatic factors and other ecological processes.
- (7) “Open space” means any open lands characterized by (i) natural and/or scenic beauty, or (ii) whose existing openness, natural condition or present state of use, if retained, would maintain important outdoor recreational areas and wildlife habitat, or would maintain or enhance the conservation of Delaware’s natural, historic, or scenic resources.

(8) “Public or private conservation agency” means any Delaware governmental body or any private not-for-profit charitable corporation or trust authorized to do business in the State and organized and operated for natural resources, land conservation or historic preservation purposes, and having tax-exempt status as a public charity under the U.S. Internal Revenue Code of 1986, as amended, and having the power to acquire, hold and maintain land and/or interests in land for such purposes.

(72 Del. Laws, 1st Sp. Sess., c. 254,, § 1; 73 Del. Laws, c. 6, § 1.)

§ 1804. Tax credit available; land conveyed for conservation and preservation purposes.

(a) There shall be allowed as a credit against the tax imposed by Chapters 11 and 19 of this title, an amount equal to 40% of the fair market value of any land or interest in land located in Delaware that is conveyed for the purpose of open space, natural resource and/or biodiversity conservation or historic preservation as an unconditional donation in perpetuity by the landowner/taxpayer to a public or private conservation agency eligible to hold such land and interests therein for conservation or preservation purposes. The fair market value of qualified donations made under this chapter shall be substantiated by a “qualified appraisal” prepared by a “qualified appraiser,” as those terms are defined under applicable federal law and regulations governing charitable contributions.

(b) The amount of the credit that may be claimed by a taxpayer shall not exceed \$50,000. In addition, in any 1 tax year the credit used may not exceed the amount of individual or corporate income tax otherwise due. Any portion of the credit that is unused in any 1 tax year may be carried over for a maximum of 5 consecutive tax years following the tax year in which the credit originated, subject to the limitations provided herein, until fully expended.

(c) Qualified donations shall include the conveyance in perpetuity of a fee interest in real property or a less-than-fee interest in real property, such as a conservation easement, pursuant to Chapter 69 of Title 7. Dedications of land for open space for the purpose of fulfilling density requirements to obtain subdivision or building permits shall not be considered as qualified donations under this chapter.

(d) Qualified donations shall be eligible for the tax credit herein described if such donations are made to the State, an instrumentality thereof or a charitable organization described in § 501(c) of the U.S. Internal Revenue Code of 1986 [26 U.S.C. § 501] and meet the requirements of 26 U.S.C. § 170(h)(3)(A) or (B).

(e) To be eligible for treatment as qualified donations under this section, land or interests in lands must meet the requirements for land protection of the Delaware Land Protection Act as set forth in § 7503 of Title 7; or consist of lands that are natural habitat for the protection of Delaware’s unique and rare biological and natural features as determined by the Department, relying on information supplied and maintained by the Delaware Natural Heritage Program; or meet the requirements for Delaware’s important historic resources as determined by the Delaware Department of State, Division of Historical and Cultural Affairs. The use and protection of such lands or interests therein for open space, natural area protection, biodiversity habitat conservation, historic preservation or similar use and purpose shall be assured in perpetuity.

(f) Any qualified donation made in a tax year for which the tax credit herein described is claimed by a taxpayer shall not also be eligible for treatment in the same tax year as a charitable contribution for state income tax deduction purposes in calculating Delaware income tax liability.

(72 Del. Laws, c. 254, § 1.)

§ 1805. Administration.

(a) The Department, in consultation with the Department of State, Division of Historical and Cultural Affairs, shall promulgate such rules and regulations as may be deemed necessary to certify eligible projects for treatment in fulfillment of the purposes of this subchapter by February 5, 2000. The Department and the Division of Historical and Cultural Affairs, in cooperation with the Open Space Council, upon each 5-year anniversary of the enactment of this subchapter or of any renewals thereof, shall prepare a report to the General Assembly showing the lands protected during such period pursuant to this subchapter.

(b) The Division of Revenue of the Department of Finance for the State of Delaware, in consultation with the Department, shall promulgate such rules and regulations by February 5, 2000, as may be necessary to administer the tax incentives provided for in this subchapter and shall coordinate with the agencies referenced in subsection (a) of this section in the preparation of the report or reports to the General Assembly showing the fiscal impact on the Delaware Treasury of the credits claimed pursuant to this subchapter.

(72 Del. Laws, c. 254, § 1; 73 Del. Laws, c. 6, § 1.)

§ 1806. Applicability, fiscal limitation and renewal.

(a) The tax credits provided by this subchapter shall apply to transfers of land or interests therein in taxable years beginning on or after January 1, 2000.

(b) Any taxpayer claiming a tax credit under this subchapter may not claim a credit under any similar Delaware law for costs related to the same project. A taxpayer may not claim a tax credit under this subchapter for lands or interests in land a portion of which constitutes the taxpayer’s entire holdings and where the taxpayer has sold or has contracted to sell to the State the balance of such lands or interests in land for open space, biodiversity, land conservation or historic preservation purposes.

(c) Any tax credits which arise under this subchapter from the donation of land or an interest in land made by a pass-through tax entity such as a trust, estate, partnership, limited liability corporation or partnership, limited partnership, Subchapter S corporation or other fiduciary shall be used either by such entity, in the event it is the taxpayer, on behalf of such entity, or by the member, manager, partner, shareholder and/or beneficiary, as the case may be, in proportion to their interest in such entity in the event that income, deductions and tax

liability passes through such entity to such member, manager, partner, shareholder and/or beneficiary. Such tax credits may not be claimed by both the entity and the member, manager, partner, shareholder and/or beneficiary for the same donation.

(d) The total amount of tax credits to be made available under this subchapter shall not exceed \$10,000,000. The aggregate amount of such tax credits available in any 1 tax year shall not exceed \$1,000,000 and shall be allocated to taxpayers for eligible projects in accordance with the rules and regulations to be established as set forth in § 1805 of this title.

(e) [Repealed.]

(72 Del. Laws, c. 254, § 1; 73 Del. Laws, c. 6, § 1; 77 Del. Laws, c. 135, §§ 1-3.)

§ 1807. Construction.

No part or segment of this subchapter shall be interpreted to in any way alter or amend any permit requirements, reporting requirements, allocation procedures or other requirements set forth in any other provision of state law.

(72 Del. Laws, c. 254, § 1; 73 Del. Laws, c. 6, § 1.)

Subchapter II

Historic Preservation And Repair

§ 1811. Statement of purpose; short title.

(a) The General Assembly finds and declares that many properties and structures associated with Delaware's history, and in some cases the history of this nation, have been steadily disappearing over the past 50 years, or longer. Once gone, they are gone forever, and can never be replaced. Each year, it seems, there are less and less. The General Assembly firmly believes that the private sector is uniquely able to be a major factor in the preservation of many of Delaware's historic structures. The General Assembly finds that historic preservation tax credits have proven to be economic drivers that result in significant job creation and growth while successfully preserving historic buildings across the state.

(b) This subchapter shall be known as the "Historic Preservation Tax Credit Act."

(73 Del. Laws, c. 6, § 3; 77 Del. Laws, c. 413, § 1.)

§ 1812. Definitions.

The following words, terms and phrases, when used in this subchapter, shall have the meanings ascribed to them herein, except where the context clearly indicates a different meaning (singular includes plural):

(1) "Certification of Completion," "Completion Certificate" or "Certificate" shall mean the certificate issued by the Delaware State Historic Preservation Officer attesting that certified rehabilitation or, if applicable, phase thereof has been completed and that the documentation of qualified expenditures and project plans that would be required in order to qualify for tax credit under § 47 of the Internal Revenue Code (26 U.S.C. § 47) (whether or not such project would be eligible for such federal tax credit) has been obtained.

(2) "Certified historic property" shall mean property located within the State that is:

Such property may consist of part of a multiple-dwelling or multiple-purpose building or series of buildings, including a cooperative or condominium. If only a portion of a building is used as the principal residence, only those qualified expenditures that are properly allocable to such portion shall be eligible under this subchapter.

(11) “Person” shall include any individual; any form of company or corporation which is lawful within the State (including limited liability companies and S corporations), whether or not for profit; any form of partnership which is lawful within the State (including limited liability partnerships); whether or not for profit; any trust or estate; and any lawful joint venture. “Person” shall also include any governmental entity, pass-through entity or person under a lease contract for 5 years or longer.

- c. Paving or landscaping costs which exceed 10 percent of the total qualified expenditures;

(15) “Resident curator” shall mean a person who has entered into a contractual agreement with the owner of a qualified property in which the person agrees to pay for full restoration of the owner’s qualifying property in exchange for a life tenancy in the property without remunerative compensation to the owner for the life tenancy.

(16) “Residential property” shall include cooperatives and condominiums.

(17) “Substantial rehabilitation” shall mean rehabilitation of a certified historic property for which the qualified expenditures, during the 24-month period or 60-month period, as applicable, selected by the taxpayer and ending with or within the taxable year exceed:

- a. For income-producing property and non-income producing property other than owner-occupied historic property, the current standard required by § 47(c)(1)(C) of the Internal Revenue Code [26 U.S.C. § 47(c)(1)(C)]; and

§ 1813. Preservation and repair of historic structures; tax credits; sunset.

(a) Any person incurring qualified expenditures pursuant to this subchapter in the substantial rehabilitation of any certified historic property shall be entitled to a credit against bank franchise or income taxes imposed under Title 5, or under Chapter 11 or Chapter 19 of this title, respectively, subject to limitations set forth in this section and up to a maximum of:

- (1) Twenty percent of qualified expenditures made in the rehabilitation of any certified historic property which is eligible for a federal tax credit under § 47 of the Internal Revenue Code [26 U.S.C. § 47];
- (2) Thirty percent of the qualified expenditures made in the rehabilitation of any certified historic property which is not eligible for a federal tax credit under § 47 of the Internal Revenue Code [26 U.S.C. § 47];
- (3) One hundred percent of the qualified expenditures made in the rehabilitation of a certified historic property qualifying for credit award as a resident curatorship property regardless of eligibility for a federal tax credit under § 47 of the Internal Revenue Code [26 U.S.C. § 47].

(4) In no event shall the credit claimed pursuant to this section exceed the credit award.

(b) Any person, in order to receive a Certificate of Completion from the Delaware State Historic Preservation Officer that would entitle said person to a tax credit under this section, shall submit documentation of those qualified expenditures and project plans that would be required in order to qualify for tax credit under § 47 of the Internal Revenue Code [26 U.S.C. § 47], whether or not such project would be

eligible for such federal tax credit.

(c) Any person eligible for credits under this chapter may transfer, sell or assign any or all unused credits. If a certified historic property for which a certified rehabilitation has been completed is sold or transferred, the amount of any credit not used by the time of such sale or transfer may be transferred to the person to which the structure is sold or transferred.

(d) Except as otherwise provided, if the amount of credit allowed pursuant to this subchapter exceeds that total tax liability of the taxpayer for the tax year for which the credit is claimed, the amount of the credit not used as an offset against income or franchise taxes in said tax year shall not be refunded, but may be carried forward as a credit against subsequent years' income or franchise tax liability for a period not exceeding 10 years, and shall be applied first to the earliest tax years possible.

(e) With respect to the tax credits awarded under paragraph (a)(2) of this section, no single certified rehabilitation of owner-occupied historic property may receive a tax credit in excess of \$30,000. Owner-occupied historic properties may be eligible for multiple certified rehabilitations representing separate phases of rehabilitation of a certified historic property; provided, however, that following an initial credit award, any subsequent credit award shall be made not less than 24 months after any preceding credit award. With respect to tax credits awarded for qualifying expenditures by a resident curator, no single certified rehabilitation may receive a tax credit in excess of \$5,000.

(f) Whenever any part of the certified rehabilitation of a residential property is determined under regulations promulgated by the State Office to be committed to low-income housing, subsection (a) of this section shall be applied with respect to such part by substituting "30%" for "20%" and "40%" for "30%" in said subsection.

(g) The Historic Preservation Tax Credit Act [73 Del. Laws, c. 6] is effective for an approval granted in a fiscal year that ends before June 30, 2030.

(73 Del. Laws, c. 6, § 3; 73 Del. Laws, c. 240, §§ 2, 3; 74 Del. Laws, c. 68, §§ 107(D), 107(E); 81 Del. Laws, c. 390, § 1; 83 Del. Laws, c. 154, § 2.)

§ 1814. Preservation tax credits; distribution, transfer and assignment.

(a) Any person eligible for credit under this subchapter, except a person engaged in a resident curator relationship, may transfer, sell or assign any unused credits. Any person that transfers, sells or assigns any unused portion of a tax credit shall obtain and produce to the transferee, purchaser or assignee a certificate from the Division of Revenue or the Office of the State Bank Commissioner setting forth the amount of unused credit.

(b) Credits granted to or acquired by a pass-through entity created or recognized under Delaware law, or by multiple owners of property, if not transferred, sold or assigned, may be divided among the partners, members, shareholders or owners either according to the distributive shares of income of such entity or pursuant to an executed agreement among such partners, members, shareholders or owners if such agreement documents an alternate method of distribution.

(c) Any transferee, purchaser or assignee of tax credits under this subchapter may use such acquired credits to offset state income or franchise tax liabilities imposed upon such transferee, purchaser or assignee. To claim the state tax credit, the transferee, purchaser or assignee shall attach the certificate obtained by the transferor, seller or assignor in accordance with subsection (a) of this section to the Delaware tax return against which the credit is claimed and submit such tax return to the Division of Revenue or the Office of the State Bank Commissioner with respect to income taxes in this title and Title 5 franchise taxes, respectively.

(d) If the credit allowed under this section exceeds the transferee, purchaser or assignee's tax due for the current tax year, the transferee, purchaser or assignee of the tax credit may carry forward such excess in accordance with § 1813 of this title.

(e) Credits issued to the initial assignee, or in the case of a tax-exempt assignee, to the first taxable transferee after the associated phase completion, shall be subject to revocation and repayment to the Delaware Division of Revenue or the Office of the State Bank Commissioner if, under regulations issued by the State Office, a phased rehabilitation is not completed by the agreed upon completion date demonstrates that the applicant for the credit award for the project is unable or unwilling to complete it or, in the event that the project does not meet the certification requirements previously agreed to with the State Office.

(73 Del. Laws, c. 6, § 3; 74 Del. Laws, c. 68, § 107(F); 74 Del. Laws, c. 388, § 5.)

§ 1815. Preservation tax credits; procedures and administration.

(a) The Delaware State Historic Preservation Office is hereby established within the Division of Historical and Cultural Affairs, and shall be administered by the Delaware State Historic Preservation Officer.

(b) Except where otherwise provided, the Division of Historical and Cultural Affairs may establish by regulation all requirements for implementation of the provisions of this subchapter (except tax matters), including but not limited to the following:

(1) Fees to be charged by the State Office for inspections and other expenses; and

(2) Standards for rehabilitation of historic property where those standards set forth in 36 C.F.R. part 67 are not applicable.

(c) The Division of Historical and Cultural Affairs shall have the authority to promulgate the application and forms governing participation in the certification program.

(d) The Division of Revenue and the State Bank Commissioner may establish regulations and develop all appropriate procedures and applications or other forms for the implementation of all provisions of this subchapter which are directly tax-related or related to certifying the value of the tax credits issued under this title and Title 5, respectively. The Division of Revenue shall also by January 1, 2004, establish

regulations and develop appropriate procedures specific to taxpayers who qualify as resident curators. The Division of Historical and Cultural Affairs shall have the same authority granted in section (b) of this subchapter relative to resident curators.

(e) Any person or entity seeking the historic preservation tax credit set forth in this subchapter shall apply to the Delaware State Historic Preservation Office. Each applicant shall complete the application, and all other information requested, in whole, and shall include such sketches, renderings, charts or photographs as may be requested by the State Office.

(f) The State Office shall, upon consideration of the application and such other matters as it deems appropriate, determine whether or not the property constitutes a certified historic property. If the application is for a certified historic property, the State Office shall review, approve, disapprove or suggest modifications to any proposed rehabilitation plan to insure that the rehabilitation, when completed, can be considered a certified rehabilitation. Projects requesting credits upon phase completion must present and receive approval of completion dates for all project phases, including the completion date for the entire project, from the State Office. All repairs and rehabilitation shall be consistent with those standards set forth in 36 C.F.R. § 67.7 for federal certification, and otherwise shall comply with regulations promulgated by the State Office. This approval by the State Office of the proposed rehabilitation plan shall be known as a "Stage II approval," and the amount of the qualified expenditures as determined by the State Office as part of the Stage II approval and in accordance with § 1813 of this title shall represent the "credit award."

(g) Upon completion of the rehabilitation or, if applicable, phase thereof, the person or entity shall notify the Delaware State Historic Preservation Officer. Upon determination by the Preservation Officer that the property is a certified historic property, that the rehabilitation or, if applicable, phase thereof of the certified historic property has been completed, and that the rehabilitation or, if applicable, phase thereof is in conformance with the requirements of this subchapter and the regulations of the State Office, and upon determination by the Division of Revenue or the State Bank Commissioner as to the value of the tax credit associated with the Certificate of Completion, the Delaware State Historic Preservation Officer shall certify such rehabilitation or, if applicable, phase thereof and shall issue a Certificate of Completion to the applicant.

(h) In the alternative, the Delaware State Historic Preservation Officer may certify such rehabilitation and issue a Stage II Approval to any applicant who has obtained a Part I and Part II certification from the federal government issued pursuant to 36 C.F.R. part 67, where applicable.

(i) To claim the state tax credit allowed by this subchapter the applicant, any assignee, any purchaser or any transferee of the credit shall attach the Certificate of Completion to the Delaware tax return against which the credit is claimed and submit such tax return to the Division of Revenue or to the Office of the State Bank Commissioner with respect to income taxes in this title and Title 5 franchise taxes, respectively.

(j) Credits subject to revocation and repayment under § 1814(e) of this title, such shall be treated as an unpaid tax assessment, and, in pursuing the repayment of such credits, the Division of Revenue and the Office of the State Bank Commissioner shall have at their disposal all means of collection and enforcement permitted under Titles 30 and 5, respectively.

(73 Del. Laws, c. 6, § 3; 73 Del. Laws, c. 240, §§ 4, 5; 74 Del. Laws, c. 68, § 107(G); 74 Del. Laws, c. 388, §§ 6-8.)

