Project: Good Afternoon,

The Town of Townsend is in the preliminary stages of exploring the implementation of a splash pad at our local Community Park. We are seeking pricing, design options, and general information to help guide our planning process.

Please provide us with details on available splash pad models, installation requirements, maintenance considerations, and associated costs. Any information on grant opportunities or funding support would also be appreciated.

For technical questions or to coordinate further, please reach out to our Public Works Supervisor, Rick Boyer, at [rboyer@townsend.delaware.gov](mailto:rboyer@townsend.delaware.gov).

Thank you in advance for your time and assistance. We look forward to learning more about your splash pad options and how they could serve our community.
