Window Stickers.pdf;

Alex, take a look at these two vehicles. They are police packages and the explorer already has some accessories (siren, wig wags)

Can you please price out an economy upfit? Just need the basics. Truck K9 2/3rd insert (no bells and whistles) Explorer single transport partition. These are slick tops and you know what we need otherwise as we are on a strict budget.

We would supply the radio, Axon Cameras and cradlepoint for you to install.

Alex,

As you know, we are in the market to obtain two new police vehicles so thanks again for quoting these vehicles and for following up with us.

The town is interested in finance/lease to own. Assuming we could do this with Willis, what would be next steps for the town to get financing/lease details.

Thanks again for your efforts.

Good afternoon Brendin,

Here are the window stickers for the two vehicles you requested. Ignore the price on the window sticker, the price we would sell it to you is going to be significantly cheaper than that. I have outlined the prices below.

- Ford Explorer Interceptor: \$48,724
- Ford F-150 Interceptor: \$51,064

Please reach out at 302-317-6798 if you have any questions!

Best,
Alex Laperriere