§ 1816. Total amount of credits permitted in each fiscal year; allocation of such credits.

(a) The maximum amount of credit awards under this chapter in any fiscal year shall not exceed \$5,000,000. One hundred thousand dollars of the credit awards in a fiscal year must be reserved for distribution to qualified resident curators. If in any fiscal year there are insufficient qualified resident curators to exhaust this allotment, the unused credit amount will be available in the next fiscal year for award to persons qualifying under § 1813(a)(1) or (2) of this title. In any 1 year, \$1,500,000 of tax credits shall be reserved for projects receiving a credit of not more than \$300,000. In addition, in any 1 year, \$1,500,000 of tax credits shall be reserved for projects located in Downtown Development Districts, of which \$500,000 shall be reserved for projects in such districts receiving a credit of not more than \$300,000. 1. An asset management corporation;
2. A telecommunications corporation; or

1. If information regarding domicile of beneficiaries, owners or members is available to the asset management corporation providing asset management services to a pension plan, retirement account or pool of intangible investments, including a fund (other than an investment company under the Investment Company Act of 1940 (15 U.S.C. § 80a-1 et seq.)), or to an institutional investor organized as a pass-through entity (as defined in § 1601(6)a. of this title) through the exercise of reasonable diligence in ascertaining such information, gross receipts with respect to such services shall be sourced to the domicile of such beneficiaries, owners or members;

2. If information regarding domicile of beneficiaries, owners or members is not available to the asset management corporation providing asset management services to a pension plan, retirement account or pool of intangible investments, including a fund (other than an investment company under the Investment Company Act of 1940 (15 U.S.C. § 80a-1 et seq.)), or to an institutional investor organized as a pass-through entity (as defined in § 1601(6)a. of this title) through the exercise of reasonable diligence in ascertaining such information, a reasonable alternative method based on information readily available to the asset management corporation may be used to determine the source of gross receipts with respect to such services, and such reasonable alternative method shall be disclosed and explained in the return in which the method is used. The burden of demonstrating the reasonableness of the method rests on the taxpayer. Based on facts and circumstances in specific cases, reasonable alternative methods used to determine the source of gross receipts from asset management services may take into account the latest population census data available from the United States Census Bureau, the domicile of the sponsor of a pension plan or retirement account or an account or pool of intangible investments (other than an investment company under the Investment Company Act of 1940 (15 U.S.C. § 80a-1 et seq.)) or the domicile of an institutional investor organized as a pass-through entity (as defined in § 1601(6)a. of this title); or,

- B. No reasonable alternative sourcing method exists under paragraph (b)(7)b.2. of this section, gross receipts with respect to

such services shall be sourced to the domicile of the institutional investor or the domicile of the sponsor of a pension plan or retirement account or an account or pool of intangible investments, including a fund (other than an investment company under the Investment Company Act of 1940 (15 U.S.C. § 80a-1 et seq.)), to which asset management services are provided.

c. In the case of asset management services provided directly or indirectly to an investment company under the Investment Company Act of 1940 (15 U.S.C. § 80a-1 et seq.), gross receipts with respect to such services shall be sourced to the domicile of the shareholders of such investment company in accordance with the following procedure: the portion of the gross receipts with respect to such services that are sourced to this State shall be determined by multiplying the total of such gross receipts by a fraction, the numerator of which is the average of the sum of the beginning of year and the end of year balance of shares owned by the investment company shareholders domiciled in this State for the investment company's taxable year for federal income tax purposes and the denominator of which is the average of the sum of the beginning of year and the end of year balance of shares owned by all investment company shareholders. A separate computation shall be made with respect to gross receipts for asset management services provided directly or indirectly to each investment company.

d. In the case of asset management services provided directly or indirectly to a person other than those persons described in paragraph (b)(7)a. through c. of this section, to the domicile of such person.

(8) If the entire business of a telecommunications corporation or a worldwide headquarters corporation is transacted or conducted within this State, the remainder of its entire net income shall be allocated to this State. If the business of a telecommunications corporation or a worldwide headquarters corporation is transacted or conducted in part without this State, such remainder, whether income or loss, shall be apportioned to this State:

a. For taxable periods beginning before January 1, 2017, by multiplying such remainder by the arithmetical average of the 3 factors set forth in paragraphs (b)(6)b.1., 2., and 3. of this section; and

b. For taxable periods beginning after December 31, 2016, by electing, on an annual basis, either to:

1. Multiply such remainder by the sales factor set forth in paragraph (b)(6)b.3. of this section; or

2. Multiply such remainder by the arithmetical average of the 3 factors set forth in paragraphs (b)(6)b.1., 2., and 3. of this section.

- b. Such property was used by any person, at any time within the 1-year period ending on the date the taxpayer placed such property in service, in the same or substantially the same qualified activity.

(5) "Expanded facility" is any qualified property (other than a replacement facility) resulting from the acquisition, construction, reconstruction, installation or erection of improvements or additions to existing property (not including any improvement or addition resulting from a repair, refurbishing, retooling (such as retooling by an automobile manufacturer), recycling or other similar process or procedure that merely preserves or restores the value of an existing facility, and not including any improvement or addition that, in the determination of the Secretary, does not constitute an integral part of a qualified activity), if such improvements or additions are placed in service by the taxpayer as owner, lessee or sublessee after December 31, 1984, but only to the extent of the taxpayer's qualified investment in such improvements or additions. For property placed in service after July 1, 1992, a facility which constitutes a replacement facility, as defined in paragraph (6) of this section, shall be deemed an expanded facility, and the investment shall be deemed a qualified investment, to the extent the taxpayer's investment in the replacement facility exceeds the greater of:

(10) "Related person" means:

- a. A corporation, partnership, association or trust controlled by the taxpayer;
- b. An individual, corporation, partnership, association or trust that is in control of the taxpayer; or
- c. A corporation, partnership, association or trust controlled by an individual, corporation, partnership, association or trust that is in control of the taxpayer.

For purposes of this paragraph, "control," with respect to a corporation, means ownership, directly or indirectly, of stock possessing 50 percent or more of the total combined voting power of all classes of the stock of such corporation entitled to vote and 50 percent or more of the total number of shares of all other classes of such corporation's stock; "control," with respect to a trust, means ownership, directly or indirectly, of 50 percent or more of the beneficial interest in the principal or income of such trust. The ownership of stock in a corporation, of a capital or profits interest in a partnership or association or of a beneficial interest in a trust shall be determined in accordance with the rules for constructive ownership of stock provided in § 267(c) of the Internal Revenue Code (26 U.S.C. § 267(c)) other than paragraph (c)(3) of such section.

(11) "Qualified facility gross receipts" means the total Delaware gross receipts (as defined and computed under those provisions of Chapter 23, 27 or 29 of this title that apply to the qualified activity in question) attributable to and derived by the taxpayer from the operation of the qualified facility in question.

(18) "Delaware base amount" shall mean the base amount as defined in § 41(c) of the Internal Revenue Code of 1986, except that

references to “qualified research expenses” shall mean “Delaware qualified research and development expenses” and references to “qualified research” shall mean “Delaware qualified research and development.” References to “fixed base percentage” shall mean the percentage which the aggregate Delaware qualified research and development expenses for the 4 taxable years immediately preceding the taxable year in which the expenses are taken into account for purposes of Delaware income taxation bear to the aggregate gross receipts for such years. The fixed base percentage for a taxpayer who has fewer than 4 but at least 1 taxable year with gross receipts and Delaware qualified research and development expenses shall be determined in the same manner using only the number of immediately preceding taxable years in which both existed to arrive at the percentage. In the event the taxpayer has in such 4 immediately preceding taxable years no year in which it had both gross receipts and Delaware qualified research and development expenses, the fixed base percentage shall be deemed to be zero.

(19) “Delaware qualified research and development” shall mean qualified research as defined in § 41(d) of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 41(d)) that is conducted in this State. (20) “Delaware qualified research and development expenses” shall mean qualified research expenses as defined in § 41(b) of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 41(b)) taken into account for purposes of Delaware income taxation for Delaware qualified research and development.

§ 2011. Investment and employment credit against corporation income tax.

(a) Any taxpayer (other than a public utility as defined in Chapter 1 of Title 26, unless such public utility is a provider of telecommunications services as described in § 2010(3)i. of this title) that:

(1) During any consecutive 12-month period has placed in service a qualified facility in which such taxpayer has during such period made a qualified investment in an amount equal to or exceeding \$200,000;

(2) During the consecutive 12-month period referred to in paragraph (a)(1) of this section employs 5 or more qualified employees;

(3) Within 36 months after the date on which a qualified facility is placed in service (which 36-month period shall include the month in which the qualified facility is placed in service) applies for written approval from the Secretary or the Secretary’s designee confirming the taxpayer’s qualification for the tax credits and license reductions set forth in this subchapter;

shall (except as otherwise provided in subsection (e) of this section) be allowed a credit against the tax imposed by Chapter 19 of this title for the taxable year in which all conditions set forth in this subsection shall be met and for any of the 9 following taxable years in which such facility is a qualified facility with respect to the taxpayer on the last business day thereof. The amount of such credit for any such year shall be the amount determined under subsection (b) of this section.

(b) Subject to the limitations contained in subsections (c) and (d) of this section, the amount of the credit allowable under subsection (a) of this section with respect to any qualified facility for each of the taxable years falling within the 10-year life of such credit shall be the sum of:

(1) Five hundred dollars multiplied by that number that is the greater of:

a. The difference between:

1. The number of qualified employees employed by the taxpayer on a date 1 year after the date on which the qualified facility is

placed in service; and

2. The sum of the number of qualified employees, if any, that were employed by the taxpayer and by any related person on the day immediately preceding the date on which such qualified facility is placed in service by the taxpayer; and

b. The difference between:

1. The number of qualified employees employed by the taxpayer on a date 1 year after the date on which occurs the event described in paragraph (a)(2) of this section; and

2. The sum of the number of qualified employees, if any, that were employed by the taxpayer and by any related person on the day immediately preceding the date on which occurs the event described in paragraph (a)(2) of this section;

provided, in either case, that no credit shall be allowable under this paragraph with respect to any qualified employee, except to the extent that the qualified investment in such qualified facility equals or exceeds \$40,000 per qualified employee; and provided further, that no credit shall be allowable under this paragraph with respect to any qualified employee to the extent a credit was claimed by the taxpayer or any related person under this paragraph for such qualified employee with respect to any other qualified facility placed in service in the same or a prior taxable year; plus

(2) Five hundred dollars multiplied by each \$100,000 (or major fraction thereof) of qualified investment in such qualified facility.

(3) In the case of a qualified facility used in connection with the qualified activity described in § 2010(3)i. of this title, the amount of the credit allowable under subsection (a) of this section with respect to such a facility for each of the taxable years falling within the 10-year life of such credit shall be determined by the application of paragraphs (b)(1) and (2) of this section, except that:

a. The amount of investment required per qualified employee for purposes of credits determined under paragraph (b)(1) of this section shall be \$15,000 rather than \$40,000, and the amount of minimum required investment determined under subsection (a) of this section shall be \$750,000 rather than \$200,000;

b. No amount of investment may be included in any of the calculations required under paragraph (b)(2) or (3) of this section unless the taxpayer has elected that any such amount of investment shall not be also considered in determining the extent to which the taxpayer has satisfied any obligation it might have under § 711 of Title 26 [repealed]; and

c. The minimum number of qualified employees required for purposes of credits determined under paragraph (b)(1) of this section shall be 50 rather than 5, provided further, that such 50 qualified employees shall be in addition to the number of qualified employees employed by the taxpayer within this State as of December 31, 1996, and no credit shall be allowed under paragraph (b)(2) of this section until the taxpayer shall have employed at least 50 qualified employees in addition to the number of qualified employees employed within this State as of December 31, 1996.

(c) If the number of qualified employees employed by the taxpayer during any taxable year of the taxpayer later than the taxable year in which such qualified facility was placed in service by the taxpayer shall be less than 90 percent of the number of qualified employees that were taken into account under subsection (b) of this section, the amount of the credit otherwise allowable under subsection (b) of this section for such later taxable year shall be reduced by 1 percent for each full percentage point that the number of such qualified employees in such later taxable year is less than the number of qualified employees that were taken into account under subsection (b) of this section.

(d) The amount of the credit allowable under this section for any taxable year shall not exceed 50 percent of the amount of tax imposed upon the taxpayer by Chapter 19 of this title for such taxable year (computed without regard to this section).

(e) No credit shall be allowable under subsection (a) of this section unless at least 25 percent of all qualified employees employed by the taxpayer on the date a qualified facility is placed in service by the taxpayer are residents of this State on such date.

(f) The amount of the credit determined under subsections (b) and (c) of this section for any taxable year that is not allowable for such taxable year solely as a result of the limitation contained in subsection (d) of this section shall be a credit carryover to each of the following taxable years that fall within the 10-year life of the credit specified in subsection (a) of this section. The entire amount of the credit that is not so allowable shall be carried to the earliest of the taxable years to which such credit may be carried, and the portion of such credit that shall be carried to each of the other taxable years to which such credit may be carried shall be the excess, if any, of such credit over the sum of the credits allowable under this section (including subsection (d) of this section) for each of the prior taxable years to which such credit may be carried. In applying the limitation contained in subsection (d) of this section to any taxable year to which a credit may be carried under this subsection, any credit carryovers to such taxable year shall be considered to be applied in reduction of the tax imposed by Chapter 19 of this title for such taxable year in the order of the taxable years from which such credits are carried over, beginning with the credit carryover from the earliest taxable year, and only after all such credit carryovers to such taxable year have been allowed in full shall any credit that would be allowable in such taxable year without regard to this subsection be allowed.

(g) If any facility for which a credit was allowable to the taxpayer under subsection (a) of this section is not a qualified facility with respect to the taxpayer on the last business day of any taxable year during the 10-year life of the credit specified in subsection (a) of this section and if on the last business day of any later taxable year ending after the expiration of such 10-year life such facility again constitutes a qualified facility with respect to the taxpayer (whether as a result of the same qualified activity or a different qualified activity), the Secretary may, upon application of the taxpayer filed on or before the first day of the fourth month following the close of such later taxable year (and filed in such form and manner as may be prescribed in regulations by the Secretary), allow a credit for such later taxable year and for each of that number of the following taxable years as shall be equal to the difference between 9 and the number of prior taxable years for which a credit was allowable to the taxpayer for such qualified facility. The amount of the credit, for such later

taxable year and for each such following taxable year, shall be the amount of the credit determined under subsection (b) of this section for the taxable year such qualified facility was first placed in service by the taxpayer, but subject in such later taxable year and in each such following taxable year to the limitations contained in subsections (c) and (d) of this section. The Secretary shall allow such credit if the Secretary determines that the resumption of a qualified activity with respect to such qualified facility will provide increased opportunities for employment in this State and will result in a meaningful contribution to the economy of this State.

(h)-(j) [Repealed.]

(k) Any taxpayer (other than a public utility as defined in Chapter 1 of Title 26) that for any taxable year has a qualified investment in a qualified facility that is placed in service by the taxpayer during such taxable year shall be allowed a credit under this section irrespective of the limitations contained in subsection (a)(2), (b) or (c) of this section; provided, however, as follows:

(1) Such investment must equal or exceed the greater of:

a. \$1 million; or

b. 15% of the unadjusted basis in such facility at the close of the taxable year preceding the date on which installation or construction of the investment described in this paragraph commenced;

(2) Substantially all the use of the qualified facility by the taxpayer occurs in the activity of aviation services, manufacturing or wholesaling as defined respectively in § 2010(3)j., § 2701(2) or § 2901(21)a. of this title;

(3) The amount of the credit allowed under this subsection shall be 75% of the credit allowable if the taxpayer were eligible for credit under subsection (a) of this section, subject, however, to limitation and carryover provisions under subsections (d) and (f) of this section. Credits claimed in any tax year (including amounts carried over from previous tax years) shall not exceed the difference between \$500,000 and the amount of credits claimed under § 2012 of this title for the 12 months comprising said tax year. Amounts of credit not used by virtue of the preceding sentence may be carried forward as if such unused credits arose by virtue of § 2011(d) of this title;

(4) No facility may be eligible for credits under both this subsection and subsection (a) of this section;

(5) Should the qualified facility be an expanded facility, total wages paid during the taxable year by the taxpayer to qualified employees employed at the qualified facility must equal or exceed 85% of the wages paid by the taxpayer to qualified employees at the same facility during the 12 months preceding the date on which the qualified facility was placed in service; and

(6) Construction of the qualified facility was commenced after February 6, 1992. For purposes of this paragraph, construction of a facility shall commence on the date on which site alteration first occurs.

(l) Except as otherwise provided in § 2021(d) of this title, in the case of a qualified facility located on a brownfield, this section shall be applied with respect to such qualified facility by:

(1) Treating as a qualified activity any business, trade, commerce, profession or vocation carried on in or in connection with such qualified facility,

(2) Treating as additional qualified investment all amounts expended by the taxpayer for environmental investigation and remediation of the brownfield, and

(3) Substituting “\$650” for “\$500” in each of subsections (b)(1) and (b)(2) of this section.

The total incremental credits allowable to the taxpayer under this subsection (l) shall not exceed the aggregate amount expended by the taxpayer for environmental investigation and remediation of the brownfield.

The amount of each such reduction in such license fee shall be determined under subsection (b) of this section.

(b) The reduction in the license fee allowable by subsection (a) of this section shall be that percentage of such license fee (computed without regard to this section) imposed upon the taxpayer’s qualified facility gross receipts attributable to the operation of such qualified facility (as determined under § 2010(11) of this title) as shall be determined in accordance with the following table:

Chapter 27
Manufacturers' License Requirements and Taxes

§ 2701. Definitions.

As used in this chapter the following definitions shall apply:

(1) "Gross receipts" includes all proceeds received by any person engaged in manufacturing within this State for products manufactured in whole or in part within this State where such products are sold to another person, or the fair market value of any such products consumed by the manufacturer or any person affiliated with it, where the fair market value of such products is not received; provided, however, if a product is partially manufactured within this State and partially manufactured elsewhere by the same manufacturer, the gross receipts realized on the ultimate sale, transfer or consumption of said product to be included for purposes of this chapter shall be apportioned to this State in the proportion that the cost of manufacturing thereof in Delaware bears to the full cost of manufacturing the product expended by the same manufacturer, such apportionment to be computed in accordance with regulations of the Secretary of Finance. Notwithstanding the foregoing, however, gross receipts shall not include:

a. Proceeds received by a petroleum product refiner (as defined in § 2901(13) of this title) from sales of intermediate petroleum products (as defined in § 2901(9) of this title) to an intermediate petroleum products wholesaler (as defined in § 2901(10) of this title); or

b. Proceeds received by any person for products sold to a buyer licensed under this chapter; provided, that such products are purchased for the purpose of their inclusion as a part of a product manufactured by the buyer within this State.

The product shall be considered to be included in the subsequent product manufactured by the buyer irrespective of whether it is included in an altered or unaltered form. The Secretary of Finance shall prescribe such rules, regulations and forms as the Secretary may deem necessary to carry out the purposes of this chapter.

(2) "Manufacturing," except as provided in the definition of "wholesaler" in § 2901 of this title, includes any processing, working, development, change, conditioning or reconditioning of raw materials or products into products of a different character, finished or unfinished, or effecting any combination or composition of materials the inherent nature of which is changed, including clean energy technology device manufacturing (as defined in § 2010(24) of this title) and automobile manufacturing, but does not include the making, crafting, or painting of art or craft objects by individual artists or craftpersons.

(3) "Person" includes an individual, partnership, firm, cooperative, corporation or any association of persons acting individually or as a unit.

(4) "Product" includes any goods, materials, wares, merchandise, machinery, vehicles, solids, liquids or gases or any other item, object or thing which is produced as part of a manufacturing process.

(5) Whenever a person:

a. Is engaged in the activity of manufacturing within this State as described in paragraph (2) of this section;

b. Performs such activity exclusively on raw materials or products provided under bailment by another person engaged in manufacturing; and

c. The product produced by such person is intended for inclusion as a part of a product manufactured by the other manufacturer, then such person shall himself or herself be licensable as a manufacturer and such person's gross receipts shall include all proceeds paid to such person for services rendered in this State as described in this subdivision, including the fair market value of any products produced as the result of such services and consumed by such person, where the fair market value of such products is not received.

In all other cases where a person is engaged in, and receives consideration for, manufacturing as a service apart from or in addition to the sale of a product, then such person shall be licensed under Chapter 23 of this title, and shall not to that extent be considered subject to license under this chapter.

§ 2705. Exemption of gross receipts attributable to intermediate products.

(a) Notwithstanding any other provision of this chapter, for purposes of this chapter “gross receipts” shall not include that portion of the receipts realized by a manufacturer on the sale, transfer or consumption of an ultimate product that is attributable to the manufacturer’s cost of manufacturing an intermediate product in a new or expanded facility. The portion of such receipts attributable to the cost of manufacturing the intermediate product shall be that proportion of such receipts allocated to this State pursuant to § 2701(1) of this title that the manufacturer’s cost of manufacturing the intermediate product in the new or expanded facility bears to the manufacturer’s total cost in Delaware of manufacturing the ultimate product.

(b) As used in this section:

(1) “Existing facility” is any property placed in service by the manufacturer as owner, lessee or sublessee before July 1, 1985.

(2) “Intermediate product” is any product manufactured by the manufacturer and used by the manufacturer in connection with any subsequent manufacturing process or procedure that results in an ultimate product.

(3) “New or expanded facility” is any qualified property within the meaning of § 2010(2) of this title that is located within this State and that:

a. Is placed in service by the manufacturer as owner, lessee or sublessee after June 30, 1985;

b. Is used by the manufacturer in or in connection with a manufacturing process or procedure not engaged in by the manufacturer within this State prior to the date such property was placed in service by the manufacturer; and

c. Is employed by the manufacturer in the manufacture of an intermediate product that, in or in connection with the subsequent manufacture by the manufacturer of an ultimate product in an existing facility, is consumed or becomes an integral part of the ultimate product.

“New or expanded facility” shall not include any existing facility but shall include any improvements or additions to an existing facility other than any improvement or addition resulting from a repair, refurbishing, retooling (such as retooling by an automobile manufacturer), recycling or other similar process or procedure that merely preserves or restores the value of an existing facility.

(4) “Placed in service” shall have the meaning ascribed to such phrase under § 167 of the Internal Revenue Code (26 U.S.C. § 167) and regulations promulgated thereunder.

(5) “Ultimate product” is any product:

b. That contains an intermediate product as an integral part.

(6) The manufacturer and each related person with respect to the manufacturer within the meaning of § 2010(10) of this title shall be treated as 1 person.

(c) Subsection (a) of this section shall not apply to any gross receipts realized by the manufacturer prior to the date upon which the manufacturer’s aggregate investment in the new or expanded facility first equals or exceeds \$200,000. In the case of a facility owned by the manufacturer, investment by the manufacturer shall equal the original cost of such facility to the manufacturer. In the case of a facility leased or subleased by the manufacturer, investment by the manufacturer shall equal 8 times the net annual rent paid by the manufacturer for the use of such facility, less any gross rental income received by the manufacturer from sublessees of any portion of such facility during the period of time to which such net rent paid by the manufacturer relates.

(d) Subsection (a) of this section shall not apply to any gross receipts realized by the manufacturer prior to the date on which the manufacturer first employs in or in connection with the new or expanded facility 5 or more employees on a regular and full-time basis, at least 25 percent of whom are residents of this State on such date.

(e) The Secretary shall prescribe such rules and regulations as the Secretary may deem necessary to carry out the purposes of this section.

§ 2908. Grocery supermarket retailers.

(a) Every person engaged in the business of operating a retail grocery supermarket shall be exempt from the provisions of § 2905 of this title and shall be subject to the provisions of this section with regard to the retail sales of such store. For purposes of this section, a grocery supermarket shall mean a retail store with an area of more than 6,000 square feet and whose primary business is selling food for human

consumption, having on stock available for retail sale and purchase at least 12,000 different food stock units (SKU's) at least 90 percent of whose sales of food suitable for human consumption consists of food that is not immediately consumable. For purposes of this section, "not immediately consumable" shall be defined as any product purchased at the grocery store that is intended for consumption at home in which some preparation or cooking is necessary. Notwithstanding and in addition to this definition, the following products shall be considered not immediately consumable: frozen ice cream, frozen or refrigerated yogurt, all fresh fruits and vegetables, deli products sold by the pound or packaged on the shelf, cooked shrimp or other seafood sold by the pound, bottled or canned sodas including bottled waters, all snack foods such as, but not limited to, potato chips, cookies and packaged candies, refrigerated dairy products, bakery goods, dry foods sold in bulk by the pound and any other food item that is generally consumed at home.

In computing the fee due on the aggregate gross receipts for any month, there shall be allowed a deduction of \$100,000. Solely for purposes of determining the rate of taxation and the monthly exclusion under this subsection, but not for determining the applicability of the definition of "grocery supermarket," all branches or entities comprising an enterprise with common ownership or common direction and control shall be considered as one. The monthly returns shall be accompanied by a certified statement on such forms as the Division of Revenue shall require in computing the fee due.

(2) Notwithstanding paragraph (c)(1) of this section, if the taxable gross receipts prescribed therein during the lookback period as defined in § 2122 of this title do not exceed the applicable threshold of \$1,500,000, the return and payment of the additional license fee imposed for such month shall be due on or before the last day of the first month following the close of the quarter. (The applicable threshold in this paragraph is subject to annual adjustment as more fully set forth in § 515 of this title.) In the case of such return, in computing the fee due on such aggregate gross receipts for each quarter, there shall be allowed a deduction of \$300,000. For purposes of this paragraph, all branches or entities comprising an enterprise with common ownership or common direction and control shall be treated as one, and shall be allowed only 1 quarterly deduction from the aggregate gross receipts of the entire enterprise. § 2909. Exemptions.

(a) (1) This chapter shall not apply to the sale of unprocessed agricultural products, including nursery or floral products by:

a. The owner or operator of a farm or nursery which produced the products; provided, however, that no business described in this subparagraph shall be required to obtain a license under this chapter if its gross receipts from the sale of unprocessed agricultural products not produced on the taxpayer's farm or nursery do not exceed the amount excluded from tax under § 2905(b) or § 2902(c) of this title; or

b. The owner or operator of any enterprise whose principal business in this State is the purchase and resale, at wholesale, of unprocessed and unpackaged agricultural plant products; provided such products are purchased from a person described in this paragraph and further provided said purchase occurs within this State.

(2) This chapter shall not apply to the incidental sale by the owner or operator of a farm or nursery of processed agricultural products on the assumption that the purchaser of such products has acquired the same for consumption or use and not for resale. Growers of nursery products shall be treated under this chapter as retailers to the extent of sales at retail.

(b) This chapter shall not apply to any transaction subject to the motor vehicle dealer handling fee as set forth in § 3004 of this title.

(c) The tax imposed by § 2905(b) or § 2906(c) of this title shall not apply to gross receipts from the retail sale for off premises consumption of alcoholic liquor, beer, cider or wine under license pursuant to Title 4.

(d) Section 2905 of this title shall not apply to goods which are delivered by the retailer outside this State, and for which the retailer can provide proof satisfactory to the State Tax Department that an out-of-state retail sales tax has been paid to such state with respect to said goods.

(e) Notwithstanding any provisions of this chapter to the contrary, no handicapped peddler who has reached the age of 62 years shall be required to pay any fee for a license pursuant to this chapter. For the purposes of this subsection, the term "peddler" shall include every person who sells, or offers to sell, at retail, any goods, wares or other commodities by travelling from place to place, on the street or through different parts of this State. The term "handicapped," as used in this subsection, includes, but is not limited to, the following diagnosis: Mental retardation, impairment of hearing or deafness, speech impairments, substantial loss of sight, loss of limb or limbs or paralysis in any substantial degree, which handicaps require special services or impair or impede other employment.

(j) Sections 2905, 2906 and 2912 of this title shall not apply to non-profit organizations exempt from federal income tax under § 501(c) of the Internal Revenue Code of 1986 (26 U.S.C. § 501(c)) as amended.

(k) This chapter shall not apply to the exchange between or among wholesalers of fungible goods when the goods received by such wholesaler are received by it for the purpose of resale. For purposes of this subsection, the term “fungible” shall refer to goods of which any unit is, by nature or usage of trade, the equivalent of any other like unit. This provision shall not be construed so as to exclude from tax under this chapter the sale, whether at retail or wholesale, of goods received for resale as a result of the exchange. The exemption provided in this section is not applicable to a sale occurring upon the delivery by 1 exchange partner directly to the customer of the other exchange partner and such delivery shall be treated as made to such customer directly by the other exchange partner and subject to tax, even though such other exchange partner may never have obtained physical possession of such fungible good.

(1) Reciprocity is granted to such recreational dealers of this State; and

(2) Providing that any participating out-of-state new recreational dealer is duly licensed and authorized by the state of residence to sell new recreational vehicles.

 - (2) "Department" means Department of Transportation.
 - (3) "Distributor" includes any person, association of persons, firm or corporation, wherever resident or located, who imports or causes to be imported into the State gasoline, as defined in this section, for use, distribution, storage or sale after the gasoline reaches the State or who, being in the business of selling and or distributing gasoline in bulk quantities, desires to purchase gasoline tax free from another distributor for resale within this State or for export from this State; and also any person, association of persons, firm or corporation who produces, refines, manufactures or compounds, or causes to be produced, refined, manufactured or compounded gasoline as defined in this section within the State.
 - (4) A product will be considered "gasohol" when it is composed of 1 part anhydrous ethyl alcohol (ethanol) and 9 parts unleaded gasoline.
 - (5) "Gasoline" includes all products commonly or commercially known or sold as gasoline, including gasohol, casinghead gasoline, natural gasoline, aviation gasoline and all flammable liquids composed of a mixture of selected hydrocarbons expressly manufactured and blended for the purpose of effectively and efficiently operating spark-ignited internal combustion engines. The term "gasoline" does not include liquefied gases such as propane, butane or pentane, or mixtures of the same, nor any product:

 - b. Having a Reid vapor pressure at 100° F. of more than 30 pounds.
 - (6) "Person" includes every natural person, fiduciary, association of persons or corporation. Whenever used in any clause prescribing and imposing a fine or imprisonment or both, the term "person" as applied to an association means and includes the partners or members thereof, and as applied to corporations, the officers thereof.

- (30 Del. C. 1953, § 5101; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24A; 62 Del. Laws, c. 380, §§ 1, 2; 65 Del. Laws, c. 297, §§ 1-3; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 575, § 11.)

§ 5102. License for retail sale of gasoline; requirement, issuance, term, fee and display.

Every person engaged in the retail sale of gasoline shall, before engaging in such business, procure from the Department of Transportation a license for each establishment operated by such person. Such license shall be issued by the Department and shall expire on June 30 next following, subject to such reasonable regulations as the Department shall provide. Every person desiring to continue to engage in the retail sale of gasoline shall annually thereafter on July 1 procure from the Department a license for such establishment operated by such person, which shall expire on June 30 next following, subject to such reasonable regulations as the Department shall provide. A license fee of \$5.00 shall be paid for the issuing of every such license and the Department shall supply a certificate, which the licensee shall publicly display in a manner to be regulated by the Department. Retailers participating in the Small Retail Gasoline Station Assistance Loan Fund established in Chapter 74 of Title 7, must, as a condition of their license, make their loan payments as prescribed therein; if their fuel supplier is not a distributor licensed under this chapter, then the retailer must file its own fuel tax return with the Department of Transportation for this purpose.

(30 Del. C. 1953, § 5102; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 64 Del. Laws, c. 365, § 4; 64 Del. Laws, c. 368, § 1; 68 Del. Laws, c. 290, § 184; 69 Del. Laws, c. 77, § 73.)

§ 5103. License for distributor of gasoline; requirement, application, bond and fee.

(a) No distributor shall receive, use, sell or distribute any gasoline or engage in business within this State unless such distributor is the holder of an uncanceled license issued by the Department of Transportation to engage in such business. To procure such license, a distributor shall file with the Department an application under oath and in such form as the Department may prescribe, setting forth:

- (1) The name under which the distributor will transact business within the State;
- (2) The location, with street number address of its principal office or place of business within this State; and

(3) The name and complete residence address of the owner or the names and addresses of the partners, if such distributor is a partnership, or the names and addresses of the principal officers, if such distributor is a corporation or association; and if such distributor is a corporation organized under the laws of another state, territory or country or the laws of the United States, it shall also file with such application a certified copy of the certificate issued by the Secretary of State of Delaware showing that such corporation is authorized to transact business in the State.

(b) Upon the filing of an application for a license, and concurrently therewith, a bond of the character stipulated and in the amount provided for in § 5107 of this title shall be filed with the Department of Transportation. No license shall be issued upon any application unless accompanied by such bond.

(c) Upon the filing of the application for a license, a filing fee of \$10 shall be paid to the Department of Transportation.

(d) As a condition of their license, distributors shall make the required loan payments for themselves or their retailer customers who:

(1) Participate in the Small Retail Gasoline Station Assistance Loan Fund, established in Chapter 74 of Title 7; and

(2) Provide these funds to the distributor.

(30 Del. C. 1953, § 5103; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 64 Del. Laws, c. 365, § 5; 64 Del. Laws, c. 368, § 2; 68 Del. Laws, c. 290, § 184; 69 Del. Laws, c. 77, § 74.)

§ 5104. Issuance of distributor's license; term of license.

The application referred to in § 5103 of this title, in proper form having been accepted for filing, the filing fee paid and the bond having been accepted and approved, the Department of Transportation shall, except as provided in this chapter, issue to such distributor a license to transact business as a distributor in this State. Such license shall expire on June 30 next following. Every distributor desiring to continue as a distributor shall apply for and procure a license before July 1 each year. Each distributor shall be assigned a license number upon qualifying for a license under this subchapter.

(30 Del. C. 1953, § 5104; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 60 Del. Laws, c. 473, § 1; 62 Del. Laws, c. 380, § 3; 68 Del. Laws, c. 290, § 184.)

§ 5105. Refusal of distributor's license; grounds.

If any application for a license to transact business as a distributor in this State shall be filed by any person whose license shall at any time theretofore have been cancelled for cause, or in case the Department of Transportation shall be of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration shall therefore have been cancelled for cause, the Department of Transportation, after a hearing, of which the applicant shall be given 5 days' notice in writing and at which the applicant shall have the right to appear in person or by a counsel and present testimony, may refuse to issue to such person a license to transact business as a distributor in this State.

(30 Del. C. 1953, § 5105; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 68 Del. Laws, c. 290, § 184.)

§ 5106. Assignability of distributor's license.

The license issued under this subchapter by the Department of Transportation shall not be assignable and is valid only for the distributor in whose name it was issued.

(30 Del. C. 1953, § 5106; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 68 Del. Laws, c. 290, § 184.)

§ 5107. Bond of licensed distributor.

(a) Every distributor shall file with the Department of Transportation a bond in the approximate sum of 3 times the average monthly gasoline tax due or estimated to be due by such distributor under the existing law of the State. In no case shall such bond be less than \$5,000 nor more than \$200,000. Every bond filed with and approved by the Department shall, without the necessity of periodic renewal, remain in force and effect until such time as the distributor's license is revoked for cause, or otherwise cancelled or surrendered.

(b) The bond shall be in such form as may be approved by the Department, and shall be executed by a surety company to be approved by the Department and duly licensed to do business under the laws of this State. The bond shall be payable to the State, and be conditioned upon the prompt filing of true reports and the payment by such distributor to the Department of any and all gasoline taxes levied or imposed by this State, together with any and all penalties and/or interest thereon, and generally upon faithful compliance with the provisions of this chapter.

(c) If liability upon the bond thus filed by the distributor with the Department of Transportation shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the Department any surety on the bond theretofore given shall have become unsatisfactory or unacceptable, then the Department may require the filing of a new bond with like surety as hereinbefore provided in the same amount, failing which, the Department shall forthwith cancel the license of the distributor. If the new bond is furnished by the distributor as above provided, the Department shall cancel and surrender the bond of the distributor for which such new bond shall be substituted; provided, however, that such bond shall not be cancelled if any liability shall have accrued under the provisions thereof which shall be still outstanding.

(d) If the Department of Transportation, after a hearing of which the distributor shall be given 5 days' notice in writing, shall decide that the amount of the existing bond is insufficient to insure payment to the State of the amount of the tax and any penalties and interest for which the distributor is or may at any time become liable, then the distributor shall forthwith upon the written demand of the Department

file an additional bond in the same manner and form with like security thereon as hereinbefore provided. The total amount of any such additional bond, as well as the bond required under subsection (a) of this section, shall not exceed the maximum of \$200,000, and the Department shall forthwith cancel the license certificate of any distributor failing to file an additional bond as herein provided.

(e) Any surety on any bond furnished by any distributor as above provided, upon written request mailed to the Department of Transportation, certified mail, return receipt requested, shall be released and discharged from any and all liability to the State accruing on such bond. Upon receipt of such request, the Department shall forthwith acknowledge in writing the receipt of said request and shall therein inform the surety that it shall be released and discharged from any and all liability to the State accruing on such bond after the expiration of 60 days from the date on which the Department received the surety's request for release and discharge. Simultaneously, the Department shall also notify the distributor who furnished such bond of the fact that the surety will be released and discharged from any and all liability on a date certain. The distributor shall further be advised that unless it shall, on or before the expiration of such 60-day period, file with the Department a new bond in the amount and form hereinbefore in this section provided, the Department shall forthwith cancel the license of the distributor.

(30 Del. C. 1953, § 5107; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 62 Del. Laws, c. 380, § 4; 64 Del. Laws, c. 365, § 1; 65 Del. Laws, c. 339, § 1; 66 Del. Laws, c. 97, § 1; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 311, §§ 1, 2.)

§ 5108. Revocation, cancellation and surrender of license and bond.

The Department of Transportation may revoke the license of any distributor for reasonable cause. Before revoking any such license the Department shall notify the distributor to show cause within 60 days of the date of the notice why such license should not be revoked; provided, however, that at any time prior to or pending such hearing the Department may, in the exercise of reasonable discretion, suspend such license.

The Department shall cancel any license to act as a distributor immediately upon surrender thereof by the holder. If the license of any distributor shall be cancelled by the Department and if the distributor shall have paid to the State of Delaware all taxes, penalties and interest due and payable by it under the gasoline laws of this State, then the Department shall cancel and surrender the bond or other surety theretofore filed by said distributor. The Department shall promptly notify all licensed distributors of any such cancellation.

The Department of Transportation may suspend or revoke a gasoline retailer's license for reasonable cause in the same manner as a distributor's license.

(30 Del. C. 1953, § 5108; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 62 Del. Laws, c. 380, § 5; 68 Del. Laws, c. 290, § 184.)

§ 5109. Records of Department of Transportation.

The Department of Transportation shall keep and file all applications and bonds with an alphabetical index thereof, together with a record of all licensed distributors.

(30 Del. C. 1953, § 5109; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 68 Del. Laws, c. 290, § 184.)

§ 5110. Levy and rate of tax; collection.

(a) There is hereby levied and imposed for the state fiscal year commencing August 1, 1981, a tax of 11 cents per gallon on all gasoline which is sold or used in the State. For each state fiscal year thereafter, the rate of such tax per gallon shall equal the product of: Ten percent and the 12-month average of the "wholesale average price" per gallon of regular unleaded gasoline at self-service stations in the Philadelphia, Pennsylvania area, as reported in the McGraw-Hill Platt's/Lundberg Report (or successor report), such product to be rounded to the nearest whole cent. A calculation producing a rate including a fraction less than one half of 1 cent shall be rounded down to the nearest whole cent, and a calculation producing a rate including a fraction equal to or greater than one-half cent shall be rounded up to the nearest whole cent. The rate of taxation for the fiscal years beginning July 1, 1982, and thereafter shall be calculated on the basis of such wholesale average prices reported for the consecutive 12-month period commencing March 1 and ending on the last day of February of the fiscal year next prior to the fiscal year in which the tax will be imposed. The Secretary of Transportation and the Secretary of Finance shall compute the applicable rate in March, or as soon as practicable thereafter, for the next state fiscal year and shall notify the Governor and the General Assembly of their findings and calculations not later than April 30 of that year. If the Platt's/Lundberg Report fails to contain reports on the wholesale average price per gallon of regular unleaded gasoline at self-service stations in the Philadelphia, Pennsylvania area for any month or if the report is discontinued and no successor report is published, the Secretary of Transportation and the Secretary of Finance shall use available figures reflecting such prices reported in any other nationally recognized publication. Notwithstanding the foregoing:

(1) The tax rate per gallon of gasoline levied pursuant to this section shall not be less than an amount equivalent to 11 cents per gallon;

(2) The tax rate for any fiscal year commencing July 1, 1982, and thereafter shall not be less than the rate for the prior state fiscal year nor more than 1 cent per gallon above the tax rate in effect for the prior state fiscal year; and

(3) The maximum aggregate tax rate shall not exceed an amount equivalent to 11 cents per gallon of gasoline.

(b) The tax shall be collected by and paid to the State but once in respect to any gasoline. Nothing in this section shall be construed to exempt from the tax any distributor of gasoline with respect to gasoline used in making such distribution. The tax shall be collected in the manner hereinafter provided.

(c) Notwithstanding subsection (a) of this section, the tax levied and imposed in subsection (a) of this section shall be 22 cents per gallon through December 31, 1994. Thereafter, the tax shall be 23 cents per gallon. Effective January 1, 1995, the tax shall be no more or no less than 23 cents per gallon until increased or decreased by the State. By virtue of the pledge and assignment of motor fuel tax revenues by the State to the Delaware Transportation Authority, said tax shall not be decreased during the period any bonds of that Authority are outstanding and unpaid.

(30 Del. C. 1953, § 5110; 54 Del. Laws, c. 107; 55 Del. Laws, c. 112, § 1; 58 Del. Laws, c. 289, § 1; 59 Del. Laws, c. 218, §§ 1, 2; 59 Del. Laws, c. 416, § 1; 61 Del. Laws, c. 74, § 1; 63 Del. Laws, c. 179, § 24; 65 Del. Laws, c. 385, § 10; 66 Del. Laws, c. 87, § 2; 67 Del. Laws, c. 285, § 55; 68 Del. Laws, c. 290, § 184; 69 Del. Laws, c. 77, §§ 49, 50.)

§ 5111. Exempt sales of gasoline.

(a) The tax imposed by this chapter shall not apply to gasoline:

- (1) Sold and delivered to and used by the United States or any of the governmental agencies thereof;
- (2) Sold or delivered under the protection of the interstate commerce clause of the Constitution of the United States;
- (3) Sold by a distributor to another distributor;
- (4) Sold and delivered to and used by the State and every political subdivision thereof;

(5) Sold and delivered to and used by volunteer fire companies in any of their official vehicles and veteran or civic organizations in their ambulances when such vehicles are used on a voluntary, nonprofit basis. The fuel supply tanks maintained under this section must be for the exclusive use of said vehicles.

(b) The Department of Transportation may, for purposes of identification of the above agencies or organizations, require that an exemption certificate issued by the Department of Transportation be on file with the Department and the supplier from which the fuel is purchased.

(30 Del. C. 1953, § 5111; 54 Del. Laws, c. 107; 56 Del. Laws, c. 33, § 2; 57 Del. Laws, c. 741, § 24B; 59 Del. Laws, c. 216, § 2; 60 Del. Laws, c. 81, § 1; 62 Del. Laws, c. 380, § 6; 68 Del. Laws, c. 290, § 184; 69 Del. Laws, c. 77, § 65.)

§ 5112. Distributor's taxable sales of gasoline; what is included.

The distributor's taxable sales shall, for the purpose of this chapter, include all gasoline delivered to retail dealers, including gasoline delivered to retail outlets on consignment or to retail outlets owned or operated by the distributor.

(30 Del. C. 1953, § 5112; 54 Del. Laws, c. 107.)

§ 5113. Monthly reports of distributors.

(a) On or before the twenty-fifth day of each calendar month, each distributor of gasoline shall file with the office of the Department of Transportation, a statement on a form prepared by the Department of Transportation, which shall show the quantity of gasoline on hand on the first and last days of the preceding calendar month, the quantity of gasoline received, produced, manufactured, refined or compounded during the preceding calendar month, the quantity of gasoline sold, delivered or used within this State during the preceding calendar month, and such other information as the Department of Transportation may require. Aviation gasoline shall be reported separately from other gasolines.

(b) On or before June 25 each year, distributors having average monthly taxable sales and/or use of 500,000 or more gallons shall file a statement of the estimated sales and/or use anticipated for the same calendar month.

(c) The fact that a distributor's name is signed to such statements shall be prima facie evidence for all purposes that the reports were actually signed by such distributor or a duly authorized agent. Such statements shall contain a declaration by the person making the same, to the effect that the statements contained therein are true and are made under penalties of perjury, which declaration shall have the same force and effect as a verification of the return and shall be in lieu of such verification.

(d) The monthly statements or payments of tax, as provided in § 5114 of this title, shall be considered to have been duly and timely filed if such statements or payments are deposited in the United States mail with postage prepaid on or before the twenty-fifth day of a given calendar month; provided, however, that for good cause the Department of Transportation may grant a licensee a reasonable extension of time.

In lieu of depositing tax payments in the United States mail, a licensed motor fuel distributor may hand deliver said payment to the Department of Transportation or the Department may require licensed motor fuel distributors to make electronic transfers of such funds to the appropriate state account.

(e) When the twenty-fifth day of a given month falls on a weekend or state holiday, the due date of the statement and tax shall be the next following business day of the State.

(30 Del. C. 1953, § 5113; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, §§ 24B, 24C; 59 Del. Laws, c. 216, § 2; 60 Del. Laws, c. 76, § 1; 60 Del. Laws, c. 440, §§ 1-3; 62 Del. Laws, c. 380, § 7; 67 Del. Laws, c. 340, § 1; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1; 70 Del. Laws, c. 575, § 12.)

§ 5114. Payment of tax by distributor.

(a) At the time of rendering the statement required by § 5113(a) of this title, the distributor shall pay to the Department of Transportation the tax or taxes levied by this chapter on all gasoline sold and/or used within this State during the preceding calendar month.

(b) Distributors averaging monthly sales and/or use of 500,000 or more gallons over a 12-month period ending April 30 each year shall,

when complying with § 5113(b) of this title, pay to the Department of Transportation in June each year the tax or taxes on 75% of the gallons of gasoline estimated to be sold and/or used during said month of June. The balance of the tax due on the actual sales and/or use in June shall be paid on or before the twenty-fifth day of the next calendar month.

(30 Del. C. 1953, § 5114; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, §§ 24B, 24C; 59 Del. Laws, c. 216, § 2; 60 Del. Laws, c. 76, § 2; 60 Del. Laws, c. 667, § 1; 62 Del. Laws, c. 380, § 8; 68 Del. Laws, c. 290, § 184.)

§ 5115. Penalties for failure to file reports or pay tax when due.

When any distributor fails to file monthly reports with the Department of Transportation as required by § 5113 of this title or when such distributor fails to pay the Department the amount of taxes due to this State as required by § 5114 of this title, a penalty of \$5.75 per business day shall accrue up to a maximum of \$28.75 for each report. For each report filed more than 5 business days late, the penalty shall be \$28.75 or 12 percent of the tax due, whichever is greater, for each such report. Any tax due shall also bear interest at the rate of 1 percent per month, or fraction thereof, until same is paid; however, the Department may waive all or any part of the penalty and interest when it is established to the satisfaction of the Department that failure to file the monthly report or pay the tax by the twenty-fifth day of the month was not with intent to violate the law.

A month, for purposes of calculating interest in this chapter, shall be from the twenty-sixth day of a given month through the twenty-fifth day of the following month.

(30 Del. C. 1953, § 5115; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, §§ 24B, 24C; 59 Del. Laws, c. 216, § 2; 60 Del. Laws, c. 76, § 3; 60 Del. Laws, c. 422, § 1; 62 Del. Laws, c. 380, §§ 9, 10; 64 Del. Laws, c. 368, § 3; 67 Del. Laws, c. 260, § 1; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5116. Estimate by Department of Transportation in absence of tax report; redetermination of assessment.

(a) Whenever any distributor neglects or refuses to make and file any report for any calendar month as required by this chapter or files an incorrect or fraudulent report, the Department of Transportation shall determine, from any information obtainable in its office, or elsewhere, the number of gallons of gasoline with respect to which the distributor has incurred liability under the gasoline laws of this State.

(b) In any action or proceeding for the collection of the gasoline tax and/or penalties or interest imposed in connection therewith, an assessment by the Department of the amount of the tax due and/or interest or penalties due to the State shall constitute prima facie evidence of the claim of the State, and the burden of proof shall be upon the distributor to show that the assessment was incorrect and contrary to law.

(c) Promptly after the date of such determination, the Department of Transportation shall notify by mail the person against whom the assessment is made. Within 60 days after the date of notification, such person may file with the Department of Transportation a petition for redetermination of such assessment. § 5134. Special fuel license; bond.

(a) *Required.* — It shall be unlawful for any person to act as a special fuel dealer in this State unless such person is the holder of a valid special fuel dealer’s license issued by the Department. Except for special fuel which is delivered by a special fuel dealer into a fuel supply tank of any motor vehicle in this State, the use (as defined in this subchapter) of special fuel in this State by any person shall be unlawful unless such person is the holder of a valid special fuel user’s license issued by the Department. However, the requirement for a special fuel dealer’s or special fuel user’s license and bond may be waived by the Department, if said dealer or user has contracted to pay the applicable special fuel tax to a licensed special fuel supplier at the time of purchase. Also, it shall be unlawful for a special fuel supplier to collect the special fuel tax from a special fuel dealer or special fuel user unless the supplier is the holder of a valid special fuel supplier’s license. A fee of \$10 shall be paid to the Department for the issuance of each special fuel license. As a condition of their license, persons shall make the required loan payments on their own account or for their retailer customers who:

(1) Participate in the Small Retail Gasoline Station Assistance Loan Fund, established in Chapter 74 of Title 7; and

(2) Provide these funds to the person.

(b) *Application.* — Application for a special fuel license shall be made to the Department of Transportation on forms supplied by the Department. A license shall be required for each separate place of business or location where special fuels are regularly delivered or placed into the fuel supply tank of a motor vehicle by a special fuel dealer or special fuel user.

(c) *Form of application.* — The application shall be filed upon a form prepared and furnished by the Department. The application shall contain such information as the Department deems necessary.

(d) *Bond.* — (1) No special fuel license shall be issued to any person or continued in force unless such person has furnished a surety bond in such forms and amount as the Department may require, but not less than \$5,000, nor more than \$200,000, to secure compliance

with this chapter, and the payment of any and all taxes, interest and penalties due and to become due hereunder. Every bond filed with and approved by the Department shall, without the necessity of periodic renewal, remain in force and effect until such time as the license is revoked for cause, or otherwise cancelled or surrendered.

(2) The bond shall be in such form as may be approved by the Department of Transportation, and shall be executed by a surety company to be approved by the Department and duly licensed to do business under the laws of this State. The bond shall be payable to the State, and be conditioned upon the prompt filing of true reports and the payment by such licensee to the Department of any and all special fuel taxes levied or imposed by this State, together with any and all penalties and/or interest thereon, and generally upon faithful compliance with the provisions of this chapter.

(3) If liability upon the bond thus filed by the licensee with the Department shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or, if in the opinion of the Department, any surety on the bond theretofore given shall have become unsatisfactory or unacceptable, then the Department may require the filing of a new bond with like surety as hereinbefore provided in the same amount, failing which, the Department shall forthwith cancel the license of the licensee. If the new bond is furnished by the licensee as above provided, the Department shall cancel and surrender the bond of the licensee for which such new bond shall be substituted; provided, however, that such bond shall not be cancelled if any liability shall have accrued under the provisions thereof which shall be still outstanding.

(4) If the Department of Transportation, after a hearing of which the licensee shall be given 5 days' notice in writing, shall decide that the amount of the existing bond is insufficient to insure payment to the State of the amount of the tax and any penalties and interest for which the licensee is or may at any time become liable, then the licensee shall forthwith upon the written demand of the Department file an additional bond in the same manner and form with like security thereon as hereinbefore provided. The total amount of any such additional bond as well as the bond required under paragraph (d)(1) of this section shall not exceed the maximum of \$200,000, and the Department shall forthwith cancel the license certificate of any licensee failing to file an additional bond as herein provided.

(5) Any surety on any bond furnished by any licensee as above provided, upon written request mailed to the Department of Transportation, certified mail, return receipt requested, shall be released and discharged from any and all liability to the State accruing on such bond. Upon receipt of such request, the Department shall forthwith acknowledge in writing the receipt of said request and shall thereafter inform the surety that it shall be released and discharged from any and all liability to the State accruing on such bond after the expiration of 60 days from the date on which the Department received the surety's request for release and discharge. Simultaneously, the Department shall also notify the licensee who furnished such bond of the fact that the surety will be released and discharged from any and all liability on a certain date. The licensee shall further be advised that unless it shall, on or before the expiration of such 60-day period, file with the Department a new bond in the amount and form hereinbefore in this section provided, the Department shall forthwith cancel the license of the licensee.

(e) *Issuance.* — Upon receipt of the application and bond in proper form, the Department of Transportation shall issue to the applicant a license to act as a special fuel dealer or a special fuel user or a special fuel supplier; provided, however, that the Department may refuse to issue a license to any person:

(1) Who formerly held any type of license, which, prior to the time of filing application, has been revoked for cause; or

(2) Who is a subterfuge for the real party in interest whose license, prior to the time of filing application, has been revoked for cause; or

(3) Upon other sufficient cause being shown.

Before such refusal, the Department shall grant the applicant a hearing and shall grant the applicant at least 30 days' written notice of the time and place thereof.

(f) *Term of license.* — Each special fuel license shall expire on June 30. Every person desiring to continue as a special fuel dealer or as a special fuel user or as a special fuel supplier shall annually thereafter on July 1 procure from the Department such a license, which shall expire on June 30 next following.

(g) *Assignment forbidden.* — No special fuel dealer's license or special fuel user's license or special fuel supplier's license shall be transferable.

(h) *Revocation, cancellation and surrender of license and bond.* — The Department of Transportation may revoke the license of any special fuel dealer or special fuel user or special fuel supplier for reasonable cause. Before revoking any such license the Department shall notify the licensee to show cause within 30 days of the date of the notice why such license should not be revoked; provided, however, that at any time prior to and pending such hearing the Department may, in the exercise of reasonable discretion, suspend such license.

The Department shall cancel any license to act as a special fuel dealer or a special fuel user or special fuel supplier immediately upon surrender thereof by the holder.

§ 5135. Records.

(a) *Preparation of records.* — For each location where special fuel is delivered or placed into the fuel supply tank of a motor vehicle by a licensed special fuel dealer or a licensed special fuel user, said dealer or user making such delivery shall prepare and maintain such

records as the Department of Transportation may reasonably require with respect to all such deliveries, and with respect to inventories, receipts, purchases, use and sales or other dispositions of special fuel. Also, each licensed special fuel supplier shall prepare and maintain such records as the Department of Transportation shall reasonably require with respect to all sales and/or deliveries of special fuel to customers.

(b) *Retention of records.* — The records required under this section shall be retained for a minimum of 3 years and shall be available, at all reasonable times, for examination by representatives of the Department.

(30 Del. C. 1953, § 5135; 54 Del. Laws, c. 107; 57 Del. Laws, c. 741, §§ 24B, 24C, 24E; 59 Del. Laws, c. 216, § 2; 60 Del. Laws, c. 477, § 1; 61 Del. Laws, c. 141, § 10; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5136. Monthly reports and payments.

(a) *Reports.* — For the purpose of determining the amount of liability for the tax herein imposed, each licensee shall file with the Department of Transportation, on forms prescribed by the Department, a monthly tax report. Such report shall contain a declaration by the person making same to the effect that the statements contained therein are true and are made under penalties of perjury which declaration shall have the same force and effect as a verification of the report and shall be in lieu of such verification. The report shall show such information as the Department may reasonably require for the proper administration and enforcement of this chapter. A licensed special fuel dealer or a licensed special fuel user shall file a report for each location at which special fuel is delivered or placed by said dealer or user into a fuel supply tank of a motor vehicle; provided, however, that if said dealer or user is also a wholesale distributor of special fuel at a location where special fuel is delivered into the supply tank of a motor vehicle and if separate storage is provided thereat from which special fuel is delivered or placed into fuel supply tanks of motor vehicles, the monthly report to the Department covering such location need not include inventory control data covering bulk storage from which wholesale distribution is made. A licensed special fuel supplier shall file 1 report regardless of the number of locations at which the supplier's special fuel is stored or handled.

(b) *Due date.* — The special fuel licensee shall file the report on or before the twenty-fifth day of the next succeeding calendar month following the monthly period to which it relates. When the twenty-fifth day of the month falls on a weekend or state holiday, the due date of the report shall be the next following business day of the State. Such report and payment shall be considered to have been duly and timely filed if such report or payment is postmarked by the United States Postal Service on or before the due date; provided, however, that for good cause the Secretary of the Department of Transportation may grant a licensee a reasonable extension of time.

In lieu of depositing tax payments in the United States mail, a licensed special fuel dealer, user or supplier may hand deliver said payment to the Department of Transportation or the Department may require licensed special fuel dealers, users or suppliers to make electronic transfers of such funds to the appropriate state account.

(c) *Tax computation.* — The tax imposed by this subchapter shall be computed by each special fuel dealer or special fuel user by multiplying the tax rate per gallon provided in this subchapter by the number of gallons of special fuel delivered or placed by the special fuel dealer or special fuel user into the supply tank or tanks of a motor vehicle; provided, however, that if a special fuel dealer or special fuel user has contracted with a licensed special fuel supplier to have the tax included in the price of the fuel, then the tax shall be computed by the supplier by multiplying the tax rate per gallon provided in this subchapter by the number of gallons of special fuel delivered or placed into the bulk storage tank or tanks of the dealer or user.

(d) *Payments.* — The monthly tax report shall be accompanied by remittance covering the tax due hereunder on special fuel as computed in subsection (c) of this section.

If a check received in payment of moneys due the Department under this subchapter shall be returned to the Department by the maker's bank because of insufficient funds, closed account, stopped payment or any other reason, there shall be imposed upon the maker a service charge of \$10, and interest at the rate of 1 percent per month, or fraction thereof, shall accrue on the tax from the date such tax was due to be paid. A statement shall be sent to the maker demanding payment within 10 days of the original amount of the check plus the added service charge, penalty and interest, if any, and the cost of the postage incurred in mailing the statement, such amounts to be set forth in the statement. Failure of the maker to respond to the demand within 10 days shall constitute cause for the Department to suspend the maker's special fuel license, and 30 days after such suspension, if restitution has not been received, to revoke the maker's special fuel license.

(e) *Refusal or failure to file report when due.* — In case any special fuel licensee refuses or fails to file a report required by this chapter within the time prescribed by subsection (b) of this section, there is hereby imposed a penalty of \$5.75 per business day of this State up to a maximum of \$28.75 for each such report. For each report filed more than 5 business days late, the penalty shall be \$28.75 or 12 percent of the tax due, whichever is greater, for each such report. Any tax due shall also bear interest at the rate of 1 percent per month, or fraction thereof, until same is paid; provided, however, that if any such licensee shall establish by a fair preponderance of evidence that the failure to file a report within the time prescribed was due to reasonable cause and was not with intent to violate the law, the Department may waive all or any part of the penalty provided by this subsection.

(f) *Failure to pay tax.* — When a licensee files a report but fails to pay in whole or in part the tax due hereunder, there shall be added to the amount due and unpaid, interest at the rate of 1 percent per month, or fraction thereof, from the date such tax was due to the date of payment in full thereof.

(g) *Deficiency.* — If it be determined by the Department of Transportation that the tax reported by any licensee is deficient, the Department shall proceed to assess the deficiency on the basis of information available to the Department and there shall be added to this deficiency interest at the rate of 1 percent per month, or fraction thereof, from the date such tax was due to the date of payment in full

thereof.

(h) *Determination if no report is made.* — If any person liable for a report under the requirements of this chapter as a special fuel dealer, special fuel user or special fuel supplier, whether or not the person is licensed as such, fails, neglects, or refuses to file a special fuel tax report when due, the Department of Transportation shall, on the basis of information available to it, determine the tax liability of that person for the period during which no report was filed, and to the tax as thus determined the Department shall add the penalty and interest provided in subsection (e) of this section. An assessment made by the Department pursuant to this subsection or to subsection (g) of this section shall be presumed to be correct and in any instance when the validity of the assessment is questioned, the burden shall be on the person who challenges the assessment to establish by a fair preponderance of evidence that it is erroneous or excessive as the case may be.

(i) *Fraudulent report.* — If any licensee shall file a false or fraudulent report with intent to evade the tax imposed by this chapter, there shall be added to the amount of deficiency determined by the Department a penalty equal to 25 percent of the deficiency together with interest at 1 percent per month, or fraction thereof, on such deficiency from the date such tax was due to the date of payment thereof in addition to all other penalties prescribed by law.

(j) *Limitation.* — Except in the case of a false or fraudulent report, or of neglect, failure or refusal to make a report, every deficiency shall be assessed under subsection (g) of this section within 3 years after the twenty-fifth day of the next succeeding calendar month following the monthly period for which the amount is proposed to be determined or within 3 years after the report is filed, whichever period expires the later.

(k) *Notification; redetermination; appeal.* — Promptly after determination of the amount of moneys due to the State under this subchapter for whatever reason, the Secretary of Transportation shall notify by mail the person against whom the assessment is made. Within 60 days of the date upon which any such determination was mailed, such person may file with the Secretary of Transportation a petition for redetermination of the assessment. Every petition for redetermination shall state specifically the reasons which the petitioner believes entitles the petitioner to such redetermination. It shall be the duty of the Secretary to dispose of a petition for redetermination within 90 days of the Secretary's receipt of it. The petitioner shall be promptly notified by the Secretary of the Secretary's decision. Within 60 days after the date of the Secretary's decision, the petitioner may appeal such decision to the Superior Court of this State.

(l) *Collection of delinquent taxes.* — If any special fuel dealer, special fuel user or special fuel supplier shall, for a period in excess of 10 days, be in default of payment of any taxes, penalties and/or interest thereon, which are payable under the terms of this subchapter, the Department of Transportation may issue a warrant under its official seal, signed by its Secretary, and directed to the sheriff of any county of the State, commanding the sheriff to levy upon and sell the goods and chattels of such debtor, without exemption, found within the sheriff's jurisdiction for payment of the amount of such delinquency together with any additional penalties and interest which have accrued and the cost of executing the warrant and conducting the sale, and to return such warrant to the Department and to pay the Department the money collected by virtue thereof within the time specified in the warrant which shall be not less than 20 or more than 60 days from the date the warrant was issued. The sheriff to whom any such warrant is directed shall proceed upon the same in all respects with like effect and in the same manner as prescribed by law in respect to executions issued against goods and chattels upon judgments by a court of record, and the sheriff shall be entitled to the same fees for services in executing the warrant to be collected in the same manner. The foregoing notwithstanding, nothing in this subsection shall be construed as forfeiting or waiving any rights of the Department or of this State to collect such taxes by an action upon any bond that may be filed with the Department under any provision of this subchapter where by suit or otherwise; and in case such suit, action or other proceeding shall have been instituted for the collection of said tax, such suit, action or other proceeding shall not be construed as waiving any other right herein provided.

Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5137. Refund of taxes erroneously or illegally collected.

In the event that any taxes, penalties or interest imposed by this law have been erroneously or illegally collected from a licensee, the Department of Transportation may permit such licensee to take credit against a subsequent tax report for the amount of the erroneous or illegal overpayment, or shall certify the amount thereof to the Secretary of Transportation who shall thereupon draw a warrant for such certified amount to such licensee. Such refund shall be paid to the licensee forthwith.

No refund of any taxes, fees, penalties or interest imposed under this chapter may be obtained except by filing a written claim with the Department before the expiration of 1 year from the earlier of:

- (1) The date of the payment; or
- (2) The date the payment was required to be made.

The claim must be in such form as may be prescribed by the Department, and shall specifically set forth the circumstances entitling the claimant to the refund.

c. Simultaneously with the action under paragraph (d)(5)b. of this section, the Department shall notify the licensed aviation jet fuel supplier who furnished the bond of all of the following:

1. That the surety will be released and discharged from any and all liability on a certain date.

2. That unless the supplier, on or before the expiration of the 60 day period under paragraph (d)(5)b. of this section, files with the Department a new bond in the amount and form provided in this subsection, the Department will forthwith cancel the supplier's license.

(e) *Issuance of license.* — (1) If a person files an application and bond in proper form, the Department shall issue an aviation jet fuel supplier license to the person unless any of the following apply:

(2) The licensed aviation jet fuel supplier shall include in the report required under paragraph (a)(1) of this section a declaration that the statements contained in the report are true and are made under penalties of perjury. This declaration has the same force and effect as a verification of the report and is made in lieu of such verification.

(3) The report must include such information as the Department may reasonably require for the proper administration and enforcement of this subchapter.

(4) A licensed aviation jet fuel supplier shall file 1 report regardless of the number of locations at which the supplier's aviation jet fuel is stored or handled.

(b) *Due date.* — (1) A licensed aviation jet fuel supplier shall file the report required under subsection (a) of this section and the tax due under subsection (d) of this section on or before the twenty-fifth day of the next succeeding calendar month following the monthly period to which it relates. (2) The report required under subsection (a) of this section and the tax due under subsection (d) of this section are considered to have been timely filed if the report or payment is postmarked by the United States Postal Service on or before the due date. The Secretary of the Department may, for good cause shown, grant a licensed aviation jet fuel supplier a reasonable extension of time.

(3) In lieu of depositing the payment covering the tax due under subsection (d) of this section in the United States mail, a licensed aviation jet fuel supplier may hand deliver the payment to the Department or the Department may require a licensed aviation jet fuel supplier to make electronic transfers of the payment to the appropriate state account.

(c) *Tax computation.* — A licensed aviation jet fuel supplier shall compute the tax imposed by this subchapter and include the tax in the price of the fuel. A licensed aviation jet fuel supplier shall compute the tax by multiplying the tax rate per gallon provided in this subchapter by the number of gallons of aviation jet fuel delivered to the customer.

(d) *Payments.* — (1) A licensed aviation jet fuel supplier shall include a payment covering the tax due under this subchapter on aviation jet fuel, as computed in subsection (c) of this section, with the monthly tax report required under subsection (a) of this section.

If the supplier does not make the payment required under paragraph (d)(2)b. of this section within 30 days after the Department suspends the supplier's license, the Department may revoke the supplier's license.

(e) *Refusal or failure to file report or pay tax when due.* — (1) If a licensed aviation fuel supplier refuses or fails to file a report required under subsection (a) of this section within the time prescribed by subsection (b) of this section, the Department shall impose a penalty of \$5.75 per business day of this State up to a maximum of \$28.75 for each such report. For each report filed more than 5 business days late, the Department shall impose a penalty of \$28.75 or 12% of the tax due, whichever is greater, for each such report.

(2) If a licensed aviation fuel supplier refuses or fails to pay the tax due under subsection (d) of this section within the time prescribed by subsection (b) of this section, the tax due bears interest at the rate of 1% per month, or fraction thereof, from the date the tax was due until the tax is paid in full.

(3) The Department may waive all or part of the penalties imposed by this subsection if a licensed aviation fuel supplier establishes by a preponderance of evidence that the supplier's failure to file the report or tax due within the time prescribed was due to reasonable cause and was not with intent to violate the law.

(f) *Deficiency.* — If the Department determines that the tax reported by a licensed aviation fuel supplier is deficient, the Department shall proceed to assess the deficiency on the basis of information available to the Department. In addition, the Department shall add to the deficiency interest at the rate of 1% per month, or fraction thereof, from the date the tax was due until the tax is paid in full.

(g) *Determination if no report is made.* — (1) If any person liable for a report under this subchapter as an aviation jet fuel supplier, whether or not the person is a licensed aviation jet fuel supplier, fails, neglects, or refuses to file a report under subsection (a) of this section when the report is due, the Department shall, on the basis of information available to it, determine the tax liability of that person for the period during which no report was filed. In addition, the Department shall add to the tax determined to be due the penalty and interest provided for under subsection (e) of this section.

(2) An assessment made by the Department under this subsection or subsection (f) of this section is presumed to be correct. If a person questions the validity of the assessment, the person bears the burden to establish by a preponderance of evidence that the assessment is erroneous or excessive.

(h) *Fraudulent report.* — If a licensed aviation fuel supplier files a false or fraudulent report with intent to evade the tax imposed by this subchapter, the Department shall add to the amount of deficiency a penalty equal to 25% of the deficiency together with interest at 1% per month, or fraction thereof, on such deficiency from the date the tax was due until the tax is paid in full. The penalty imposed under this subsection is in addition to any other penalty prescribed by law.

a. Levy upon and sell the supplier's goods and chattels, without exemption, found within the sheriff's jurisdiction for payment of the amount of such delinquency together with any additional penalties and interest which have accrued and the cost of executing the warrant and conducting the sale.

(2) The sheriff to whom a warrant is directed under paragraph (k)(1) of this section shall proceed upon the warrant in all respects with like effect and in the same manner as prescribed by law in respect to executions issued against goods and chattels upon judgments by a court of record. The sheriff is entitled to the same fees for services in executing the warrant to be collected in the same manner.

(3) Nothing in this subsection may be construed as forfeiting or waiving any rights of the Department or of this State to collect any tax payable under this subchapter by an action upon any bond that may be filed with the Department under any provision of this subchapter whether by suit or otherwise. If a suit, action, or other proceeding is instituted for the collection of any tax payable under this subchapter, the suit, action, or other proceeding may not be construed as waiving any other right provided by this subchapter.

(82 Del. Laws, c. 118, § 1.)

When the amount of the credit to which a motor carrier is entitled for any reporting period exceeds the amount of the tax for which such carrier is liable for that same period, such excess shall, upon application within 1 year from the end of said period and supported by such evidence as the Department may

require, be allowed as a credit against the tax for which such carrier would be otherwise liable or at the carrier's request be refunded.

(b) The Department of Transportation shall allow such refund only upon receipt of a bona fide claim subject to criteria established under promulgated regulations. If the Department of Transportation shall refuse to allow a refund in the amount claimed by the applicant, the applicant may request a formal hearing on the application for a refund. Such hearing shall be held by the Department of Transportation after written notice to the applicant of not less than 10 days. Whenever any refund is ordered, it shall be paid out of the General Fund. So much of the moneys received as payment of the tax, interest and penalties under this chapter as shall be necessary for the payment of the refunds provided for in this section is appropriated by this subsection for payment of such refunds. No tax, interest, penalty or fee received or derived from any other tax imposed by the laws of this State shall be used to pay any refund or credit due and payable under the provisions of this section. Prior to any such refund or credit is paid out of the General Fund, the Delaware Transportation Authority shall reimburse the General Fund from the Transportation Trust Fund, on receipt of a notice from the Treasurer reflecting the pending payment of the refund or credit and the amount by which the General Fund must be reimbursed.

(c) If such refund granted under the provisions of this section shall, within 3 years of the date of payment, be determined by the Department to have been erroneously or illegally refunded in whole or in part, the Department of Transportation shall demand restitution from the motor carrier for deposit to the account of the General Fund. Such a demand by the Department shall constitute an assessment pursuant to the terms of § 5218 of this title. Any deposits received into the General Fund pursuant to this subsection shall be credited and deposited in the same fashion as all other taxes, fees, penalties and interest received by the State under this chapter.

§ 5205. Tax due date.

The tax imposed by this chapter shall be paid by each motor carrier quarterly to the Department of Transportation on or before April 30, July 31, October 31 and January 31 of each year and calculated upon the amount of motor fuel used in its operations on highways within this State by each such carrier during the quarter ending with the last day of the preceding month.

(30 Del. C. 1953, § 5205; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 68 Del. Laws, c. 290, § 184.)

§ 5206. Deposits of revenue.

All taxes, fees, penalties and interest received by the State under this chapter, as amended, shall be deposited, not later than the close of the business day next following such receipt, to the credit of the Delaware Transportation Authority pursuant to Chapters 13 and 14 of Title 2, as amended, and any resolution or indenture of the Delaware Transportation Authority, authorizing the issuance of bonds to finance the costs of transportation facilities described in said title, to be used to finance the costs of roads, highways and other transportation facilities and not to defray the expenses and obligations of the general government of the State.

(30 Del. C. 1953, § 5206; 57 Del. Laws, c. 496, § 1; 63 Del. Laws, c. 387, § 42(a); 67 Del. Laws, c. 285, §§ 56(d)-56(f).)

§ 5207. Calculation of amount of fuel used in State.

The amount of gasoline or other motor fuel used in the operation of any motor carrier on highways within this State shall be such proportion of the total amount of such gasoline or other motor fuel used in its entire operations within and without this State, as the total number of miles traveled on highways within this State bears to the total number of miles traveled within and without this State.

(30 Del. C. 1953, § 5207; 57 Del. Laws, c. 496, § 1.)

§ 5208. Report requirements; exemptions.

Every motor carrier subject to the tax imposed by this chapter shall on or before April 30, July 31, October 31 and January 31 of every year make to the Department of Transportation such reports of its operations during the quarter ending the last day of the preceding month as the Department of Transportation may require and such other reports from time to time as the Department of Transportation may deem necessary. The Department of Transportation, by regulation, may exempt from the quarterly reporting requirements of this section those motor carriers operating solely within this State and require in such instance an annual affirmation, if in its discretion the enforcement of this chapter would not be adversely affected by such a regulation. The Department of Transportation is further authorized by regulation to exempt from the quarterly reporting requirements of this section and to require in such instances an annual affirmation of motor carriers licensed in this State who perform substantially all of their travel in this State; provided the Department of Transportation is assured that a sufficient amount of fuel is purchased in this State which is commensurate with the motor carrier's operations on highways within this State.

The Department of Transportation may, by regulation, exempt certain other motor carriers from the quarterly reporting requirements of this section. The Secretary of the Department of Transportation shall promulgate regulations which will set forth and determine the minimum amount of annual net fuel use taxes due the State which, if not exceeded by the estimate of any motor carrier, will exempt that motor carrier from quarterly reporting requirements of this section. The motor carrier who desires to be exempt from the quarterly reporting requirements must, on the motor carrier's first application for registration in a given registration year, attest that the motor carrier's estimated net fuel use tax in said year will be less than the threshold amount established by the Secretary of Transportation's regulation. The Secretary of Transportation is further authorized to allow by regulation in such instances, the filing of an annual report due with remittance on or before January 31 following completion of said registration year.

(30 Del. C. 1953, § 5208; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 65 Del. Laws, c. 328, §§ 1, 2; 68 Del. Laws, c. 156, § 51(a); 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5209. Average consumption.

In the absence of adequate records or other evidence satisfactory to the Department of Transportation showing the number of miles operated by a motor carrier's motor vehicles per gallon of motor fuel, any such motor vehicle shall be deemed to have consumed 1 gallon of motor fuel for each 5 miles operated.

(30 Del. C. 1953, § 5209; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 68 Del. Laws, c. 290, § 184.)

§ 5210. Records.

Every motor carrier shall keep such records, in such form as the Department of Transportation reasonably may prescribe, as will enable the carrier to report and enable the Department of Transportation to determine the total number of over-the-road miles traveled by its entire fleet of motor vehicles, the total number of over-the-road miles traveled in Delaware by the entire fleet, the total number of gallons of motor fuel used by the entire fleet and the total number of gallons of motor fuel purchased in Delaware for the entire fleet. All such records shall be safely preserved for a period of 3 years in such manner as to insure their security and availability for inspection by the Department of Transportation or any authorized employee engaged in the administration of this chapter. Upon application in writing stating the reasons therefor, the Department of Transportation may, at its discretion, consent to the destruction of any such records at any time within the period if such records pertain to a period which has been audited by the Department of Transportation.

(30 Del. C. 1953, § 5210; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 66 Del. Laws, c. 244, § 1; 68 Del. Laws, c. 290, § 184.)

§ 5211. Vehicle marker; fee; penalty assessments payable by mail; victims' compensation tax.

(a) The Department of Transportation shall provide an identification marker and registration card to every motor vehicle operated within this State by the motor carrier. The identification marker must be affixed to the vehicle in an easily visible position and the registration card carried in the cab of the vehicle. The identification marker and registration card shall remain the property of this State and may be recalled for any violation of this chapter or of the regulations promulgated under this chapter. The Department of Transportation shall provide by regulation for the registration of every such vehicle for a fee of \$5.00 each. Registration cards and identification markers shall be issued on a 12-month basis effective January 1 of each year and shall be valid through the next succeeding December 31 except that any identification marker and registration card issued during a registration year for the subsequent registration year shall constitute valid registration immediately upon proper display of the marker and possession of the registration card in the subject vehicle. The enforcement of this subsection shall not become effective until January 15 of each year; provided the motor carrier has the previous year's identification card in the cab of the vehicle before entry into this State. It shall be illegal to operate or to cause to be operated in this State any motor vehicle defined in § 5202 of this title unless the vehicle bears the identification marker required by this section; provided, however, that the Department of Transportation, by regulation, may exempt from the requirement of displaying the identification marker such vehicles as urban and public transit vehicles or others if in its discretion they are clearly identifiable and the effective enforcement of this chapter will not suffer thereby. In addition and for a period not exceeding 72 hours as to any 1 motor carrier the Department of Transportation, by letter or telegram, may authorize the operation of a vehicle or vehicles without the identification marker required when the enforcement of this section for that period would cause undue delay and hardship in the operation of the vehicle or vehicles. The fee for this authorization shall be \$15 for each motor vehicle and conditions for the issuance of such authorization shall be set by regulations promulgated by the Department of Transportation.

(b) (1) Whoever violates this section shall, for the first offense, be fined not less than \$115 nor more than \$345, and for each subsequent offense, not less than \$345 nor more than \$575.

(2) Justice of the Peace Courts shall have exclusive jurisdiction over this section.

(c) Any duly authorized police officer of this State or of any political subdivision of this State, who charges any person with any of the specified offenses as set out in this section, may, in addition to issuing a summons for said offenses, provide the offending operator with a form which, when properly executed by the officer and the offender, will allow the offender to dispose of the charge without the necessity of personally appearing in the Court to which the summons is returnable. Such penalty assessments must be paid within 10 days from the date of arrest and shall be paid only by check or money order. This subsection shall be applicable to Delaware residents and to residents of those jurisdictions which reciprocate with Delaware.

(d) In addition to, and at the same time as, any fine is assessed under this chapter, there shall also be levied an additional victims' compensation tax surcharge in the amount of 18% of the fine imposed. This surcharge shall be payable in the same manner as set forth in subsection (c) of this section.

§ 5212. Imposition of tax.

The taxes imposed on motor carriers by this chapter are in addition to any taxes of whatever character imposed on such carriers by any

other provision of law.

(30 Del. C. 1953, § 5212; 57 Del. Laws, c. 496, § 1.)

§ 5213. Enforcement.

The Delaware State Police is authorized and directed to assist in the enforcement of this chapter, and the police officers of any political subdivision of this State are hereby authorized to assist in the enforcement of this chapter.

(30 Del. C. 1953, § 5213; 57 Del. Laws, c. 496, § 1; 64 Del. Laws, c. 395, § 2.)

§ 5214. Filing of bond; refund provisions.

The Department of Transportation may require a motor carrier to provide a surety company bond, which at no time shall exceed the amount of \$20,000, payable to this State and conditioned that the carrier will pay all taxes due and to become due under this chapter from the date of the bond to the date when either the carrier or the bonding company notifies the Department of Transportation that the bond has been cancelled. The surety shall be a corporation authorized to write surety bonds in Delaware. So long as the bond remains in force the Department of Transportation may order refunds to the motor carrier in the amounts appearing to be due on applications duly filed by the motor carrier under § 5204 of this title without first auditing the records of the carrier including the penalties and interest provided in § 5218 of this title, even though the assessment is made after cancellation of the bond, but only for taxes due and payable while the bond was in force and penalties and interest on these taxes.

(30 Del. C. 1953, § 5214; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 64 Del. Laws, c. 365, § 3; 68 Del. Laws, c. 290, § 184.)

§ 5215. False statements; penalties.

Any person who wilfully and knowingly makes, publishes, delivers or utters a false statement orally, or in writing, or in the form of a receipt for the sale of motor fuel, for the purpose of obtaining or attempting to obtain, or to assist any other person to obtain or attempt to obtain a credit or refund or reduction of liability for taxes under this chapter, upon conviction, shall be sentenced to pay a fine not exceeding \$575, undergo imprisonment for a term not exceeding 1 year, or both.

(30 Del. C. 1953, § 5215; 57 Del. Laws, c. 496, § 1; 68 Del. Laws, c. 9, § 13.)

§ 5216. Departure or removal of property from State or discontinuing business; arbitrary assessment.

If the Department of Transportation ascertains that a person decides quickly to depart from this State, or to remove therefrom the person's property, or any property used by the person in operations subject to this chapter, or to discontinue business, or to do any other act tending to prejudice or render wholly or partially ineffectual proceedings to assess or collect such tax, whereby it becomes important that such proceedings be brought without delay, the Department of Transportation may immediately make an arbitrary assessment of the amount of tax due, whether or not any report is then due by law and may proceed under such arbitrary assessment to collect the tax, or compel security for the same, and thereafter shall cause notice of such finding to be given to such motor carrier, together with a demand for an immediate report and immediate payment of such tax.

(30 Del. C. 1953, § 5216; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5217. Failure to report or pay tax; penalty; interest.

When any motor carrier fails to file a report within the time prescribed by this chapter for the filing thereof, the motor carrier shall pay as a penalty for each day thereafter, Saturdays, Sundays and other legal holidays excluded, until the report is filed, the sum of \$5.75, up to a maximum penalty of \$28.75 for each such report. For each report filed more than 5 business days late, the penalty shall be \$28.75 or 12 percent of the tax due, whichever is greater, for each such report. In addition to the penalty imposed by this section, any unpaid tax shall bear interest at the rate of 1% per month, or fraction thereof, until the same is paid. The penalties and interest charges imposed by this section shall be paid to the Department of Transportation in addition to the tax due. The Department of Transportation, if satisfied that the failure to file the report or pay the tax was excusable, may remit or waive the payment of the whole or part of the penalty or interest charge assessed.

(30 Del. C. 1953, § 5217; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 59 Del. Laws, c. 216, § 4; 64 Del. Laws, c. 368, § 7; 65 Del. Laws, c. 427, § 5; 67 Del. Laws, c. 260, § 1; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5218. Time for payment of taxes, penalties and interest; additional penalty.

All taxes, penalties and interest assessed pursuant to this chapter, unless earlier payment is provided in this chapter, shall be paid within 30 days after notice and demand shall have been mailed to the carrier by the Department of Transportation. If such taxes, penalties, and interest so assessed pursuant to §§ 5216, 5217 and 5218 of this title, shall not be paid within 30 days, there may be added to the amount of assessment in addition to interest as already provided and any other penalties provided by law, a sum equivalent to 5% of the tax.

(30 Del. C. 1953, § 5218; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 2; 65 Del. Laws, c. 427, § 6; 68 Del. Laws, c. 290, § 184.)

§ 5219. Manner of payment and recovery of penalties and interest; debt of motor carrier; lien; preference.

(a) All penalties and interest when imposed under this chapter shall be payable to and recoverable by the Secretary of Transportation in

the same manner as if they were part of the tax imposed.

(b) The taxes, fees, interest and penalties imposed under this chapter from the time the same shall be due shall be a debt of a motor carrier which does not maintain premises for the transaction of business within Delaware, recoverable in the Superior Court of this State in an action in the name of the State. Such debt, whether sued upon or not, shall be a lien on all the property of the debtor, except as against an innocent purchaser for value without notice thereof, and shall have priority both in lien and distribution of the assets of the motor carrier, whether in bankruptcy, insolvency or otherwise. The proceeds of any judgment or order obtained under this section shall be paid to the Secretary of Transportation. The service of all papers in the action shall be upon the Secretary of Transportation of the State, with a copy mailed by certified mail, to the last known address of the defendant.

(c) Any tax determined to be due from any person who maintains premises for the conduct of business in Delaware and remaining unpaid after demand for the same, and all penalties and interest thereon, shall be a lien in favor of the State upon the property, both real and personal, of such person but only after the lien has been entered and docketed of record by the Prothonotary of the county where such property is situated. The Secretary of Transportation may at any time transmit to the Prothonotaries of the respective counties certified copies of all liens for such taxes, penalties and interest and it shall be the duty of each Prothonotary receiving the lien to enter and docket the same of record in the Prothonotary's office, which lien shall be indexed as judgments are now indexed. A writ of execution may directly issue upon such lien, without the issuance and prosecution to judgment of a writ of scire facias; provided, that no less than 10 days before issuance of any execution on the lien, notice of the filing and the effect of the lien shall be sent by registered mail to the taxpayer at the last known post-office address. No Prothonotary shall require as a condition precedent to the entry of such liens, the payment of any costs incident thereto.

(d) The lien imposed hereunder, shall have priority from the date of its recording as aforesaid, and shall be fully paid and satisfied out of the proceeds of any judicial sale of property subject thereto, before any other obligation, judgment, claim, lien or estate to which said property may subsequently become subject, except costs of the sale and of the writ upon which the sale was made, and real estate taxes and municipal claims against such property, but shall be subordinate to mortgages and other liens existing and duly recorded or entered of record prior to the recording of the tax lien. In the case of a judicial sale of property subject to a lien imposed hereunder upon a lien or claim over which the lien imposed hereunder has priority, as aforesaid, such sale shall discharge the lien imposed hereunder to the extent only that the proceeds are applied to its payment, and such lien shall continue in full force and effect as to the balance remaining unpaid.

(e) The lien imposed hereunder shall continue for 5 years from the date of its entry of record, and may be renewed and continued in the manner now or hereafter provided for the renewal of judgments.

(30 Del. C. 1953, § 5219; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 3; 59 Del. Laws, c. 216, § 5; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

§ 5220. Failure to pay tax; determination; redetermination; review.

(a) If any person shall fail to pay any tax imposed by this chapter for which the person is liable, the Secretary of Transportation is authorized and empowered to make a determination of additional tax and interest due by such person based upon any information within the Secretary's possession or that shall come into the Secretary's possession. All of such determinations shall be made so that notice thereof shall reach the parties against whom made within 3 years after the due date of the tax.

(b) Promptly after the date of such determination, the Secretary of Transportation shall send, by certified mail, a copy thereof to the person against whom it was made. Within 60 days after the date upon which the copy of any such determination was mailed, such person may file with the Secretary of Transportation a petition for redetermination of such taxes. Every petition for redetermination shall state specifically the reasons which the petitioner believes entitle the petitioner to such redetermination and it shall be supported by affidavit that it is not made for the purpose of delay and that the facts set forth are true and correct. It shall be the duty of the Secretary of Transportation within 90 days after the date of any determination to dispose of any petition for redetermination. Notice of the action taken upon any petition for redetermination shall be given to the petitioner promptly after the date of redetermination by the Secretary of Transportation.

(c) Any person shall have the right to review by the Secretary of Transportation and appeal to the Superior Court of this State.

(30 Del. C. 1953, § 5220; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 3; 59 Del. Laws, c. 216, § 5; 65 Del. Laws, c. 427, § 7; 68 Del. Laws, c. 290, § 184; 70 Del. Laws, c. 186, § 1.)

Any person wilfully violating this chapter and not covered by any other penalty provision contained in this chapter, upon conviction, shall be sentenced to pay a fine not exceeding \$500, or undergo imprisonment for a term not exceeding 1 year, or both. If the person convicted is a corporation, any imprisonment imposed shall be served by the responsible corporate officer.

(30 Del. C. 1953, § 5221; 57 Del. Laws, c. 496, § 1.)

§ 5222. Availability of records of other agencies; exchange of information with other jurisdictions.

(a) The records of any other state agency, board or commission, to the extent that the same may be pertinent to the administration and enforcement of this chapter and the determination of liability under this chapter, shall be available to the Secretary of Transportation.

(b) The Department of Transportation shall, upon request from the officials to whom are entrusted the enforcement of the motor carrier fuel use tax laws of any other state, the District of Columbia, the United States, its territories and possessions or the provinces of the Dominion of Canada, forward to any such officials any information which it may have relative to registration, tax reporting, audit findings

and any other information concerning motor carrier operations in this State; provided, that such other governmental jurisdictions furnish like information to this State.

§ 5223. Regulations; promulgation by Secretary of Transportation.

The Secretary of Transportation shall, from time to time, promulgate such regulations as may be necessary for the effective enforcement of this chapter.

(30 Del. C. 1953, § 5223; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 467, § 3; 59 Del. Laws, c. 216, § 5; 68 Del. Laws, c. 290, § 184.)

§ 5224. Exempt vehicles; carriers.

(a) Nothing in this chapter shall apply to any vehicle operated by or on behalf of any department, board, bureau or commission of this State, or any political subdivision thereof, or any quasi-governmental authority of which this State is a participating member, or any agency of the federal government or the District of Columbia or of any state or any political subdivision thereof which grants similar exemption to publicly owned vehicles registered in this State. Nor shall this chapter apply to any school bus operated by, for or on behalf of this State, any political subdivision thereof or any private or privately operated school.

(b) This chapter shall not apply to any motor vehicle for which the registration and inspection has been exempted pursuant to § 2113(2) of Title 21.

(c) This chapter shall not apply to any vehicle operated by, for or on behalf of any volunteer fire company or any ambulance owned and/or operated by a civic or veterans' organization on a volunteer basis.

(d) This chapter shall not apply to any motor vehicle being road tested for sale or any motor vehicle being delivered to or from a motor vehicle dealer; provided, that said vehicle displays a valid dealer's license plate.

(e) This chapter shall not apply to any farm truck with a gross registered vehicle weight of less than 40,001 pounds providing that said vehicle displays a valid FT license tag or its equivalent.

(30 Del. C. 1953, § 5224; 57 Del. Laws, c. 496, § 1; 60 Del. Laws, c. 488, § 2; 61 Del. Laws, c. 59, § 1; 61 Del. Laws, c. 344, §§ 1, 2; 64 Del. Laws, c. 394, § 1; 65 Del. Laws, c. 205, § 1; 65 Del. Laws, c. 427, § 8; 67 Del. Laws, c. 405, § 2; 70 Del. Laws, c. 435, § 1.)

§ 5225. Exemption; reciprocal agreements.

This chapter shall not apply to motor vehicles bearing the registration plates of any other state which does not impose a tax, license or fee upon motor vehicles bearing valid registration plates of this State. The Secretary of Transportation is authorized to make reciprocal agreements with the proper officials of any other state imposing any such tax, license or fee providing for the reduction or relief from the tax imposed by this chapter, upon motor vehicles bearing valid registration plates of such other state, in exchange for the reduction or relief from the tax, license or fee imposed by such other state upon motor vehicles bearing valid registration plates of this State.

(30 Del. C. 1953, § 5225; 57 Del. Laws, c. 496, § 1; 58 Del. Laws, c. 334; 58 Del. Laws, c. 467, § 3; 59 Del. Laws, c. 216, § 5; 68 Del. Laws, c. 290, § 184.)

§ 5226. Failure to comply with other statutes.

Any motor carrier who fails to comply with the requirements of Chapter 51 of this title, also administered by the Department, shall be subject to withholding, suspension or revocation of motor carrier operating privileges as provided under § 5211(a) of this title until such time as the Secretary determines that such motor carrier is in compliance with Chapter 51 of this title.

A statement shall be sent to the maker demanding payment within 15 days of the original amount of the check plus the added service charge, interest, if any, and the cost of the postage incurred in mailing the statement. Failure of the maker to respond to the demand within 15 days shall constitute cause for the Department to suspend the maker's operating privileges in this State and 30 days thereafter, to revoke the maker's operating privileges in this State.

(65 Del. Laws, c. 302, § 1; 67 Del. Laws, c. 260, § 1.)

§ 5228. Moneys erroneously collected.

In the event that any fees, taxes, penalties or interest imposed by this chapter shall have been erroneously collected from the motor carrier, the Department of Transportation may, upon request of the motor carrier, permit such motor carrier to take credit against a subsequent tax report in the amount of the erroneous overpayment, or, the Department may certify to the State Treasurer the amount of fees, taxes, penalties and/or interest erroneously collected by the Department. The State Treasurer shall thereupon draw a warrant for such certified amount made payable to the motor carrier.

No refund of any taxes, fees, penalties or interest imposed under this chapter may be obtained except by filing a written claim with the

Department before the expiration of 1 year from the earlier of:

- (1) The date of the payment; or
- (2) The date the payment was required to be made.

An agreement, arrangement, declaration or amendment thereto is not effective until executed and filed with the Department of Transportation.

(b) An agreement may provide for determining the base state for users, users records requirements, audit procedures, exchange of information, persons eligible for tax licensing, defining qualified motor vehicles, determining if bonding is required, specifying reporting requirements and periods including defining uniform penalty and interest rates for late reporting, determining methods for collecting and forwarding of motor carrier fuel use taxes and penalties to another jurisdiction and other provisions as will facilitate the administration of the agreement.

(c) The Department of Transportation may, as required by the terms of an agreement, forward to officers of another state any information in the Department's possession relative to the manufacture, receipts, sale, use, transportation or shipment of motor fuels by any person. The Department of Transportation may disclose to officers of another state, the location of officers, motor vehicles and other real and personal property of users of motor fuels.

Each state shall forward the findings of the audits performed on persons based in the State, to each state in which the person has taxable use of motor fuels. For persons not based in this State and who have taxable use of motor fuel in this State, the Department of Transportation may serve the auditing findings received from another state, in the form of an assessment, on the person as though an audit was conducted by the Department of Transportation.

(e) Any agreement entered into pursuant to this section shall not preclude the Department from auditing the records of any person covered by the provisions of this chapter.

(f) The legal remedies for any person served with an order or assessment under this section shall be as prescribed in this chapter.

(c) *Vending machine license.* — Every vending machine from which tobacco products are offered for sale must have affixed to it an identification stamp issued by the Department of Finance for which a fee of \$15 must be paid to the Department. If 2 or more vending machines are fastened together, each set of mechanisms must have a separate vending machine license.

(d) *Affixing agent license.* — For each affixing agent's license issued there must be paid to the Department of Finance a fee of \$200, but only 1 license fee of \$200 is required of any person who is both a wholesale dealer and an affixing agent.

§ 5309. Application for license.

(a) Every person desiring to engage in the sale of tobacco products at wholesale, retail, or by tobacco product vending machines within this State, except those persons who are exempt under § 5305(d) of this title, and every person desiring to become an affixing agent shall file an application for a license with the Department of Finance.

(1) Every application for a tobacco product license must be made upon a form prescribed, prepared, and furnished by the Department and must set forth the name under which the applicant transacts or intends to transact business; the location of the applicant's place of business, whether within or without the State; whether or not the applicant is the holder of a mercantile or business license in effect when the application is made and, if so, the number of such license and the county for which such license was issued; and such other information as the Department may require.

(2) If the applicant has or intends to have more than 1 place of business within the State, the application must state the location of each place of business.

The operator of tobacco product vending machines shall list all locations at which the operator has machines at the time of the application. The operator may also request extra licenses for new machines to be placed in new locations up to 10% of the listed locations on file with the Department without submitting actual locations. As the new machines are placed on location for sale of tobacco products, the operator shall immediately notify the Department and the operator shall become eligible to apply for licenses for an additional 10% of the operator's new totals. Failure to notify the Department when and where new machines are placed in operation is cause for suspension and seizure of all licenses and tobacco product vending machines.

(30 Del. C. 1953, § 5309; 54 Del. Laws, c. 296, § 1; 57 Del. Laws, c. 136, § 23; 57 Del. Laws, c. 741, § 16C; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 55, § 7.)

Every license shall expire on December 31 next succeeding the date upon which it was issued, unless sooner suspended, surrendered, revoked or renewed.

(30 Del. C. 1953, § 5311; 54 Del. Laws, c. 296, § 1; 60 Del. Laws, c. 506, § 2.)

§ 5312. Replacement of licenses.

Whenever any license issued under this chapter is defaced, destroyed, or lost, the Department of Finance may issue a duplicate to the holder of the defaced, destroyed, or lost license upon the payment of a fee of \$10 by the holder.

(30 Del. C. 1953, § 5312; 54 Del. Laws, c. 296, § 1; 57 Del. Laws, c. 741, §§ 16C, 16D; 81 Del. Laws, c. 55, § 8.)

§ 5313. Suspension or revocation of license.

The Department of Finance, after a hearing before the Secretary of Finance, may suspend or revoke a license issued pursuant to this chapter whenever it finds that the holder thereof has failed to comply with any of the provisions of this chapter or any regulations of the Department adopted pursuant to § 5329 of this title. Whenever the Department intends to suspend a license for any violation under this

chapter, it shall immediately notify the holder in writing, stating the violations charged and giving the licensee the right of a hearing before the Secretary of Finance within 5 days after receipt of such written notice. After such hearing, the Department shall either rescind the notice of the suspension, enforce the suspension or revoke the license. Upon the suspension or revocation of any license, the holder thereof shall forthwith surrender all licenses to the Department issued to the holder under this chapter and no refund of fees shall be paid.

(30 Del. C. 1953, § 5313; 54 Del. Laws, c. 296, § 1; 57 Del. Laws, c. 741, §§ 16C, 16D; 70 Del. Laws, c. 186, § 1.)

§ 5314. Transfer of license.

Any licensed dealer may transfer a license from 1 location to another or from 1 tobacco product vending machine to another in accordance with the rules and regulations of the Department.

(30 Del. C. 1953, § 5314; 54 Del. Laws, c. 296, § 1; 81 Del. Laws, c. 55, § 9.)

§ 5315. Tobacco product tax stamps; affixing; amount; cancellation.

(a) Within the time prescribed, every authorized affixing agent shall affix to each pack of tobacco products received by the agent and shall cancel Delaware tobacco product tax stamps to evidence payment of the tax imposed by this chapter, unless such stamps have been affixed to the packs of tobacco products and cancelled before such authorized affixing agent received them.

(b) Stamps in an amount not less than the tax thereon must be affixed to each pack of tobacco products in such manner that they will be visible to the purchaser. The authorized affixing agent, affixing such stamps, shall cancel them immediately in such manner as may be prescribed by the Department.

(30 Del. C. 1953, § 5315; 54 Del. Laws, c. 296, § 1; 57 Del. Laws, c. 136, § 23; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 55, § 10.)

(b) (1) The Department shall make provisions for the sale of Delaware tobacco product tax stamps in such places and at such times as it deems necessary.

(2) All stamps must be paid for at the time of purchase.

(3) Notwithstanding paragraph (b)(2) of this section, an authorized affixing agent may enter into an agreement with the Department of Finance providing for deferred payment for tobacco product stamps or for amounts added to tobacco product tax meters during a month to a date not later than 30 days from the date of purchase or addition to a tobacco product tax meter if the affixing agent furnishes a bond to assure payment in such amount as required by the Secretary of Finance, and pays all amounts due for the month of June by June 25.

(4) A person may not purchase tobacco product stamps from any person other than the Department of Finance or its authorized agents, except in accordance with the Finance Department's regulations relating to the stamping of floor stock.

(30 Del. C. 1953, § 5316; 54 Del. Laws, c. 296, § 1; 57 Del. Laws, c. 136, § 23; 57 Del. Laws, c. 741, § 16C; 58 Del. Laws, c. 291, § 2; 81 Del. Laws, c. 55, § 11; 82 Del. Laws, c. 226, § 11.)

(a) The authorized affixing agent shall affix the required amount of Delaware tobacco product tax stamps to unstamped tobacco products within 72 hours after receipt of the tobacco products and prior to the sale of the tobacco products, unless the tobacco products are exempt by other provisions of this chapter. Whenever any tobacco products are found in the place of business of the authorized affixing agent without the stamps affixed as provided by this subsection, or not segregated or marked as having been received within the preceding 72 hours, or not segregated or marked as exempt from requirement of Delaware tobacco product tax stamp under other provisions of this chapter, a prima facie presumption arises that such tobacco products are possessed in violation of this chapter.

(b) Between noon local time and midnight on each July 31 and December 31, an affixing agent may not have in its possession cigarettes without the stamps affixed as provided under subsection (a) of this section or not segregated or marked as exempt from the requirement of Delaware tobacco product tax stamps. The affixing agent shall accurately report to the Director of Revenue the quantity of cigarettes bearing stamps and the balance remaining in any device used for affixation of stamps at that time. Failure to comply with this subsection is prima facie cause for suspension or revocation of licenses under § 5313 of this title.

(30 Del. C. 1953, § 5317; 57 Del. Laws, c. 136, § 23; 67 Del. Laws, c. 280, § 2; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 55, § 12.)

§ 5318. Appointment of stamp affixing agents; commission.

(a) The Department may appoint any manufacturer of tobacco products or wholesaler within this State and may appoint any other person within or without this State as its agent to affix Delaware tobacco product tax stamps. Tax affixing agents located outside the State must apply the stamps to all taxable tobacco products before bringing them into this State.

(b) Whenever the Department shall sell, consign, or deliver Delaware tobacco product tax stamps to any authorized stamp affixing agent, such agent is entitled to receive as compensation for such agent's services and expenses a commission at the rate of 3/10 of 1 cent for affixing the tax stamp to each package of 20 or more cigarettes. The commission is to be retained out of the moneys to be paid by such agent for such stamps purchased from the Department.

(30 Del. C. 1953, § 5318; 54 Del. Laws, c. 296, § 1; 55 Del. Laws, c. 175; 57 Del. Laws, c. 136, § 23; 58 Del. Laws, c. 291, § 3; 65 Del. Laws, c. 118, § 4; 70 Del. Laws, c. 186, § 1; 81 Del. Laws, c. 55, § 13.)

§ 5319. Alternate method of collection; other tobacco products.

If in the judgment of the Department the collection of the excise tax imposed in § 5305 of this title upon tobacco products other than cigarettes will be more efficiently and economically collected by a system which does not employ tax stamps as authorized by this chapter, such alternative system may be utilized by the Department at its discretion. The alternative system may include self-assessment by any wholesale or retail tobacco products dealer on forms supplied by the Department. If instituted, the alternative collection system shall be set forth in the rules and regulations of the Department, which shall be distributed to all affected dealers at least 90 days in advance of the effective date of such rules and regulations.

(30 Del. C. 1953, § 5319; 57 Del. Laws, c. 136, § 24.)

If the Department is satisfied that a refund is proper, it shall certify the proposed amount of refund and thereafter shall issue to the person seeking the refund stamps or cash of sufficient value to cover the refund.

§ 5423. Delaware Land and Water Conservation Trust Fund.

(a) There is created and established under the jurisdiction and control of the Department a trust fund to be known as the Delaware Land and Water Conservation Trust Fund to implement the conservation program described in 65 Del. Laws, c. 212. Within the Conservation Trust Fund there is established an "Endowment Account," and an "Infrastructure Account." The Endowment Account shall be invested in a manner consistent with endowment investment guidelines as approved by the Cash Management Policy Board. Funds in the Conservation Trust Fund shall be applied for the purposes of this subchapter as hereinafter provided.

(b) (1) The corpus of funds remaining on deposit in the Delaware Land and Water Conservation Trust Fund maintained under § 4733 [repealed] of Title 7 on July 13, 1990, shall be deposited in the Endowment Account. Up to 5% of the value across a 5-year rolling average of the value of the Endowment Account shall be distributed annually as follows: $\frac{2}{3}$ to the Outdoor Recreation, Parks and Trails Program and $\frac{1}{3}$ to the Stewardship Program. Additional deposits shall be made to the Endowment Account from realty transfer taxes as hereinafter provided, from other state funds as the General Assembly may from time to time determine, and from any other public and private sources which may from time to time be made available. The Endowment Account is intended to provide a permanent endowment to accomplish the purposes of this subchapter. The corpus of the Endowment Account shall not be invaded unless for a purpose identified in this section.

(2) On or before December 15 of each fiscal year the State shall transfer \$1,000,000 of realty transfer taxes to the Infrastructure Account annually.

(3) [Repealed.]

(c) (1) Funds for the Open Space Program, and the earnings thereon to be retained therein, shall be applied by the Department to pay the costs of planning, and acquisition and development of property, to achieve the purposes of this subchapter. The program shall be funded by a transfer of \$9,000,000 of realty transfer taxes into the Endowment Account on or before December 15 of each fiscal year. The annual appropriations to the Endowment Account are intended to provide funds for current expenditure to achieve the purposes of this subchapter although the Department may, in its discretion, accumulate funds for particular project purposes.

(2) It is intended that property acquired with funds from the Endowment Account shall remain in public outdoor recreation and conservation use in perpetuity. Said property may not be converted to other uses without a subsequent act of the General Assembly. If the General Assembly approved the sale of any project or portion thereof, the State shall receive its pro rata share of net sale income. Said funds shall be deposited in the Endowment Account to be immediately available for other projects.

(d) (1) Funds in the Endowment Account, and the earnings thereon, which are to be retained therein, shall be disbursed, upon application, to state agencies, counties, municipal governments and local park districts, to pay the costs of planning, acquisition and outdoor recreation infrastructure development of property, to achieve the purposes of this subchapter. Not more than 75% of a total project cost may be paid from the Conservation Trust Fund. In any given year, state agencies shall only be eligible to receive funds as defined in this section where the Secretary determines that available funds exceed the eligible project requests from nonstate applicants. Private entities, including nonprofit entities, and school districts shall not be eligible for a grant through this program. Funds in the Endowment Account shall be eligible to fund outdoor recreation, park, and trail projects in accordance with the provisions of § 6102A(c)(1) of Title 29 and the provisions of § 8017A of Title 29. Administrative costs associated with the administration of this section and development of the statewide outdoor recreation plan shall be eligible for funding under this section.

(2) The applicant requesting funds for outdoor recreation, park, and trail projects must provide evidence satisfactory to the Department that the required matching funds have been committed or will be expended for the proposed project. Any property previously held or expenditures already made by the applicant may not be counted as part of an applicant's matching contribution. Land donations, in-kind services and/or materials provided by the applicant or received by the applicant from other sources may be used by the applicant under certain conditions to satisfy its matching requirement.

(3) All expenses of operation and maintenance for property acquired with funds from the Endowment Account shall be borne perpetually by the applicant.

(4) It is intended that property acquired or improved with funds from the Endowment Account shall remain in public outdoor recreation and conservation use in perpetuity. Said property may not be converted to other uses without a subsequent act of the General Assembly. If the General Assembly approved the sale or lease of any project or a portion thereof, the pro rata share of net sale and/or lease income shall be deposited into the Endowment Account. Said funds shall be deposited in the Endowment Account to be immediately available for other projects.

(e) Funds dedicated for the Stewardship program, and the earnings thereon, which are to be retained therein, shall be disbursed

proportionately by the Secretary according to the following formula: 35% to the Division of Parks and Recreation, 35% to the Division of Fish and Wildlife, 10% to the Division of Historical and Cultural Affairs, and 20% to the Department of Agriculture Forest Service. The Stewardship program is intended to provide funds for current expenditure, although the state agencies may, in their discretion, accumulate funds for Stewardship programs for particular project purposes.

It is the intent of the General Assembly that funds in the Stewardship program shall be used by the state agencies for management, preservation and interpretation of biological, recreational and cultural resources in addition to any other funds which have been previously appropriated for this purpose or which may be so appropriated in the future.

(f) Funds in the Infrastructure Account, and the earnings thereon, which are to be retained therein, shall be disbursed by the Secretary to meet critical infrastructure needs of the Division of Parks and Recreation, the Division of Fish and Wildlife, and other department outdoor recreational facilities. The Infrastructure Account is intended to provide funds for reinvestment in key open space infrastructure such as campgrounds, trails, visitor centers, recreational amenities, hunting, fishing and wildlife viewing areas.

(g) The Secretary shall maintain an annual accounting of all Land and Water Trust fund expenditures and report to the General Assembly.

Commodity Taxes
Chapter 55
PUBLIC UTILITIES TAXES

§ 5501. Definitions.

For purposes of this chapter only:

- (1) "Direct-to-home satellite services" has the meaning ascribed in the Communications Act of 1934, 47 U.S.C. § 303(v).
 - (2) "Distribute" includes any and all activity to produce, distribute or supply any commodities and services as defined in this section within this State.
 - (3) "Distributor" includes any company, corporation, municipality, partnership, firm, association, cooperative or any person or group of persons which supplies any public utility for sale to ultimate consumers or users within this State, whether, in the case of gas or electricity, the gas or electricity is supplied through a distributor's own or a transmission company's facilities.
 - (4) "Gas" for purposes of this chapter means natural gas which is further defined as a naturally occurring gaseous mixture of hydrocarbons and non-hydrocarbons, the principal constituent of the gaseous mixture being methane.
 - (5) "Gross receipts" includes total consideration received by a distributor for commodities or services sold, distributed, produced or supplied within the State to ultimate consumers or users.
 - (6) "Internet access" means the provision of a computer and communication service through which a customer using a computer and a modem or other communications device may access content, information, electronic mail or other services offered over the Internet and may also include access to proprietary content, information, and other services as part of a package of services offered to users; the term "Internet access" does not include any services defined in paragraphs (8)a.3. and 4. of this section, except to the extent such services are purchased, used, or sold by a provider of Internet access to provide Internet access.
 - (7) a. "Intrastate mobile telecommunications services" shall include the following:
 1. Mobile telecommunications that originate and terminate in this State or that originate and terminate in the same state and, in either case, that are billed to a customer with a place of primary use in this State, other than charges which are specifically exempt from tax under § 5506 of this title, provided, however, that the taxation of such services shall be subject to the provisions of § 5508 of this title; and
 2. All mobile telecommunications services that are sold to a customer whose place of primary use is within this State for a fixed periodic charge, whether or not calls provided within that fixed periodic charge originate or terminate in the same state; provided, however, that the taxation of such services shall be subject to the provisions of § 5508 of this title.
 b. "Intrastate mobile telecommunications services" shall not include separately stated electronic paging services, internet access, and interstate wireless data services.
 - (8) a. "Public utility" includes the following commodities and services:

 5. Direct-to-home satellite services.
 All such commodities and services are included whether distributed directly by the distributor to the consumer within this State or distributed through an intermediary to the consumer or user within this State.
 b. Gas and electricity are public utilities whether distributed to a consumer or user within this State by a distributor, either directly or through an intermediary, or delivered by a transmission company.
 - (9) "Transmission company" includes any company, corporation, municipality, partnership, firm, association, cooperative or any person or group of persons owning, leasing or controlling property or fixtures to property within this State used for the transmission, transportation or distribution of gas or electricity.
- (30 Del. C. 1953, § 5501; 58 Del. Laws, c. 301; 60 Del. Laws, c. 152, §§ 1-3; 71 Del. Laws, c. 170, §§ 1-4, 12; 72 Del. Laws, c. 39, §§ 1, 2; 72 Del. Laws, c. 101, §§ 1, 3; 73 Del. Laws, c. 399, §§ 1, 2; 75 Del. Laws, c. 5, §§ 1, 2; 77 Del. Laws, c. 82, §§ 2, 3.)

§ 5502. Imposition of tax; rate; adjustment of tariffs .

- (a) A tax is imposed on intrastate telephone commodities and services distributed within this State and on intrastate mobile telecommunications services at the rate of 5.00% of the charges for such services excluding any charges for Internet access as defined in § 5501(6) of this title.
- (b) (1) Except as provided in subsection (a) or paragraph (b)(2), (3) or (4) of this section, a tax is imposed upon any distributor of public

utilities, which tax shall be at the rate of 4.25% of the gross receipts or tariff charges received by the distributor for such public utilities. In addition thereto, any municipality with a population greater than 50,000 may impose, by duly enacted ordinance, a local franchise tax of no greater than 2.00% of the gross receipts received by the distributor from the amount of natural gas distributed to residences and businesses located within the boundaries of the municipality. The proceeds of any taxes imposed by such municipality pursuant to its authority set forth in this subsection shall be remitted to that municipality.

(2) A tax is imposed upon any distributor of electricity and gas commodities or services to business locations used primarily for the manufacture (as “manufacturing” is defined in § 2701 of this title and shall not include scientific, agricultural or industrial research, development or testing) of goods within this State; for food processing (as food processing is described in § 2903 of this title), agribusiness processing or the hatching of chickens in conjunction with either food processing or agribusiness processing within this State; which tax shall be at the rate of 2.00% of the gross receipts or tariff charges received by the distributor for said commodities or services distributed within this State. For purposes of this paragraph, in order for a business location to be “used primarily for the manufacture of goods or food and agribusiness processing within this State,” more than 70% of the employees employed at the business location must be employed in such activity exclusively within this State. Employees employed, by way of example and not limitation, in the management or administrative support of facilities, other than or in addition to a Delaware manufacturing or food or agribusiness processing facility, are not employed exclusively in the manufacture of goods or food and agribusiness processing within this State. For purposes of this subsection, the “business location” means all contiguous real property in which the manufacturer or food or agribusiness processor, as the case may be, has an interest, including a possessory interest. For purposes of this section “agribusiness processing” means any processing, working, development, change, conditioning or reconditioning of raw materials or products into products of a different character, or effecting any combination or composition of materials, the inherent nature of which is changed such that the resulting product is food for consumption by livestock or is fertilizer for agricultural use.

(3) Notwithstanding paragraph (b)(1) or (2) of this section, whenever: (i) gas or electricity is delivered within this State by a transmission company from a person who is not a distributor within this State and such person does not report and remit the tax on such gas or electricity; and (ii) a tax would have been imposed under this section had the delivery been made by a distributor, then the tax imposed by this section shall be upon the use of the gas or electricity and shall be paid by the consumer or user and shall be at the same rate applied to the amount paid for the gas or electricity as if the tax had been computed under paragraph (b)(1) or (2) of this section. Transmission companies shall, in a manner to be prescribed by the Director of Revenue, inform persons to whom they deliver gas or electricity of the tax on the use of gas or electricity. The Director of Revenue may require information returns from transmission companies to include, without limitation, identification of the persons to which gas or electricity is delivered and the dates and quantities delivered. The Director of Revenue shall maintain the confidentiality of prices assessed or paid for gas or electricity.

(4) A tax is imposed upon any distributor of direct-to-home satellite commodities and services or cable television communications commodities and services which tax shall be at the rate of 2.125% of the gross receipts or tariff charges received by the distributor for such commodities or services distributed within this State excluding any charges for Internet access as defined in § 5501(6) of this title.

(c) When the tax imposed by subsection (b) of this section applies to a distributor subject to the regulation of the Public Service Commission, the Commission is directed, after consultation with such distributor and without a public hearing, to adjust the tariff of such distributor so that the tax is passed through pro rata to the distributor’s customers and the distributor’s earnings are neither increased nor decreased by such tax. The tariff adjustments filed by such distributor and approved by the Public Service Commission shall not incorporate the tax in the charges for commodities and services, and the tax shall appear on the customer’s bill as a separate item. The Public Service Commission is further directed to allow such adjusted tariffs and the rates therein to become effective immediately upon filing without any requirement of 30 days’ notice and without suspension thereof. The Public Service Commission may enter any orders which shall be necessary to permit the tax to be passed through to such distributor’s customer while revised tariffs and billing procedures are being prepared.

(d) The tax imposed by subsection (a) and paragraph (b)(4) of this section applies to a “bundled transaction” as follows:

(1) The term “bundled transaction” means a transaction consisting of distinct and identifiable commodities or services which are sold for a single nonitemized sales price but which are treated differently for tax purposes.

(2) If the sales price is attributable to commodities or services that are taxable and commodities or services that are nontaxable, the portion of the sales price attributable to the nontaxable commodities or services shall be subject to tax unless the provider reasonably identifies and allocates such portion from its books and records kept in the regular course of business.

(3) If the sales price is attributable to commodities or services that are taxable at different rates, the total sales price shall be treated as attributable to the commodities or services taxable at the highest rate unless the selling provider reasonably identifies and allocates the portion of the sales price attributable to the commodities or services taxable at a lower rate from its books and records kept in the regular course of business.

(e) Nothing herein shall be construed to affect the imposition of tax on a charge for voice or similar service utilizing Internet Protocol or any successor protocol. This section shall not apply to any services that are incidental to Internet access, such as voice-capable e-mail or instant messaging.

(f) The State shall transfer in each fiscal year the first \$5,000,000 in tax receipts received under this chapter that would otherwise be deposited to the General Fund to the Energy Efficiency Investment Fund maintained by the Department of Natural Resources and

Environmental Control pursuant to Chapter 80 of Title 29.

§ 5503. Computation of tax.

(a) The tax imposed by § 5502(a) of this title shall be collected by the distributor from the ultimate consumer as a separate item not included in the sales price or tariff charge. The amount of tax collectible from the ultimate consumer shall in each case be calculated on the basis of a uniform percentage of the sale price or tariff charge payable by the ultimate consumer for the commodity or service which is subject to tax under this section and shall in each case be computed to the nearest highest cent; provided, however, that such tax shall not apply to receipts derived through the use of automatic coin collecting machines or coin boxes. A distributor's gross receipts shall not be deemed to include any portion of the tax collected from its consumer.

(b) The tax imposed by § 5502(b) of this title shall be paid only once and shall be considered imposed upon, in the case of deliveries of gas or electricity described in § 5502(b)(3) of this title, the ultimate consumer or user for the use of such gas or electricity. In all other cases, the tax shall be imposed on the distributor and is not to be construed as a tax upon the consumer or user.

(30 Del. C. 1953, § 5503; 58 Del. Laws, c. 301; 71 Del. Laws, c. 170, § 7; 72 Del. Laws, c. 39, § 4.)

§ 5504. Payment of tax.

(a) In the case of the distribution of public utilities as described in § 5502(a) and (b)(1), (2) or (4) of this title, the taxes collected under this chapter during any calendar month shall be paid by the distributor to the Department of Finance within 20 days after the end of said calendar month.

(b) A distributor may, with the approval of the Department of Finance, compute its remittances either upon its billings or upon its cash receipts; provided, that if the distributor is permitted to remit on the basis of its billings, the distributor shall be entitled to a credit against subsequent remittances for any taxes billed but not collected. The Secretary of Finance shall prescribe such rules, regulations and forms for the administration of the tax imposed by this chapter as the Secretary deems necessary and as are consistent with the laws of Delaware.

(c) In the case of deliveries of gas or electricity as described in § 5502(b)(3) of this title the taxes due under this chapter shall be paid within 20 days after the end of the calendar month in which the user first receives a statement from the seller of the utility setting forth the amount charged for such gas or electricity.

(30 Del. C. 1953, § 5504; 58 Del. Laws, c. 301; 60 Del. Laws, c. 547, § 1; 70 Del. Laws, c. 186, § 1; 71 Del. Laws, c. 170, §§ 8, 9; 72 Del. Laws, c. 39, § 4.)

§ 5505. Failure to file return or pay tax; interest and penalties [Repealed].

Repealed by 68 Del. Laws, c. 187, § 20, effective Jan. 1, 1992.

§ 5506. Exemptions.

(a) No person who is liable for the tax imposed by § 5502(b) of this title shall be required to be licensed as a wholesaler under § 2901(21) of this title.

(b) All intrastate telephone commodities and services shall be subject to the tax imposed by § 5502(a) of this title and the consumer or user thereof shall not be subject to the tax prescribed by Chapter 43 of this title.

(c) Sales of appliances or other equipment or machinery by a distributor shall be exempt from the tax imposed by § 5502(b) of this title; provided, that such sales are subject to and included in the license fees required by Chapter 29 of this title.

(d) The tax imposed by § 5502 of this title shall not apply to commodities and services furnished to:

(1) This State or the United States, or to any of their instrumentalities, agencies (including public school districts, Delaware State University and Delaware Technical and Community College) or political subdivisions;

(2) Delaware Transportation Authority and Delaware Housing Authority;

(3) The University of Delaware; and

(4) Delaware Solid Waste Authority.

(e) Gross receipts or tariff charges received by a distributor of electricity, gas or telegraph commodities and services from residential consumers and residential users and the sale price or tariff charges paid by residential consumers or residential users to distributors of telephone commodities and services shall be exempt from the tax imposed by this chapter. No distributor of electricity, gas or telegraph commodities and services shall pass on any tax imposed by this chapter to any residential consumer or residential user of such commodities and services. There shall be a presumption that all mobile telecommunications services are provided to nonresidential consumers or users unless it can be demonstrated that the services are charged to a place of primary use which is a residence and which has no other telephone service. Such presumption may be rebutted by the consumer showing to the Division of Revenue that the use of the service took place inside the user's or consumer's residence.

(f) The tax imposed by § 5502(b) of this title shall not apply for 36 consecutive months to gas or electricity furnished to a corporation which, at any time after December 31, 1984, was a debtor in possession in a reorganization proceeding under Chapter 11 of the United

States Bankruptcy Code and which in good faith files a plan of reorganization with the United States Bankruptcy Court. The 36-month exemption period shall commence on the first day of the calendar month following the filing of the debtor corporation's plan of reorganization. During the 36-month exemption period no distributor of gas or electricity shall be assessed any tax imposed by this chapter upon the distribution of such gas or electricity to a corporation which qualifies for such exemption under this subsection, nor shall any distributor of gas or electricity pass on any tax imposed by this chapter to any such corporation. The Division of Revenue shall promulgate appropriate rules and regulations to implement this subsection.

(g) The gross receipts or tariff charges of a distributor of electricity and electrical services attributable to sales of electricity or electrical services for use in an electrolytic or electroarcthermal or air separation process shall be exempt from the tax imposed by this chapter.

(h) The gross receipts or tariff charges received by a person who furnishes gas or electricity to another person who purchases said gas or electricity for resale shall be exempt from the tax imposed by this chapter.

(i) The gross receipts or tariff charges received by a person who furnishes gas for use by a distributor in the generation of electricity for distribution and sale and the receipt and consumption of such gas shall be exempt from the tax imposed by this chapter.

(j) The gross receipts or tariff charges of a distributor of electricity, electrical services or gas attributable to sales of electricity, electrical services, gas or gas services for use in an automobile manufacturing process shall be exempt from the tax imposed by this chapter. For purposes of this subsection, the term "automobile manufacturing" shall refer to the manufacturing operations of an automobile assembly plant and shall not refer to either the administrative operations of an automobile assembly plant or to the manufacture of component parts of an automobile outside an automobile assembly plant.

(30 Del. C. 1953, § 5506; 58 Del. Laws, c. 301, § 1; 59 Del. Laws, c. 169, § 1; 60 Del. Laws, c. 35, § 1; 65 Del. Laws, c. 17, § 2; 66 Del. Laws, c. 412, § 1; 70 Del. Laws, c. 120, §§ 1, 2; 70 Del. Laws, c. 142, § 7; 70 Del. Laws, c. 507, § 1; 71 Del. Laws, c. 170, § 10; 72 Del. Laws, c. 101, § 4; 72 Del. Laws, 1st Sp. Sess., c. 249, §§ 1, 2; 73 Del. Laws, c. 399, § 4; 77 Del. Laws, c. 412, § 2; 78 Del. Laws, c. 1, § 11; 78 Del. Laws, c. 100, § 19.)

§ 5507. Rebate of tax for certain qualified activities.

(a) In the case of the tax imposed by this chapter upon a distributor of gas or electricity commodities and services that is attributable to gross receipts or tariff charges received from a corporation that satisfies the requirements of § 2011(a) of this title for the allowance of a credit against the tax imposed by Chapter 19 of this title (relating to corporation income tax) for the taxable year of such corporation in which a qualified facility (as defined in § 2010(1) of this title) is placed in service by such corporation (within the meaning of § 2010(7) of this title), such corporation shall be allowed a rebate of the tax payable by such distributor for such corporation's taxable year in which such qualified facility is placed in service and for any of its 4 following taxable years in which such facility is a qualified facility with respect to such corporation on the last business day thereof. The amount of the rebate allowable to such corporation in each such taxable year shall be equal to 50 percent of the amount of the tax imposed by this chapter (computed without regard to this subsection, but computed with regard to subsection (a) of this section, if applicable) upon such distributor that is attributable to that portion of the tariff or other similar charge paid or payable to such distributor by such corporation on account of such taxable year that (1), if such qualified facility is a new facility within the meaning of § 2010(4) of this title, is allocable to the volume of such gas and electricity commodities and services consumed in the operation of such new facility during such taxable year, or (2), if such qualified facility is an expanded facility within the meaning of § 2010(5) of this title, is allocable to the excess, if any, of (i) the volume of such gas and electricity commodities and services consumed during such taxable year in the operation of that facility of which such expanded facility is a part, over (ii) the volume, if any, of such commodities and services consumed by such corporation or a related person (within the meaning of § 2010(10) of this title) in the operation of that same facility during such corporation's taxable year immediately preceding its taxable year in which such qualified facility is placed in service by such corporation. For purposes of this subsection, the amount of any tariff or other similar charge that shall be deemed allocable to the volume of any specific commodities and services shall be the excess of (1) the total amount of such tariff or charge, over (2) the amount of such tariff or charge computed without including such volume of commodities and services in the base for computing such tariff or charge.

(b) For purposes of this section, the taxable year of any person shall be the year used by such person in computing liability for Delaware income tax.

(64 Del. Laws, c. 460, § 5; 65 Del. Laws, c. 387, §§ 3, 4; 68 Del. Laws, c. 187, § 19.)

§ 5508. Sourcing rules for mobile telecommunications services.

(a) Mobile telecommunications services shall be sourced according to the provisions of the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. §§ 116-126. The definitions and provisions of such act are hereby incorporated into this section by reference.

(b) (1) If a customer believes that an amount of tax, or an assignment of place of primary use or taxing jurisdiction included on a billing is erroneous, the customer shall notify the home service provider in writing. The written notification shall include the street address for the customer's place of primary use, the account name and number for which the customer seeks a correction, a description of the error asserted by the customer, and any other information that the home service provider reasonably requests to process the claim.

(2) a. Within 60 days of receiving a notice under this section, the home service provider shall review its records. If this review shows the amount of tax or assignment of place of primary use or taxing jurisdiction is in error, then the home service provider shall correct the error and, within 90 days, refund or credit the amount of tax erroneously collected from the customer for a period of up to 2 years from the date of the customer's written notice. If this review shows that the amount of tax or assignment of place of primary use or taxing

jurisdiction is correct, then the home service provider shall provide a written explanation to the customer. In either event, the home service provider shall provide notice of any determination under this paragraph to the Director.

b. If the determination is adverse to the customer, the customer may protest such determination to the Director under § 523 of this title as if such determination were a notice of proposed assessment. If the determination is in favor of the taxpayer, the Director may nonetheless direct the home service provider to treat Delaware as the place of primary use and shall give notice to the customer of such determination, from which the customer may protest as if the home service provider had determined adversely to the customer.

(3) The procedures in paragraph (b)(1) and paragraph (b)(2)b. of this section shall be the first course of remedy available to customers seeking correction of assignment of place of primary use or taxing jurisdiction or a refund of or other compensation for taxes erroneously collected by the home service provider, and no cause of action based upon a dispute arising from such taxes shall accrue to the extent otherwise permitted by law until a customer has reasonably exercised the rights and procedures set forth in those subdivisions of this section.
